Smith, 2020-04-03 During a seven decade career that spanned from 19th century Vienna to 1920s Broadway to the golden age of Hollywood three time Academy Award winner Max Steiner did more than any other composer to introduce and establish the language of film music Indeed revered contemporary film composers like John Williams and Danny Elfman use the same techniques that Steiner himself perfected in his iconic work for such classics as Casablanca King Kong Gone with the Wind The Searchers Now

Voyager the Astaire Rogers musicals and over 200 other titles And Steiner's private life was a drama all its own Born into a legendary Austrian theatrical dynasty he became one of Hollywood's top paid composers But he was also constantly in debt the inevitable result of gambling financial mismanagement four marriages and the actions of his emotionally troubled son Throughout his chaotic life Steiner was buoyed by an innate optimism a quick wit and an instinctive gift for melody all of which would come to the fore as he met and worked with luminaries like Richard Strauss George Gershwin Irving Berlin the Warner Bros David O Selznick Bette Davis Frank Sinatra and Frank Capra In Music by Max Steiner the first full biography of Steiner author Steven C Smith interweaves the dramatic incidents of Steiner's personal life with an accessible exploration of his composing methods and experiences bringing to life the previously untold story of a musical pioneer and master dramatist who helped create a vital new art with some of the greatest film scores in cinema history War Machine Andy Remic, 2007-11-05 In a time of post Singularity and FTL travel the Helix War has raged across galaxies Ex soldier Keenan now works as a private investigator on a planet at the peaceful fringes of the Quad Gal Following the brutal death of his family he's run up hefty debts gained a bad reputation and become a heavy drinker When a prince from the Jervai Province offers him a case on a dangerous colony world in exchange for clues that may lead him to his family's murderer he accepts the job without hesitation However to have any chance of success he must gather together his old military unit a group who swore they'd never work together again **Mental Floss: The Curious Movie Buff** Jennifer M. Wood, Mental Floss, 2022-11 This book for movie lovers is filled with fascinating facts and behind the scenes insights about the making of celebrated movies from the last fifty years from well known blockbusters to critical favorites and cult classics The Great War Collection: Look to the East / Whisper on the Wind / Springtime of the Spirit Maureen Lang, 2019-04-09 This collection bundles all three novels of Maureen Lang's Great War series into one e book for a great value Look to the East At the dawn of the First World War the French provincial village of Briecourt is isolated from the battles but the century old feud between the Toussaints and the de Colvilles still rages in the streets When the German army sweeps in to occupy the town families on both sides of the feud must work together to protect stragglers caught behind enemy lines Juliette Toussaint may have been adopted from a faraway island but she feels the scorn of the de Colvilles as much as anyone born a Toussaint So when she falls in love with one of the stragglers a wealthy and handsome Belgian entrepreneur she knows she's playing with fire Charles Lassone hides in the cellar of the Briecourt church safe from the Germans for the moment But if he's discovered it will bring danger to the entire village and could cost Charles his life Whisper on the Wind In Brussels at the height of WWI a small underground newspaper is the only thing offering the occupied city hope and real news of the war The paper may be a small whisper amid the shouts of the German army but Edward Kirkland will do anything to keep it in print Meanwhile Isa Lassone a Belgian American socialite whose parents whisked her to safety at the start of the war sneaks back into the country to rescue those dearest to her Edward and his mother But Edward refuses to go and soon Isa is drawn into his secret

life printing the newspaper And into his heart Springtime of the Spirit By the fall of 1918 the Great War has ended and the world is at peace but there is little to celebrate in Germany After four years of fighting for his homeland Christophe Brecht returns to find there is little left of what he once called home So when family friends ask him to travel to Munich to bring back their runaway daughter Christophe agrees When he finally locates Annaliese Duray he discovers she is far different from the girl he once knew Headstrong idealistic and beautiful she is on the front lines of the city s political scene fighting to give women and working class citizens a voice in Germany s new government As the political upheaval ignites in Munich so does the attraction between Annaliese and Christophe With an army from Berlin threatening to squash everything Annaliese has worked for both she and Christophe are forced to choose between love and loyalty

Religion on the Battlefield Ron E. Hassner,2016-05-18 How does religion shape the modern battlefield Ron E Hassner proposes that religion acts as a force multiplier both enabling and constraining military operations This is true not only for religiously radicalized fighters but also for professional soldiers In the last century religion has influenced modern militaries in the timing of attacks the selection of targets for assault the zeal with which units execute their mission and the ability of individual soldiers to face the challenge of war Religious ideas have not provided the reasons why conventional militaries fight but religious practices have influenced their ability to do so effectively In Religion on the Battlefield Hassner focuses on the everyday practice of religion in a military context the prayers rituals fasts and feasts of the religious practitioners who make up the bulk of the adversaries in bystanders to and observers of armed conflicts To show that religious practices have influenced battlefield decision making Hassner draws most of his examples from major wars involving Western militaries They include British soldiers in the trenches of World War I U S pilots in World War II and U S Marines in Iraq and Afghanistan Hassner shows that even modern rational and bureaucratized military organizations have taken and must take religious practice into account in the conduct of war
