and examples that will raise awareness of the issues that rob older women of the quality of life they deserve Some of the vital issues and theories you will read about in Fundamentals of Feminist Gerontology include women regaining control over their health care retirement and the economic issues that older women face when they retire the role of children and grandchildren in the older woman s life unpaid work after retirement in the home and as a care provider older women battling domestic violence financial and psychological issues of widowhood special concerns of minority women and lesbians as they grow older Fundamentals of Feminist Gerontology presents new feminist knowledge and strategies to assist aging women in fully developing enhancing and enjoying their later years You will discover a rich variety of theories and frameworks from a multitude of intellectual paradigms and political positions to enhance your professional practice with older women

The Routledge International Handbook of Feminisms in Social Work Carolyn Noble, Shahana Rasool, Linda Harms-Smith, Gianinna Muñoz-Arce, Donna Baines, 2024-06-03 This handbook highlights innovative and affect driven feminist dialogues that inspire social work practice education and research across the globe The editors have gathered the many at times silenced feminist voices and their allies together in this book which reflects current and contested feminist landscapes through 52 chapters from leading feminist social work scholars from the many branches and movements of feminist thought and practice The breadth and width of this collection encompasses work from diverse socio political contexts across the globe including Central and South America Africa Asia the Middle East Europe North America Aotearoa New Zealand and Australia The book is divided into six parts as follows Decoloniality Indigeneity and Radical Theorising Feminist Social Work in Fields of Practice Academy and Feminist Research The Politics of Care Allyship Profeminisms and Queer Perspectives Social Movements Engaging with the Environment and the More than Human The above sections present the diverse feminisms that have influenced social work which provides a range of engaging informative and thought provoking chapters These chapters highlight that feminists still face the battle of working towards ending gender based violence discrimination exploitation and oppression and therefore it is urgent that we feature the many contemporary examples of activism resistance best practice and opportunities to emphasise the different ways feminisms remain central to social work knowledge and practice It will be of interest to all scholars and students of social work and related disciplinary areas including the social and human sciences global and social politics and policy human rights environmental and sustainability programmes citizenship and women s studies

Gerontological Practice for the Twenty-first Century Virginia E. Richardson, Amanda Smith Barusch, 2006 Gerontological Practice for the Twenty first Century provides state of the art information on practice approaches with older patients that are age specific and empirically based Part 1 reviews current and classic theories of aging and proposes an original framework to practice that incorporates both individual and policy level interventions Part 2 covers such psychological problems as anxiety depression suicide substance abuse and dementia and describes appropriate evidence based interventions Part 3 discusses working with older

families end of life care bereavement and work and retirement and part 4 focuses on core sociopolitical issues in the lives of older people such as economic policy poverty health policy quality of life concerns and social services Designed as a text for students and as a professional resource for practitioners this book is a comprehensive review of the current literature and contains authoritative information on issues relating to a vulnerable population in need of sophisticated care *Critical perspectives on ageing societies* Miriam Bernard,Thomas Scharf,2007-05-16 This important book brings together some of the best known international scholars working within a critical gerontology perspective Together they review and update our understanding of how the field has developed over the last twenty five years and through the lens of passionate scholarship provide a challenging assessment of the complex practical and ethical issues facing older people and those who conduct research on ageing in the 21st century The contributions extend the critical gerontological approach conceptually methodologically and practically They offer close and scholarly analysis of policies affecting the lives of older people and provide insights into why research is done in particular ways Special attention is paid to feminist contributions and new approaches to working in partnership with older people age discrimination and ageism the impact of neo liberal policies and the passage of various human rights instruments the re medicalisation of later life the participation of older people in research and justice between generations The editors and contributors offer suggestions for promoting change and an exciting set of visions and perspectives for the renewal and development of critical gerontology in the years ahead *Critical Perspectives on Ageing Societies* will be a valuable resource for all students academics and practitioners interested in ageing and the life course

Older GLBT Family and Community Life Christine Fruhauf,Dan Mahoney,2019-07-09 It is a well known fact that our population of persons aged 65 and over are growing at a faster rate than any other demographic Older adults are now living longer more complex lives than previous generations Recent census data confirms the emergence of a growing more visible older Gay Lesbian Bisexual and Transgendered GLBT community In spite of the diversity that now exists in older GLBT communities very little is known about their contemporary experiences and healthcare needs What is needed is a more inclusive understanding of older GLBT family and community life As a result this book will educate community professionals about the experiences of older GLBT adults and the issues they face within their families and communities In particular physical and mental health family relationships and individual development are explored in this textbook This multidisciplinary approach to GLBT aging will also benefit undergraduate students graduate students and academics specializing in anthropology education family studies gerontology health studies human development psychology social work and sociology For that matter anyone currently researching or working with older sexual communities This book was published as a special issue of the *Journal of GLBT Family Studies*

