George Müller of Bristol Arthur T. Pierson, 2011-04-01 George Müller of Bristol is the ultimate George Müller biography written by a man who knew him and the one approved by Mr Müller's own son-in-law. Though A. T. Pierson's book contains many amazing accounts of how God provided for George Müller and his ministry more than anything, the book is a powerful narrative of how God responds to faith and prayer. Müller's life goal was to show that God is a living God who hears and answers prayer, and God richly blessed this life of faith. The refreshing thing about this biography is that you learn just as much about the God Müller served as you do about Müller himself. The author also often steps out of the narrative to help the reader to apply lessons from Müller's life. Tremendous insight is gained into why and how he became a great man of faith and prayer. And as if the unfolding of this isn't enough, there's the added bonus of author A. T. Pierson's insightful commentary on biblical principles for deeper level Christian living. Reading this book is like sitting at the feet of a personal spiritual mentor. The author has a masterful way of turning a phrase, and more importantly, he shows us how and what and who made Müller who he became: a man of God, extraordinary. The faith that distinguished his Christianity from mediocre believers of his day was unclouded by sentimentality or mystical notions; it was steeped in Scripture and bathed in the love of Christ. A wonderful book that truly brings glory to God.

man who walks with God and finds Him a present Help in every time of need who puts His promises to the practical proof and verifies them in actual experience every believer who with the key of faith unlocks God's mysteries and with the key of prayer unlocks God's treasures thus furnishes to the race a demonstration and an illustration of the fact that He is and is a Rewarder of them that diligently seek Him George Müller was such an argument and example incarnated in human flesh Here was a man of like passions as we are and tempted in all points like as we are but who believed God and was established by believing who prayed earnestly that he might live a life and do a work which should be a convincing proof that God hears prayer and that it is safe to trust Him at all times and who has furnished just such a witness as he desired Like Enoch he truly walked with God and had abundant testimony borne to him that he pleased God And when on the tenth day of March 1898 it was told us of George Müller that he was not we knew that God had taken him it seemed more like a translation than like death To those who are familiar with his long life story and most of all to those who intimately knew him and felt the power of personal contact with him he was one of God's ripest saints and himself a living proof that a life of faith is possible that God may be known communed with found and may become a conscious companion in the daily life George Müller proved for himself and for all others who will receive his witness that to those who are willing to take God at His word and to yield self to His will He is the same yesterday and to day and forever that the days of divine intervention and deliverance are past only to those with whom the days of faith and obedience are past in a word that believing prayer works still the wonders which our fathers told of in the days of old From Chapter One

Pierson,2015-07-03 Excerpt from George Muller of Bristol And His Witness to a Prayer Hearing God Very soon after the decease of my beloved father in law I began to receive letters pressing upon me the desirableness of issuing as soon as possible a memoir of him and his work The well known autobiography entitled Narrative of the Lord s Dealings with George Muller had been and was still being so greatly used by God in the edification of believers and the conversion of unbelievers that I hesitated to countenance any attempt to supersede or even supplement it But as with prayer I reflected upon the subject several considerations impressed me 1st The last volume of the Narrative ends with the year 1885 so that there is no record of the last thirteen years of Mt Muller s life excepting what is contained in the yearly reports of The Scriptural Knowledge Institution 2d The last three volumes of the Narrative being mainly a condensation of the yearly reports during the period embraced in them contain much unavoidable repetition 3d A book of say four hundred and fifty pages containing the substance of the four volumes of the Narrative and carrying on the history to the date of the decease of the founder of the institution would meet the desire of a large class of readers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
