Each Nation sends its own  
 troops to protect the land and sea.  
 But it is the other nations that we  
 defend, and we are all in this together.

In your future studies, you will  
 find that we are concerned  
 not only with the things that are  
 in the world, but also with the

It's no longer enough to tell the world that you're a woman and a scientist. You have to tell it why that combination should be a good thing. And that's why I'm here. The more the public knows about us, the more they'll be able to support our research. And I also think that it's a really important thing to do for young women and girls. I want to tell them that they can be scientists too. And I want to tell them that they can be women too. And I want to tell them that they can be both.