Women as They Age Susan O Mercer,J Dianne Garner,2012-07-26 Explore the needs of older women and ways to provide for them Written by women about women and for women *Women As They Age* Second Edition highlights the realities of being an aging woman in a youth oriented male

dominated society in which socioeconomic and gender stratification are the norm In the eleven years since the publication of the original *Women as They Age* there has been a great deal of research on the subject This second edition is inclusive and current providing valuable information on the needs and accomplishments of our present and future older population Here you ll encounter women from the mainstream and minorities of all kinds and come to a better understanding of their personal and family relationships their sexuality their concerns and their feelings about death and dying Public policies towards aging women are discussed as are psychological and sociological perspectives In its focus on older women *Women As They Age Second Edition* highlights the challenges that these women present to professionals whose job it is directly or indirectly to provide assistance to the vast array of aging and aged women This valuable multidisciplinary book aimed at students practitioners administrators and educators addresses crucial issues in social work nursing psychology sociology gerontology and economics New subjects covered in this edition include grandmothers raising grandchildren long term care for aging women the current status of public policy as it pertains to older women older women s changing perspectives on sexuality new issues surrounding death and dying *Women as They Age Second Edition* explores state of the art and developmental perspectives across the professions of sociology psychology social work and nursing Also provided is a close examination of the unique issues facing older women including public policy employment discrimination and social program adequacy and equity the relationship of older women to family sexuality and intimacy and special concerns of minority women This volume includes a practical resource guide that explores the services available to older women While addressing the troublesome situations of older women worldwide *Women As They Age Second Edition* also celebrates their triumphs accomplishments and contributions

Reconceptualizing the Strengths and Common Heritage of Black Families Edith M.

Freeman,Sadye Louise Logan,2004

Elder Abuse and Mistreatment Joanna Mellor,Patricia Brownell,2013-04-15

Provide the most effective service possible to help victims of this growing social problem *Elder Abuse and Mistreatment* is a comprehensive overview of current policy issues new practice models and up to date research on elder abuse and neglect Experts in the field provide insight into elder abuse with newly examined populations to create an understanding of how to design service plans for victims of abuse and family mistreatment The book addresses all forms of abuse and neglect examining the value issues and ethical dilemmas that social workers face in providing service to elderly abuse victims and their families Elder abuse and neglect is a social problem of increasing concern to policymakers practitioners and researchers in the United States and around the world *Elder Abuse and Mistreatment* incorporates health mental health and social service perspectives that assist social work and health care professionals with interdisciplinary teamwork The book examines the Elder Justice Act the Madrid 2002 International Plan of Action on Ageing new and emerging practice modalities and international models such as shelter programs and support groups and the latest research on practice methods elder abuse with special populations and interventions with victim abuse dyads Topics examined in *Elder Abuse and Mistreatment*

include abuse reporting statutes the roles of agencies involved in abuse investigations service commonly needed by victims funding sources common impediments to service delivery adult protective services APS local state and federal policies social and economic inclusion self determination long term care and nursing homes consumer fraud and financial abuse dependency and compliance and much more Elder Abuse and Mistreatment Policy Practice and Research is an essential resource for educators and students of social work nursing and public health and for social work practitioners *Punk, Gender and Ageing* Laura Way, 2020-09-14 Using in depth interviews with punk women growing old disgracefully Way explores how women construct punk identities Reflecting on punk then and now they reveal the constraints punk women experience on their identities growing older the complex relationship between appearance and dress and the impact of social expectations around aging **Voluntary and Involuntary Childlessness** Natalie Sappleton, 2018-08-23 While interest in the drivers consequences nature and manifestations of voluntary and involuntary childlessness increases knowledge progress is hampered by poor linkages across disjointed research fields The book brings together theoretical insights and empirical investigations into the phenomenon united within a feminist conceptual framework **Nursing Issues in the 21st Century** Eleanor C. Hein, 2001 With a varied collection of readings focusing on contemporary issues in professional nursing this first edition introduces students to the many perspectives affecting nurses and society This text incorporates both nursing and non nursing literature covering such issues as education and role transition governance and cost containment Articles are organized from simple to complex making it easy for faculty to assign readings to beginning intermediate and advanced students The author provides an introduction for each section of articles framing them in historical political and sociocultural settings **Medical Sociology and Old Age** Paul Higgs, Ian Rees Jones, 2009-01-13 The nature of health in later life has conventionally been studied from two perspectives Medical sociologists have focused on the failing body chronic illness infirmity and mortality while social gerontologists on the other hand have focused on the epidemiology of old age and health and social policy By examining these perspectives Higgs and Jones show how both standpoints have a restricted sense of contemporary ageing which has prevented an understanding of the way in which health in later life has changed In the book the authors point out that the current debates on longevity and disability are being transformed by the emergence of a fitter and healthier older population This third age where fitness and participation are valorised leads to the increasing salience of issues such as bodily control age denial and anti ageing medicine By discussing the key issue of old age versus ageing the authors examine the prospect of a new sociology a sociology of health in later life *Medical Sociology and Old Age* is essential reading for all students and researchers of medical sociology and gerontology and for anyone concerned with the challenge of ageing populations in the twenty first century This book is essential reading for all students and researchers of medical sociology and gerontology **Human Development and Faith (Second Edition)** Felicity Kelcourse, 2015-07-28 Updated with the latest research this second edition approaches human development from a multidisciplinary perspective

