Georgia Teacher Evaluation Program Manual:

Evaluation Manual Georgia Teacher Evaluation Program, Georgia. Office of Instructional Services, 1993 Resources in Education ,1994 **Georgia School Social Worker Evaluation Program** Georgia School Social Worker Evaluation Program, 1989 *Supervision for Today's Schools* George E. Pawlas, Peter F. Oliva, 2007-06-29 Specifically designed for the introductory course this text provides an overview of the field of instructional supervision Acquaints students with not only the authors views on supervision but with those of other specialists in the field placing heavy emphasis on practice and the supervisor s responsibilities as an instructional leader Continues to stress that the relationship between the supervisor and teacher is built on trust and that the overall goal is to improve student achievement through better instruction **Quality Human Resources Leadership** David L. Weller Jr., Sylvia Weller, 2000-03-22 Marrying theory and practice this volume will help principals to maximize human potential promote quality educational outcome and practice effective leadership skills This practical research based book provides case studies and addresses the more recent responsibilities and demands placed on principals in site based managed schools Placing many of the traditional practices of personnel administration into a new conceptual framework this book is a must read for principals at all levels *Evaluation Handbook for Professional Support Personnel* James H. Stronge, 1995 **Research in Education** ,1974 **Teacher Evaluation and Merit Pay** ,1986-03-26 This bibliography includes scholarly journals dissertations papers and books published primarily from 1980 through December 1984 that focus on teacher evaluation and merit pay These materials are presented in separate chapters according to the type of publication in which they appeared In addition to materials identified and annotated from a literature search of several education databases the authors wrote to public school districts with student populations of over 5 000 requesting copies of their teacher evaluation materials They received 348 sets of evaluation documents and these materials are annotated in the chapter entitled School District Publications Other materials prepared by school districts are included in the chapter entitled Papers **Visual Arts Research** ,1987 Effective Alternative Education Programs Christopher Scott Chalker, Kimila S. Brown, 1999-08-04 The number of alternative education programs in the United States has increased significantly over the past several years Unfortunately the number of resource books addressing alternative education has not paralleled program growth Filling a major gap in the literature Chalker and Brown provide concrete solutions to challenging problems associated with the planning development and implementation of alternative education programs for K 8 students They break the book into equal parts treating respectively K 5 6 8 and combined K 8 efforts at prevention and early intervention before students reach high school Public school administrators and alternative program educators will find this book useful and educational professionals at the national and state level will appreciate the activities aimed at school improvement initiatives **Exceptional Child Education Resources** ,1988 Resources in Education ,1982 **Resources in Vocational Education** ,1978 Handbook of Evidence-Based Therapies for Children and Adolescents

Ric G. Steele, T. David Elkin, Michael C. Roberts, 2007-12-03 Growing numbers of young people some 10% to 20% of school age populations have mental health problems requiring intervention and current policy initiatives identify evidence based therapies as the most effective and relevant forms of treatment By reviewing evidence based treatments EBTs across a wide spectrum of conditions the Handbook of Evidence Based Therapies for Children and Adolescents Bridging Science and Practice closes the gaps between children's needs and services as well as those between research training and practice Several EBT options both proved and promising are offered for each covered disorder and are bolstered by case examples tables and reference lists Features include chapters on implementation issues such as diversity family treatment assessment strategies and community settings and step by step guidance for the researcher looking to gather empirical support for therapies With comprehensive coverage provided by numerous leading experts in the field this volume covers the broadest range of disorders over the widest pediatric adolescent age range including Behavioral disorders ADHD aggression bullying Phobias panic disorders school refusal and anxiety Autism and pervasive developmental disorders Depression mood disorders and suicidal behavior Alcohol and drug abuse Eating disorders and obesity PTSD With its emphasis on flexibility and attention to emerging issues the Handbook of Evidence Based Therapies for Children and Adolescents is essential reading for anyone who works to address the mental health needs of children including clinical child school and counseling psychologists clinical social workers and child psychiatrists as well as advanced graduate level students in these and other related fields
