by other demands or discouraged because our sermons aren't as good as we'd hoped. In *Preach Well* Darryl Dash reminds us of some simple ways to make even average sermons better. God uses the faithful, consistent ministry of preachers like you to grow his church. Read this book to: Increase your joy in preaching. Improve your sermon preparation process. Decrease stress in your preparation. Strengthen your confidence that you can preach effectively. Enhance your appreciation for the charge you've received to preach.

The Elements of Preaching Warren W. Wiersbe, David Wiersbe, 1986. Here are basic preaching principles as well as the main preaching prohibitions that can help you sharpen and focus your skills in the pulpit.

Preaching Daniel Overdorf, 2022-11-08. Preaching with power and conviction is too important to be left to chance. In *Preaching*, experienced preacher and teacher of preachers Daniel Overdorf leads readers through a tested process for sermon preparation that takes proclaiming God's Word seriously yet does not overcomplicate the task or overwhelm the preacher. Overdorf describes and demonstrates consistent, manageable steps to effective preaching, including: Clarifying the convictions that drive your preaching. Identifying the main idea of a Scripture text. Forming memorable word pictures. Reducing reliance on notes. Connecting with the congregation throughout the sermon. Speaking authentically. *Preaching* offers guidance for any pastor who desires to communicate God's Word more effectively. Those preparing for the pastorate will find encouragement and exercises that start their teaching ministry off on the right path. Those who preach regularly will discover resources for taking the next step in their unique journey of proclaiming the Scriptures to their congregations with power and presence.

The Sermon Maker Calvin Miller, 2009-09-01. Three contemporary, humorous parables of a preacher who struggles with his need to change. Sam the preacher wonders what has gone wrong with his sermons. Are people still listening? Well-known storyteller and communications professor Calvin Miller combines his fiction writing with his insight into preaching to address the changes faced by today's preachers, especially the fact that contemporary congregations have shifted to a different way of listening. How can Sam recover his passion for preaching? In this short, entertaining story, driven by humor, church leaders will see honest reflections of themselves. But the narrative humor also provides a clever way to stimulate thought and discussion on how preachers and preaching are changing. Some places in the story will lead to laughter; others will cause readers to pause and reflect. But whatever the reaction, *The Sermon Maker* leaves the reader encouraged and changed. Extensive commentary on the stories provides insight from the author into the best ways to communicate. Just as the story in the tremendously popular *Who Moved My Cheese* impacted readers in the business world who were facing change, so this book is designed as a quick but stimulating story for any church leader who preaches or is concerned about the state of preaching today.

One Year to Better Preaching Daniel Overdorf, 2013-09-06. *One Year to Better Preaching* provides preachers with fifty-two hands-on exercises that sharpen their homiletical skills. The book is designed particularly for those who preach each week and have been perhaps for some time to help them get out of the rut of the routine and infuse their preaching with new sparks of creativity, fresh approaches to sermon preparation and design, and sharpened verbal and

nonverbal communication skills Novice preachers also will find the exercises useful in developing their preaching abilities Each chapter includes instructions for an exercise tools and suggestions needed for the exercise comments from preachers who completed it and recommended resources for further study The exercises address eight categories of homiletics Prayer and Preaching Bible Interpretation Understanding Listeners Sermon Construction Illustrations and Applications Word Crafting The Preaching Event Sermon Evaluation Readers can complete the exercises in the order presented which address different categories week to week or they can sharpen their skills in a particular category over a period of weeks by using the chart provided They might also work through the exercises in collaboration with other preachers One Year to Better Preaching will leave a preacher reinvigorated and better equipped to proclaim the Word of God skillfully passionately and effectively

The Witness of Preaching, Second Edition Thomas G. Long, 2005-10-20 This thorough and detailed revision of The Witness of Preaching is even clearer and more helpful than the first edition Long has updated the language expanded the key chapter on biblical exegesis and included more examples of sermon forms illustrations and conclusions He continues to critically engage the best thinkers in the field of homiletics bringing into the conversation both important new voices and the latest works of those who appeared in the first edition In addition he addresses some of the new forces at work such as the use of video clips and PowerPoint presentations in sermons

Using Illustrations to Preach with Power (Revised Edition) Bryan Chapell, 2001-04-04 If the apostle Paul had not punctuated his words with images of the armor of God or the racecourse would we so easily remember his instruction The march on Washington might have become nothing more than a ragged hike across a majestic mall if Martin Luther King Jr had not led us through a dream and onto a mountaintop Such is the power of illustrations They contain a hidden dynamic of living that captures our attention and furthers our understanding in a way that no other sermonic tool can match Can they be overused and their purpose abused Yes and by many they are But to eliminate them completely would be unwise maintains Bryan Chapell Instead he responds to those concerns by reviewing the theory behind illustrations sharing why they re important and demonstrating how you can use them effectively in your biblical preaching This book clearly affirms that illustrations are integral to powerful preaching not because they entertain but because they expand and deepen applications in the lives of your listeners They infuse your words with life without comprising the message making the truth of the Word ring clearly in people s hearts long after your sermon is done
