Opening Activity

This year's POOL theme is all about Embracing Change. The sessions have been focusing on change and how we respond to change. Now, Change is nothing new, we have seen, heard and experienced change in our lives. We have heard many different definitions of change – transition, transform, to make different in some way, to replace are just a few that are listed in Webster's Dictionary. Change can be involuntary (outside our control) or voluntary (planned choice).

With the person next to you, exchange a change you have experienced in the past week, month or year? These changes may be personal or through your involvement with WAHCE; regardless they are changes that have been experienced.

Today, with Embracing Change: Who Moved My Cheese, we are going to briefly explore our response to change and not how to prevent or avoid it in a lighthearted manner.

In front of you are plates of cheese. I invite you to take one and as we continue throughout the remaining time, you will find that the piece of cheese will take on meaning.
