Smoothing the Jew Jeffrey A. Marx, 2024-06-14 Both the object of admiration and anxiety Jewish immigrants to the United States at the turn of the nineteenth century were often depicted in derogatory caricatures Smoothing the Jew investigates how Jewish artists of the time attempted to smooth over these demeaning images focusing on the first Jewish comic strip published in English Harry Hershfield's Abie the Agent

American Showman Ross Melnick, 2012-05-01 Samuel Roxy Rothafel 1882 1936 built an influential and prolific career as film exhibitor stage producer radio broadcaster musical arranger theater manager war propagandist and international celebrity He helped engineer the integration of film music and live performance in silent film exhibition scored early Fox Movietone films such as Sunrise 1927 pioneered the convergence of film broadcasting and music publishing and recording in the 1920s and helped movies and moviegoing become the dominant form of mass entertainment between the world wars The

first book devoted to Rothafel's multifaceted career American Showman examines his role as the key purveyor of a new film exhibition aesthetic that appropriated legitimate theater opera ballet and classical music to attract multi class audiences Roxy scored motion pictures produced enormous stage shows managed many of New York's most important movie houses directed and or edited propaganda films for the American war effort produced short and feature length films exhibited foreign documentary independent and avant garde motion pictures and expanded the conception of mainstream commercial cinema He was also one of the chief creators of the radio variety program pioneering radio broadcasting promotions and tours The producers and promoters of distinct themes and styles showmen like Roxy profoundly remade the moviegoing experience turning the deluxe motion picture theater into a venue for exhibiting and producing live and recorded entertainment Roxy's interest in media convergence also reflects a larger moment in which the entertainment industry began to create brands and franchises exploit them through content release events and give rise to feature films soundtracks broadcasts live performances and related consumer products Regularly cited as one of the twelve most important figures in the film and radio industries Roxy was instrumental to the development of film exhibition and commercial broadcasting musical accompaniment and a new convergent entertainment industry Jews and Humor Leonard J.

Greenspoon,2011-10-01 Jews and humor is for most people a natural and felicitous collocation In spite of or perhaps because of a history of crises and living on the edge Jews have often created or resorted to humor But what is humor And what makes certain types instances or performances of humor Jewish These are among the myriad queries addressed by the fourteen authors whose essays are collected in this volume And thankfully their observations always apt and often witty are expressed with a lightness of style and a depth of analysis that are appropriate to the many topics they cover The scholars who contributed to this collection allow readers both to discern the common features that make up Jewish humor and to delight in the individualism and eccentricities of the many figures whose lives and accomplishments are narrated here Because these essays are written in a clear jargon free style they will appeal to everyone even those who don't usually crack a smile

Stairway to Paradise Ari Katorza,2021-09-07 Stairway to Paradise reveals how American Jewish entrepreneurs musicians and performers influenced American popular music from the late nineteenth century till the mid 1960s From blackface minstrelsy ragtime blues jazz and Broadway musicals ending with folk and rock n roll The book follows the writers and artists real and imaginative relationship with African American culture's charisma Stairway to Paradise discusses the artistic and occasionally ideological dialogue that these artists writers and entrepreneurs had with African American artists and culture Tracing Jewish immigration to the United States and the entry of Jews into the entertainment and cultural industry the book allocates extensive space to the charged connection between music and politics as reflected in the Jewish Black Alliance both in the struggle for social justice and in the music field It reveals Jewish success in the music industry and the unique and sometimes problematic relationships that characterized this process as their dominance in this field became a

source of blame for exploiting African American artistic and human capital. Alongside this the book shows how black Jewish cooperation and its fragile alliance played a role in the hegemonic conflicts involving American culture during the 20th century. Unintentionally it influenced the process of decline of the influence of the WASP elite during the 1960s. *Stairway to Paradise* fuses American history and musicology with cultural studies theories. This interdisciplinary approach regarding race, class and ethnicity offers an alternative view of more traditional notions regarding understanding American music's evolution.

