Once Walked with Gods James Barclay, 2010 Takaar Lord of the TaiGethan has been the hero of countless battles for nearly 2 000 years But in the last battle his courage broke The elves have fled an ancient evil But with nearly all having crossed the dimensions to safety in Calaius the battle line breaks and hundred thousand elves are left to their doom

Elves: Once Walked With Gods James Barclay, 2010-08-19 The elves have fled to Calius seeking to escape the overwhelming power of the demonic Garonin A desperate last stand in their own dimension saved the race at the cost of 100 000 elves lost to the Garonin The elf who led that fight Takaar is blamed for the losses and has gone into hiding Now the weakened elf race is tearing itself apart in civil war human mercenaries have arrived in Calius and are ripping the continent apart Only one elf can unite the elves And only one elf believes in him A young warrior named Auum sets out to bring back the shamed hero and save the elven race James Barclay's ELVES trilogy will tell the whole story of his immortal elven race and will appeal to all fans of Tolkien and fantasy this is a uniquely entertaining take on a fantasy staple perfect to bring new readers to Barclay And old readers of James Barclay will welcome a return to one of their favourite creations and will also love seeing one of their favourite characters again the Tai Gethan warrior Auum destined to be one of the Raven

Elfsorrow James Barclay, 2003-07-10 Another action packed adventure from the new master of fantasy launches Legends of The Raven a new trilogy starring the cult heroes made famous in Chronicles of The Raven The Raven travel to a new continent in search of mages to help the ruined college of Julatsa rebuild and find themselves in the midst of an ancient curse a curse that has unleashed a plague that threatens to wipe out the elven race Barclay excels with another tale that pitches The Raven against the clock and unseen foes Full of desperate fights and secret betrayals the story also fills in more of Balaia's history and delves deeper into the ancient enmities between the colleges Barclay has created a wonderfully appealing group of heroes and with every book their history grows and the land they live in becomes wider and richer This is landmark fantasy in the making
