Fear and the Making of Foreign Policy Raymond Taras, 2015-03-24 This is a book about conflicts and fears how domestic reasons are drawing countries in Europe into international events Raymond Taras explains why France Poland and Sweden have become engaged in outside conflicts and tells the story of when and why xen **Mitterrand, the End of the Cold War, and German Unification** Frédéric Bozo, 2009-10 This book explores the role of France in the events leading up to the end of the Cold War and German unification from publisher description **Forthcoming Books** Rose Arny, 2004

Homelands Nadav G. Shelef, 2020-07-15 Why are some territorial partitions accepted as the appropriate borders of a nation's homeland whereas in other places conflict continues despite or even because of division of territory In *Homelands* Nadav G. Shelef develops a theory of what homelands are that acknowledges both their importance in domestic and international politics and their change over time These changes he argues driven by domestic political competition and help explain the variation in whether partitions resolve conflict *Homelands* also provides systematic comparable data about the homeland status of lost territory over time that allow it to bridge the persistent gap between constructivist theories of nationalism and positivist empirical analyses of international relations **German Reunification** Frédéric Bozo, Andreas Rödder, Mary Elise Sarotte, 2016-08-05 This book provides a multinational history of German reunification based on empirical work by leading scholars The reunification of Germany in 1989-90 was one of the most unexpected and momentous events of the twentieth century Embedded within the wider process of the end of the Cold War it contributed decisively to the dramatic changes that followed the end of the division of Europe the collapse of the Warsaw Pact the origins of NATO's eastward expansion and not least the creation of the European Union Based on the wealth of evidence that has become available from many countries involved and relying on the most recent historiography this collection takes into account the complex interaction of multinational processes that were instrumental in shaping German reunification in the pivotal years 1989-90 The volume brings together renowned international scholars whose recent works based on their research in multiple languages and sources have contributed significantly to the history of the end of the Cold War and of German reunification The resulting volume represents an important contribution to our knowledge and understanding of a significant chapter in recent history This book will be of much interest to students of German politics Cold war history international and multinational history and IR in general **Tangled Transformations** Kiran Klaus Patel, 2024-08-30 *Tangled Transformations* presents a historical analysis of the interplay between German unification and European integration from the mid 1980s to the mid 1990s Building on freshly released documents the book's sixteen chapters explore constellations in which the two processes accelerated and informed one another The book highlights the role of Germany's neighbours to the east with chapters discussing the cotransformation between East and West as well as chapters dedicated to Poland Romania and Hungary It sheds new light on the two interrelated processes by examining the role of Germany's most important

Western neighbours and partners the United States the United Kingdom France and Italy The book pays particular attention to the role of the European Commission as well as to monetary and industrial policy It also moves beyond the economic sphere by discussing foreign and security policy issues justice and home affairs German debates about European integration at the time and the significance of the German federal states Ultimately Tangled Transformations demonstrates the strong interlinkages between German unification and European integration **The Statesman's Yearbook 2012 B.**

German Politics Klaus Larres, Holger Moroff, Ruth Wittlinger, 2022-07-18 Few countries have caused or experienced more calamities in the 20th century than Germany The country emerged from the Cold War as a newly united and sovereign state eventually becoming Europe's indispensable partner for all major domestic and foreign policy initiatives This handbook provides a comprehensive overview of some of the major issues of German domestic politics economics foreign policy and culture by leading experts in their respective fields This book serves primarily as a reference work on Germany for scholars and an interested public but through this broader lens it also provides a magnifying glass of global developments which are

