enterprize , **Mistakenly Married?** Leah Mae Wright,2024-10-18 What happens when the Galactic Wrestling Association celebrates a little too hard after a successful show in Las Vegas Too much drinking that leads to a night several of the wrestlers have completely forgotten Especially when one of their meddling matchmaking mommas instigates an excursion to take pictures at a local wedding chapel The photographic evidence on social media of thirteen inebriated performers stopping at a wedding chapel caused quite an uproar making them wonder if some of their angles needed to be rebooked But with all of them waking up in their own rooms at the hotel the next morning with only vague memories of what had happened they all believed they d stayed outside the chapel as the pictures indicated Until a few weeks later when Rylie Long checked

her mail while the GWA was in her hometown for a show and learned that what happens in Vegas doesn't always stay there. Finding out she'd actually married Liam Connery that night in Vegas was a shock. She hadn't wanted to let on to anyone in the company that she had a little crush on the older wrestler. Now she had to figure out if she wanted to take advantage of their situation to see if her little crush could turn into more. When Rylie took her marriage license to the arena to inform her boss, several of her coworkers suddenly scrambled to check their mail to find out their marital statuses as well. Apparently Rylie and Liam weren't the only GWA wrestlers who got mistakenly married. Teagan Shields and Josh Parker also got married while drunk that night, as did Aiken Pearson and Brent Crockett. Now they all had to figure out how they wanted to handle the legalities of their situation while the GWA bookers reworked their angles to try to control the celebrity gossip. Would any of them stay married? Or would they get divorced? Or have their marriages annulled? And how did the fact that none of them had their legal residences listed in the same state as their spouses or the state where they got married factor into their options? Taking the time to meet with attorneys and determine the requirements for each of their situations was difficult with them traveling with the GWA. Especially when their coworkers conspired to keep them together by pairing the three couples in the bridal party for Dean and Allissa's wedding, so they couldn't go home for their Thanksgiving break.

A Spear of Summer Grass Deanna Raybourn, 2017-07-17. Death, divorce, and scandal send an American socialite to Kenya for a journey of discovery in this historical novel by a New York Times bestselling author. Paris 1923: The daughter of a scandalous mother, Delilah Drummond is already notorious even among Paris society. But her latest scandal is big enough to make even her oft-married mother, Blanch Delilah, is exiled to Kenya and her favorite stepfather's savanna manor house until gossip subsides. Fairlight is the crumbling sun-bleached skeleton of a faded African dream, a world where dissolute expats are bolstered by gin and jazz, records, cigarettes, and safaris. As mistress of this wasted estate, Delilah falls into the decadent pleasures of society. Against the frivolity of her peers, Ryder White stands in sharp contrast. As foreign to Delilah as Africa, Ryder becomes her guide to the complex beauty of this unknown world. Giraffes, buffalo, lions, and elephants roam the shores of Lake Wanyama amid swirls of red dust. Here life is lush and teeming yet fleeting and often cheap. Amidst the wonders and dangers of Africa, Delilah awakes to a land out of all proportion, extremes of heat, darkness, beauty, and joy that cut to her very heart. Only when this sacred place is profaned by bloodshed does Delilah discover what is truly worth fighting for and what she can no longer live without. Praise for *A Spear of Summer Grass*: An exotic journey of redemption. Kirkus Reviews. Rayburn's breezy, straightforward style is a nice counterpoint to the complexity of her heroine. Publishers Weekly.
