the FCC changed the regulations governing the relationship between sponsors and local programming in 1972 effectively bringing the genre to a close since the programs operated under strict budgetary constraints The story of this chapter in television history show the richness of imagination and inventiveness of children s programming and the devotion of the fans Featured shows include Bozo s Circus Garfield Goose Kukla Fran The Mulqueen s Kiddie A Go Go Ray Rayner and Friends and Super Circus Today we can be nostalgic about the passing of great local children s fare such as Bozo s Circus and Garfield Goose However I believe that today s children have more and better choices in programming What is missing is the localism the heart and soul that emanated from these and other programs Economics regulation and expectations for what a program should look like have altered children s television forever As you read this book perhaps you will not only find memories or curiosities from a bygone era but inspiration to create children s television for today s audiences A pie in the face is still funny kids still like to dance and the last time I looked you could still buy six buckets and nail them to a board and call it a Grand Prize Game from the foreword by Neal Sabin WCIU TV Chicago Behind the Scenes Stories of the Golden Age of Chicago Children s Television as Told by the People Who Lived It At one time every station in Chicago a maximum of five until 1964 produced or aired some programming for children From the late 1940s through the early 1970s local television stations created a golden age of children s television unique in American broadcasting Though the shows often operated under strict budgetary constraints these programs were rich in imagination inventiveness and devoted fans The mere mention of their names brings smiles to the faces of Midwestern Baby Boomers everywhere Kukla Fran Ollie Super Circus Garfield Goose Bozo s Circus Mulqueens Kiddie A Go Go BJ Dirty Dragon Ray Rayner and Friends and a host of others In 1972 the FCC changed the regulations governing the relationship between sponsors and local programming effectively bringing to a close this chapter of television history What Chicago kids show had American Bandstand host Dick Clark dancing on T V for the first time ever Why did one have to wait months and more often years to get tickets for Bozo s Circus Which very popular and successful host never wanted to do a children s T V show Who really made the puppet Garfield Goose you may not have known it was a mystery Remember the talent that bit the head off a parakeet on live TV and the shocked emcee s reaction What sent television executives into a quandary when Kiddie A Go Go went on the air Which show was almost forced off the air because a giant soft drink company opposed a so called rival s use of the word sip Now discover the back stories and details of this special era from the people who created lived and enjoyed it producers on air personalities and fans