challenging and transforming the modern state The growing importance of Germany as a political actor and economic partner makes this endeavor all the more timely and pertinent from a German European and global perspective **German Politics and Society**, 2007 **Europa und die deutsche Einheit** Michael Gehler, Maximilian Graf, 2017-09-11 Auf den ersten Blick geht die deutsche Einheit zu den am besten aufgearbeiteten Kapiteln der jüngsten Zeitgeschichte jedoch fokussierte die bisherige Forschung vor allem auf die innerdeutsche Dimension und auf die internationale Durchsetzung der Einheit Dabei standen insbesondere die vier Siegermächte des Zweiten Weltkriegs und einige Nachbarstaaten im Mittelpunkt Dieser Band untersucht die Wiedervereinigung erstmals aus einer gesamteuropäischen Perspektive und gliedert sich in regional und bedingungsbedingte Themenblöcke Vier Mächte Neutrale und NATO Staaten Skandinavien Benelux Staaten Mittel und Osteuropa Süd Europa Zudem wird auch die Rolle transnationaler Parteinetzwerke thematisiert Die einzelnen Länderstudien skizzieren das Verhältnis des jeweiligen Landes zu den beiden deutschen Staaten vor 1989/90 Im Zentrum der Analysen steht die Haltung zur deutschen Frage vom Mauerfall am 9 November 1989 bis zum Vollzug der Einheit am 3 Oktober 1990 Länderspezifische Schwerpunktsetzungen machen deutlich wie divers die deutsche Einheit aus den jeweiligen nationalen Blickwinkeln wahrgenommen wurde und wie sehr diese bis heute das Deutschlandbild mitprägen Vor dem Hintergrund der Vertiefung der europäischen Integration und der Erweiterung der EU wird ein Ausblick auf die Rolle des geeinten Deutschlands bis ins Europa unserer Tage gewagt Strategic Culture Matters Wilhelm Mirow, 2009 This book explores the question of why a significant difference in the frequency and intensity with which Great Britain and Germany used military force since 1990 persists despite reunification and the end of the Cold War Based on the theoretical framework of moderate constructivism this thesis argues that differences in strategic culture can explain this puzzle To this end it analyses opinion polls and military interventions abroad and then compares decision processes and debates leading to military interventions in Kosovo Sierra Leone the Democratic Republic of Congo and Afghanistan **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2004 **Africa and the North** Ulf Engel, Gorm Rye Olsen, 2004-11-10 This volume discusses Africa's place in the international system examining how the Westphalian system in light of the impact of globalization and transnational networks continues to play a major role in the structuring of Africa's international *International History and International Relations* Andrew J. Williams, Amelia Hadfield, J. Simon Rofe, 2012-08-06 This innovative new textbook seeks to provide undergraduate students of international relations with valuable and relevant historical context bridging the gap and offering a genuinely interdisciplinary approach Each chapter integrates both historical analysis and literature and applies this to an international relations context in an accessible fashion allowing students to understand the historical context in which these core issues have developed The book is organised thematically around the key issues in international relations such as war peace sovereignty identity empire and international organisations Each chapter provides an overview of the main historical context theories and literature in each

area and applies this to the study of international relations Providing a fresh approach this work will be essential reading for all students of international relations and international relations theory *In Uncertain Times* Melvyn P. Leffler, Jeffrey W. Legro, 2011-05-15 *In Uncertain Times* considers how policymakers react to dramatic developments on the world stage Few expected the Berlin Wall to come down in November 1989 no one anticipated the devastating attacks on the World Trade Center and the Pentagon in September 2001 American foreign policy had to adjust quickly to an international arena that was completely transformed Melvyn P Leffler and Jeffrey W Legro have assembled an illustrious roster of officials from the George H W Bush Clinton and George W Bush administrations Robert B Zoellick Paul Wolfowitz Eric S Edelman Walter B Slocombe and Philip Zelikow These policymakers describe how they went about making strategy for a world fraught with possibility and peril They offer provocative reinterpretations of the economic strategy advanced by the George H W Bush administration the bureaucratic clashes over policy toward the breakup of the USSR the creation of the Defense Policy Guidance of 1992 the expansion of NATO the writing of the National Security Strategy Statement of 2002 and the invasion of Iraq in 2003 A group of eminent scholars address these same topics Bruce Cumings John Mueller Mary Elise Sarotte Odd Arne Westad and William C Wohlforth probe the unstated assumptions the cultural values and the psychological makeup of the policymakers They examine whether opportunities were seized and whether threats were magnified and distorted They assess whether academicians and independent experts would have done a better job than the policymakers did Together policymakers and scholars impel us to rethink how our world has changed and how policy can be improved in the future
