Resurrection City Peter Goodwin Heltzel,2012-11-23 In Resurrection City Peter Heltzel paints a prophetic picture of an evangelical Christianity that eschews a majority mentality and instead fights against racism inequality and injustice embracing the concerns of the poor and marginalized just as Jesus did Placing society s needs front and center Heltzel calls for radical change and collective activism modeled on God s love and justice In particular Heltzel explores the social forms that love and justice can take as religious communities join together to build beloved cities He proclaims the importance of improvising for justice likening the church s prophetic ministry to jazz music and develops a biblical theology of shalom justice His vision draws inspiration from the black freedom struggle and the lives of Sojourner Truth Howard Thurman and Martin Luther King Jr Pulsing with hope and beauty Resurrection City compels evangelical Christians to begin a global movement for love and justice that truly embodies the kingdom of God **Transforming Love** Stormie

Love Out Loud Joyce Meyer, 2011-11-24 Jesus said You must love the Lord your God with all your soul mind and strength and love your neighbour as yourself. If you had to choose a single verse in the Bible that is a formula for successful living this would be the one to live by says Joyce Meyer. Many Christians get mixed up about love. They know they should love God they know they should love others but they don't understand what it means to love themselves. Joyce believes that this misconception is one of the greatest pitfalls in the Christian journey. Loving oneself in a balanced healthy manner is essential in order to have healthy relationships with God and others. Through these inspiring and thoughtful devotions readers will learn how to fall in love with God because of who He is rather than what He can give us. Why we cannot truly love ourselves until we truly love God. Why we must love ourselves in order to love others because it's impossible to give away something you don't possess. Practical ways to put these principles into action and enjoy richer relationships. This powerful volume combines the trademark practical teaching sound psychology and useful insights that Joyce Meyer is known for and will form a firm basis for devotions for years to come.

Love Them Anyway Choco De Jesús, 2021-06 Don't fight the culture. Transform it. When Pastor Choco De Jesús was twelve years old his Chicago neighborhood erupted in gang violence for three terrible days. On the third day the mayor called in the National Guard to restore order. Choco felt vulnerable and helpless and soon he turned to the only source of security life and purpose the love of Jesus. Pastor Choco leads out of this deep well of experience. He knows what it's like to wonder if you'll live through the day and he knows how it feels when someone cares enough to step in and provide care and hope.