Uniquely inclusive of the moral and faith dimensions of the life cycle Human Development and Faith examines the interplay of mind body family community and soul at every stage of development Back cover Women Confronting Retirement Nan Bauer Maglin,Alice Radosh,2003 In this nontraditional guide the editors showcase the voices of 38 women as they confront the need to redefine who they are when they leave the workplace behind them 34 photos *Therapeutic Interventions with Ethnic Elders* Sara Aleman,Tanya Fitzpatrick,Thanh V Tran,Elizabeth Gonzalez,2014-02-04 Provide effective services to ethnic elders with culturally competent training Therapeutic Interventions with Ethnic Elders Health and Social Issues provides culture specific information to health and social work professionals You will explore distinctive qualities that are found in ten different ethnic groups to help you better serve these populations The historical events that have shaped these elders often adverse reactions to mainstream providers are also included Ideas on how to effectively approach these situations are included to improve your skills with a diverse population of clients The information in Therapeutic Interventions with Ethnic Elders is invaluable to health care administrators who plan services and hire personnel to work with various ethnic groups The book also functions as a training tool to increase the awareness of staff members who currently work with ethnically diverse populations You will learn to recognize culturally driven behaviors in ethnic elders and how to make appropriate interventions Some of the general and culture specific issues that Therapeutic Interventions with Ethnic Elders addresses are helping ethnic elders to feel comfortable utilizing your services appropriately modifying therapy to meet the individual s cultural background reinforcing a new sense of independence for these elders by helping them understand available services understanding cultural inhibitions in Japan that hide deny or ignore mental illness realizing that traditional Euro American psychotherapy techniques cannot be readily transplanted and applied to all other cultures addressing depression anxiety increased illness intergenerational conflict and even marital conflict combined with the stress of assimilation and acculturation among Russian emigrants understanding folk beliefs and the importance of the role of the church for many elder African Americans Therapeutic Interventions with Ethnic Elders addresses the need for practitioners agencies and institutions to understand and respect the different characteristics of each elderly minority population You will examine the unique historical contexts of Vietnamese Japanese Chinese African Russian Navajo Yaqui Mexican Cuban and Puerto Rican elders and explore the stress factors that come with immigrating such as finding a peaceful place to live and being confronted by age discrimination and racism This important book explains cultural behaviors to provide you with effective suggestions for providing optimum care to the ethnic elders in your life Feminist Perspectives on Social Work Practice Shannon Butler-Mokoro,Laurie Grant,2018 This book takes a contemporary look at the issues that affect women most from a feminist perspective Going beyond the equal pay for equal work issue the authors write about mental health substance abuse disabilities parenting relationships criminal justice and aging all from a holistic and intersectional perspective **Encyclopedia of Aging: Ear-Kin** ,2002 *Learning to Be Old* Margaret Cruikshank, University of Maine

Women's Studies (retired),2013-02-14 Margaret Cruikshank's *Learning to Be Old* examines what it means to grow old in America today The book questions social myths and fears about aging sickness and the other social roles of the elderly the over medicalization of many older people and ageism

Sexual Violence Against Older People Hannah Bows,2019-03-04

Research on sexual violence has been a growing area of academic study since the 1970s However the focus of these efforts has centred on younger women leaving older women largely ignored in research This book presents data from the first UK study to examine the extent nature and impacts of sexual violence against people aged 60 and over Drawing on both quantitative analysis of reported cases of sexual violence against people over 60 and qualitative interviews with practitioners in sexual violence and age related organisations as well as survivors of sexual violence this book situates the research findings in the context of feminist criminology and gerontology and sets an agenda for future research policy and practice *Sexual Violence against Older People* is vital reading for practitioners and policymakers and those engaged in studies of criminology health and nursing social work elder abuse and violence against women
