Funny How You Say That:

, *The 25th Hour* David Benioff, 2002-01-29 The brilliant debut novel from the bestselling author of *City of Thieves* and the co creator of the HBO series *Game of Thrones* about a white collar drug dealer s last night out in New York City before going to jail Adapted as a feature film by Spike Lee starring Edward Norton and Philip Seymour Hoffman Novels like *The 25th Hour* don t fall out of trees every day The tone is dark and intense its elegant style is cut on the raw side and the characters come from places we ve all been The New York Times All Monty Brogan ever really wanted when he grew up was to be a fireman Now he s about to start a seven year stretch in the federal penitentiary for drug dealing With just twenty four hours of freedom to go he prowls the city with his girlfriend and his two best friends from high school a high flying bond trader and an idealistic teacher As the minutes count down Monty seizes one last chance to stack the odds in his favor Hurtling from the money pits of Wall Street to Manhattan s downtown lounge and club scene from the enclaves of the Russian mob to the old immigrant neighborhoods *The 25th Hour* evokes the pulsing rhythms and diamond hard edges of a city in the raw illusory hours between midnight and dawn A taut and mesmerizing tale of an urban purgatory suspended between the crime and the punishment *The 25th Hour* is a major player in contemporary noir fiction *Now That's Funny!* Peter Desberg, Jeffrey Davis, 2017-06-07 There is a feeling of pure delight that comes from laughing out loud while watching a hilarious movie or a TV show Yet as funny as these lines may be they are the work of people you will never see The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper And while few of us are privy to this fascinating process for writers Peter Desberg and Jeffrey Davis the challenge of observing and understanding how comedy is born has culminated in a unique new book *Now That s Funny* Desberg and Davis provide an intimate look into the minds of twenty four of Hollywood s funniest comedy writers who have given us such shows as *Saturday Night Live* *Monk* *Everybody Loves Raymond* *The Simpsons* *Frasier* *Maude* *Home Improvement* *Valerie* *Modern Family* *Cheers* *There s Something about Mary* *The Honeymooners* *Suddenly Susan* *Newhart* *Sabrina the Teenage Witch* *Archie* *Bunker s Place* *The Tracey Ullman Show* *Wings* *Who s The Boss* and more How do you get to see the creative wheels turn The authors premise was simple Using a Q and A format they provided each writer with a story idea and let them run with it Each of the writers was told there were no rules no boundaries and no limits Because everyone started with the same concept the authors could see how some writers jumped in and began creating while others asked lots of questions how some writers stuck closely to the premise while others turned it on its head What emerges is an entertaining look illuminating and hilarious in turn at the creative process behind hit TV shows and movies If you re one of the millions who have enjoyed watching the work of comedy writers here is an opportunity to go behind the scenes and see the madness unfold Now that s funny Flying Eric Kraft, 2009-03-03 Critics have compared him to Proust Pynchon and Fred Astaire an artful slyly intelligent wildly inventive observer of Americana Now Eric Kraft has landed an ambitious comedy set both in our present

and in an alternative 1950s universe Flying It is the tail end of the 1950s and in the town of Babbington New York a young dreamer named Peter Leroy has set out to build a flying motorcycle using a design ripped from the pages of Impractical Craftsman magazine This two wheeled wonder will carry him not only to such faraway places as New Mexico and the Summer Institute in Mathematics Physics and Weaponry but deep into the heart of commercialized American culture and return him to Babbington a hero More than forty years later as Babbington is about to rebuild itself as a theme park commemorating his historic flight Peter must return home to set the record straight and confess that his flight did not match the legend that it inspired Drawing together Eric Kraft's previously published Taking Off and On the Wing with the brand new final part of the story Flying Home Flying is a buoyant comedy of remarkable wingspan a hilarious story of hoaxes digressions do it yourself engineering and the wilds of memory and a great satire of magical thinking in America

EXPOSED Tommy Clancy, Tommy first begins to suspect that Maxi is living two lives in the idyllic village of Unterhausen One life where she puts up her facade and pretends to be happy in her unfulfilling marriage Then when there is no one looking she retreats into seclusion and turns to Tommy This is where her heart has always been However with him she has three lives They have their romantic past Now in the present they are living in the throes of rekindled love and passion However it is their future that is being held hostage by her overbearing parents feeble husband and the ultimate question of how to handle telling her boys One cannot close the door to their past while she still has one foot on the other side He notices that although she is the life of the party and known as little miss sunshine that she seems to have walls built all around her Is it a self defense mechanism or is she hiding secrets in that fortress On one hand she pours her heart and soul out to him On the other hand there are periods of unexplained silence She never mentions her husband but they are both aware that he is there Once the walls have been breached what other secrets will be exposed **The Magi's Gift of Gold** Charles A.

Sennewald,2019-05-14 Mr Sennewald's first book was a fictional novel about foreign cars namely a Volkswagen He was offered a story line buyout because a producer wanted the story for a motion picture Sennewald declined the generous offer For years friends family and colleagues have talked about the story with its totally surprising ending and have complained about his failure to write more fictional works The real demand for his work has been in writing textbooks on management consulting shoplifting and criminal investigations To satisfy the complainants he's been writing short stories that are fun to read and invariably have surprising and or unexpected endings This book is a collection of those great stories between two covers If the reader likes to or tries to outguess the stories endings he or she will enjoy every page of this book They will agree that this collection is an interesting journey indeed *Supreme Court* ,1915 **Ten Dead Comedians** Fred Van Lente,2017-07-11 Fred Van Lente's brilliant debut is both a savagely funny homage to the Golden Age of Mystery and a thoroughly contemporary show business satire As the story opens nine comedians of various acclaim are summoned to the island retreat of legendary Hollywood funnyman Dustin Walker The group includes a former late night TV host a washed up

improv instructor a ridiculously wealthy blue collar comic and a past her prime Vegas icon All nine arrive via boat to find that every building on the island is completely deserted Marooned without cell phone service or wifi signals they soon find themselves being murdered one by one But who is doing the killing and why A darkly clever take on Agatha Christie s And Then There Were None and other classics of the genre Ten Dead Comedians is a marvel of literary ventriloquism with hilarious comic monologues in the voice of every suspect It s also an ingeniously plotted puzzler with a twist you ll never see coming
