**The Call of Grace** Michael Perkins, 2015-09-25 Salvation cannot be earned It is the free gift of grace from God through Christ There is a great pressure release for Christians when they finally understand its not about performance Interestingly though we also know that 1 John 5:3 says In fact this is love for God to keep His commands And His commands are not burdensome It is noteworthy that this verse points out that obedience is one of the principal ways to show love for God So to obey is to love That truth changes everything because in the Sermon on the Mount Jesus says outrageous things about how He expects disciples to act and obey He says impossible things like be perfect as your heavenly Father is perfect and love your enemies and pray for those who persecute you So what is to be done with those verses Too often the page is just turned to something that feels more comfortable But why did Jesus say these things unless He meant them Maybe He expects uncommonly committed obedience Maybe if the Spirit is allowed to work that power to obey on a different level can be unlocked The Call of Grace considers what it would look like if the words of Jesus's greatest sermon were taken to heart and the Holy Spirit was allowed to grow in us an obedience never known before Certainly we will never be perfect but when God looks at sinful people and sees the blood of Jesus the perfection of Christ takes their place And when He looks at them perhaps He sees children who long to obey out of love for Him The Call of Grace calls for consideration of what it means to obey wildly and out of sincere thankfulness for grace For this is love for God

Matties, 2012-05-02 In an age of fear and insecurity in which ethnic nationalism continues to give rise to conflict and war we dare not avoid critical engagement with biblical texts that have been used to justify colonialism conquest occupation and ethnic cleansing Building on the idea of Scripture as dialogue partner Matties advocates for the book of Joshua even as he engages in a difficult conversation with it In his commentary the twenty fifth volume in the Believers Church Bible Commentary series Matties calls for an openness to the unexpected in the book of Joshua He suggests that reading Joshua carefully will open windows into how and why we read Scripture at all      **Jewish Mysticism** Marvin A. Sweeney, 2020-03-26 Questions of how the divine presence is understood and interacts within the world have been around since the time of the biblical prophets The Jewish mystical tradition conceives God as active just powerful and present while allowing for divine limitation so as to understand the relationship between God and the Jewish people in their history Jewish Mysticism surveys Jewish visionary and mystical experience from biblical and ancient Near Eastern times through the modern period and the emergence of modern Hasidism Marvin Sweeney provides a comprehensive treatment of one of the most dynamic fields of Jewish studies in the twenty first century providing an accessible overview of texts and interpretative issues Sweeney begins with the biblical period which most treatments of Jewish mysticism avoid and includes chapters on the ancient Near East the Pentateuch the Former Prophets and Psalms the Latter Prophets Jewish Apocalyptic the Heikhalot Literature the Sefer Yetzirah and early Kabbalistic Literature the Zohar Lurianic Kabbalah and the Shabbatean Movement and the Hasidic Movement Placing Jewish apocalyptic literature into the larger development of ancient Jewish visionary and mystical experience Sweeney fills gaps left by the important but outdated work of others in the field Ideal for the scholar student or general reader Jewish Mysticism provides readers with a fresh understanding of the particular challenges problems needs and perspectives of Judaism throughout its history      **1-2 Kings** David T. ### **Greater**

Steven Furtick, 2014-05-06 New York Times bestseller Pastor Steven Furtick draws on the biblical story of Elisha to give you the confidence to know that nothing is impossible with God the clarity to see the next step He's calling you to take and the courage to do anything He tells you to do Most of us aren't in danger of ruining our lives but we are in danger of wasting them We all have honest moments when we're gripped by a desire to feel that what we're doing matters more That who we are matters more And according to John 14:12 Jesus wants the very same thing for every one of us Very truly I tell you whoever believes in me will do the works I have been doing and they will do even greater things than these because I am going to the Father That single promise even greater things than

these should be enough to shatter our acceptance of spiritual mediocrity Unfortunately most believers have only tried and given up on vague notions of greatness then settled into a life that's just good enough But God has a vision for your life that is Greater God is ready to accomplish a greatness in your life that is entirely out of human reach beyond anything you see in yourself on your best day but exactly what God has seen in you all along In Greater Pastor Steven Furtick draws on the biblical story of Elisha to empower you to Take a God given dream from idea to reality Stretch your limited resources and abilities in ways you never thought possible Replace the images of yourself that keep you feeling stuck in the past Make a significant impact with your life starting today rather than making endless plans for tomorrow that you never get around to If you're tired of being ordinary it's time to dream bigger If you're feeling overwhelmed about where to begin it's time to start smaller It's time to ignite God's Greater vision for your life

*The Book of the Former Prophets* Thomas W Mann, 2012-09-01 The Former Prophets of the Hebrew Bible includes the books of Joshua through 2 Kings it is a narrative of ancient Israel's history of some seven hundred years from the conquest of Canaan to the exile when Israel lost the land Thomas Mann adopts a critical perspective and incorporates many distinct literary sources from different times into his work The result is a compelling example of ancient historiography as well as an impressive artistic achievement The book contains fascinating and often horrifying stories of war religious fanaticism terror and disaster as well as stories of deep personal loyalty friendship and faith Finally in a deeply thoughtful and constructive way The Former Prophets addresses perennial questions like amongst others What is the relationship between divine sovereignty and human political institutions or In what sense are historical events the result of human acts and also of divine Providence

From Moses to Elisha Leonard Elliott Elliott-Binns, 1929 Commentary on selected passages from Exodus Numbers Deuteronomy Joshua Judges Samuel and Kings

*Of Kings and Prophets* Mark Rutland, 2021-10-05 FROM NEW YORK TIMES BEST SELLING AUTHOR Power is only as strong as the authority that sustains it This book will help you be a better leader It will help you receive a healthy dose of accountability through applied spiritual authority The biblical prophets did not live or prophesy in a contextual vacuum They spoke into real life circumstances to real life leaders such as kings queens governors and generals Drawing on biblical accounts Dr Mark Rutland shows how these interactions sometimes in the form of advice but more often as dramatic confrontations demonstrate the tension between heaven's authority and the princes of this world Readers will discover that God positions His messengers to confront and advise those who lead in the natural realm Likewise Satan is also working to position his own servants near the world's leaders hoping to steer them away from the things and plans of God To whom those leaders listen will determine to a large extent the fate of nations God often positions His servants at the right elbow of leaders in a wide range of disciplines from business to education to entertainment to politics Every believer should be open to being God's prophetic voice in someone else's life whether that person is a child a boss or a town councilman Likewise every believer should be in constant prayer for and humbly sensitive to wise counsel sent from God as a gift of grace God

makes and unmakes kings When they can discern and listen to His voice He sustains their well wielded authority with His supernatural power