The Bible in Motion Rhonda Burnette-Bletsch, 2016-09-12. This two-part volume contains a comprehensive collection of original studies by well-known scholars focusing on the Bible's wide-ranging reception in world cinema. It is organized into sections examining the rich cinematic afterlives of selected characters from the Hebrew Bible and New Testament, considering issues of biblical reception across a wide array of film genres ranging from noir to anime, featuring directors from Lee Chang-dong to the Coen brothers whose body of work reveals an enduring fascination with biblical texts and motifs, and offering topical essays on cinema's treatment of selected biblical themes, e.g. lament, apocalyptic, particular interpretive lenses, e.g. feminist interpretation, queer theory, and windows into biblical reception in a variety of world cinemas, e.g. Indian, Israeli, and Third Cinema. This handbook is intended for scholars of the Bible, religion, and film, as well as for a wider general audience.

Religion Around Billie Holiday Tracy Fessenden, 2019-10-16. Soulful jazz singer Billie Holiday is remembered today for her unique sound, troubled personal history, and a catalogue that includes such resonant songs as *Strange Fruit* and *God Bless the Child*. Holiday and her music were also strongly shaped by religion, often in surprising ways. *Religion Around Billie Holiday* examines the spiritual and religious forces that left their mark on the performer during her short but influential life. Mixing elements of biography with the history of race and American music, Tracy Fessenden explores the multiple religious influences on Holiday's life and sound, including her time spent as a child in a Baltimore convent, the echoes of black Southern churches in the blues she encountered in brothels, the secular riffs on ancestral faith in the poetry of the Harlem Renaissance, and the Jewish songwriting culture of Tin Pan Alley. Fessenden looks at the vernacular devotions scholars call *lived religion*, the Catholicism of the streets, the Jewishness of the stage, the Pentecostalism of the roadhouse or the concert arena, alongside more formal religious articulations in institutions, doctrine, and ritual performance. Insightful and compelling, Fessenden's study brings unexpected materials and archival voices to bear on the shaping of Billie Holiday's exquisite craft and indelible persona. *Religion Around Billie Holiday* illuminates the power and durability of religion in the making of an American musical icon.

Leonard Bernstein: West Side Story Nigel Simeone, 2017-07-05. One of the Broadway musicals that can genuinely claim to have transformed the genre, *West Side Story* has been featured in many books on Broadway, but it has yet to be the focus of a scholarly monograph. Nigel Simeone begins by exploring the long process of creating *West Side Story*, including a discussion of Bernstein's sketches, early drafts of the score and script, as well as cut songs. The core of the book is a commentary on the music itself. *West Side Story* is one of the very few Broadway musicals for

which there is a complete published orchestral score as well as two different editions of the piano vocal score. The survival of the original copied orchestral score and the reminiscences of Sid Ramin and Irwin Kostal reveal details of the orchestration process and the extent to which Bernstein was involved in this. Simeone's commentary considers musical characteristics and compositional techniques used to mirror the drama, for example the various uses of the tritone, motivic development, the use and reinvention of Broadway and other conventions, the creation of dramatic continuity in the score through the use of motifs and other devices, the unusual degree of dissonance and rhythmic complexity at least for the time, and the integration of Latin American dance forms like Mambo and Huapango, and so on. Simeone also considers the reception of *West Side Story* in the contemporary press. The stir the show caused included the response that it was the angular, edgy score that made it a remarkable achievement. Not all reviews were uncritical. Finally, the book looks in detail at the making of the original Broadway cast recording, made in just one day, included on the accompanying downloadable resources.

The Top Books of the Year Funny It Doesn't Sound Jewish How Yiddish Songs The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Let's delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Funny It Doesn't Sound Jewish How Yiddish Songs : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Funny It Doesn't Sound Jewish How Yiddish Songs : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
