Aoki,Yvette M Alex-Assensoh,2009-12-21 The authors have done a commendable and impressive job of addressing a topic of long lasting and increasing significance in U S politics F Chris Garcia University of New Mexico This is a path breaking book that will be read across disciplines beyond political science James Jennings Tufts University Over the past four decades the United States has experienced the largest influx of immigrants in its history Not only has the ratio of European to non European newcomers changed but recent arrivals are coming from the Asian subcontinent Southeast Asia South America and other regions which have not previously supplied many immigrants to the United States In this timely study a team of political scientists examines how the arrival of these newcomers has affected the efforts of long standing minority groups Blacks Latinos and Asian Pacific Americans to gain equality through greater political representation and power The authors predict that for some time to come the United States will function as a complex multiracial hierarchy rather than as a genuine democracy Ronald Schmidt Sr is Professor of Political Science at California State University Long Beach Yvette M Alex Assensoh is Associate Professor of Political Science and Dean of the Office for Women s Affairs OWA at Indiana University Bloomington Andrew L Aoki is Professor of Political Science at Augsburg College Rodney E Hero is the Packey J Dee Professor of American Democracy at the University of Notre Dame **Democracy's Arsenal** Jacques S. Gansler,2013-08-16 An expert explains why the security needs of the twenty first century require a transformation of the defense industry of the twentieth century New geopolitical realities including terrorism pandemics rogue nuclear states resource conflicts insurgencies mass migration economic collapse and cyber attacks have created a dramatically different national security environment for America Twentieth century defense strategies technologies and industrial practices will not meet the security requirements of a post 9 11 world In Democracy s Arsenal Jacques Gansler describes the transformations needed in government and industry to achieve a new more effective system of national defense Drawing on his decades of experience in industry government and academia Gansler argues that the old model of ever increasing defense expenditures on largely outmoded weapons systems must be replaced by a strategy that combines a healthy economy effective international relations and a strong but affordable national security posture The defense industry must remake itself to become responsive and relevant to the needs of twenty first century security **Hidden Histories of Unauthorized Migrations from Europe to the United States** Danielle Battisti,S. Deborah Kang,2025-05-13 Often depicted as the nation s iconic legal immigrant unauthorized European migrants are often overlooked by scholars policymakers and the media This volume tells the stories of European migrants who adopted irregular migration strategies to enter and remain in the United States throughout the twentieth century Contributors explore facets of this history with essays on migration patterns from Russia Italy Ireland the

Ottoman Empire and Poland They also offer important arguments about the treatment of unauthorized European migrants by states and societies on both sides of the Atlantic and how the reception of undocumented immigrants has been and continues to be impacted by the dynamics of racial class and gender constructions in the United States and abroad As the contributors show the reception accorded unauthorized European migrants frequently obscured and even normalized their irregular migration strategies easing their access to American citizenship Revealing and insightful Hidden Histories of Unauthorized Migrations from Europe to the United States sheds new light on our intertwined notions of race legality and immigration Contributors Danielle Battisti Ashley Johnson Bavery Mary Patrice Erdmans Polina Ermoshkina Torsten Feys Carly Goodman S Deborah Kang E Kyle Romero Randa Tawil and Joanna Wojdon      **Conscientious Objection** Özgür Heval Çınar, Coskun Üsterci, 2009-09-15 Refusing to take part in war is as old as war itself This wide ranging and original book brings together four different bodies of knowledge to examine the practice of conscientious objection historical and philosophical analyses of conscientious objection as a critique of compulsory military service and militarization feminist LGBT and queer analyses of conscientious objection as a critique of patriarchy sexism and heterosexism activist and academic analyses of conscientious objection as a social movement and individual act of resistance legal analyses of the status of conscientious objection in international and national law Conscientious objection is an increasingly important subject of academic and political debate in countries including the US Israel and Turkey This book provides a much needed introduction and tool for making sense of the history of nation states in the 20th century and understanding the political developments of the early 21st century
