**Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world **World Empire and the Return of Jesus Christ , The Seven Bowls** Ralph D. Curtin, 2019-10-15 Could this be the end of humankind as we know it The entire planet is in chaos Massive gamma ray bursts threaten mass extinction of all animal human and plant life Millions have developed horrible anthrax type boils Wild

and domestic animals turn against man The world s downward slide into violence increases with the arrival of nightfall at 3 00 pm Remnants of Koinonos the Christian resistance hold out in caves and other secret hideouts against Gregory Kavidas and Mortimer Stein the evil masterminds behind Masterlink and the mark of the Antichrist But for how long can they continue their work of saving souls from the eternal Lake of Fire especially with betrayers in their midst **To the Jew First or to the Jew at Last** Antoine XJ Fritz,2014-09-25 Many missions to the Jewish people such as Jews for Jesus use Romans 1 16 as a proof text to encourage the evangelisation of the Jewish people as a priority to the Jew first and then to the Greek Jewish Missional Priority Is this interpretation of the text legitimate After considering when this priority first appeared the author exposes and evaluates the arguments commonly used to promote it His thorough exegesis of Romans 1 16 17 ultimately resolves the question He takes the opportunity to explore some possible eschatological implications developed from Romans 9 11 and the parables of Jesus Will the first also be the last Does the Jewish Bible Point to Jesus? David Brickner,2024-10-01 How will we be able to recognize the Messiah Christians claim that Jesus is the Messiah but how can we know if that is true Jesus revealed the truth about himself through passages in the Torah the Prophets and the Writings which together comprise the Tanakh the Old Testament In Does the Jewish Bible Point to Jesus Messianic Jewish author David Brickner likewise guides us through twelve prophecies from all three sections of the Tanakh to show why God promised a Messiah how God planned to bless the whole world through the Jewish people the location and strange circumstances of the Messiah s birth how and why the Messiah would suffer and die how the Messiah would exceed human limitations and more You ll also find stories of contemporary Jewish people who discovered compelling connections to Jesus in their own Bibles Whether you re curious skeptical or a committed believer if you are in search of truth this book is for you Come and see how God s timeless plan to redeem and renew the world still shines as a beacon of hope today The Agenda Ralph D. Curtin,2019-10-15 An AIDS vaccine is being developed in contemporary America but the cost is higher than anyone can imagine When pharmaceutical magnate Gregory Kavidas announces that he has discovered an AIDS vaccine people laud him as a wonderful humanitarian But could he and his partner entrepreneur financier Mortimer Stein have something else in mind David Douglas a Christian college professor is wary He s convinced that Kavidas an energetic charismatic man of Greek descent is the Antichrist of Bible prophecy He believes the combination of forces between Kavidas s Rainbow Pharmaceuticals and Stein s Redisearch is the first move toward world dominance through a unified medical and monetary system But will Douglas be able to expose Kavidas and Stein before they dupe the world **An Unusual Relationship** Yaakov Ariel,2013-06-24 In this enormously well researched and gracefully argued book Ariel develops a nuanced theme the complexity ambivalence and even paradox that has characterized conservative Protestant beliefs regarding Jews and Israel and the diverse responses among Jews First rate scholarship presented in a pleasingly accessible style Stephen Spector author of Evangelicals and Israel The Story of American Christian Zionism It is generally accepted that Jews and evangelical

Christians have little in common Yet special alliances developed between the two groups in the nineteenth and twentieth centuries Evangelicals viewed Jews as both the rightful heirs of Israel and as a group who failed to recognize their true savior Consequently they set out to influence the course of Jewish life by attempting to evangelize Jews and to facilitate their return to Palestine Their double edged perception caused unprecedented political cultural and theological meeting points that have revolutionized Christian Jewish relationships An Unusual Relationship explores the beliefs and political agendas that evangelicals have created in order to affect the future of the Jews This volume offers a fascinating comprehensive analysis of the roots manifestations and consequences of evangelical interest in the Jews and the alternatives they provide to conventional historical Christian Jewish interactions It also provides a compelling understanding of Middle Eastern politics through a new lens Yaakov Ariel is Professor of Religious Studies at the University of North Carolina at Chapel Hill His book Evangelizing the Chosen People was awarded the Albert C Outler prize by the American Society of Church History In the Goldstein Goren Series in American Jewish History     The Seven Seals Ralph D. Curtin, 2019-10-15 A sinister plot advances But who will believe the shocking truth When the Arab bloc nations begin to encroach on the land of Israel Israel's Prime Minister Zeman makes a deal with Gregory Kavidas head of the European Union formerly the European Economic Commonwealth to ensure Israel's defense But is all as it seems Is the heralded Kavidas really the savior of Israel or the prophesied Antichrist out to destroy God's people and their land As PLO Hamas sympathizers seize a nuclear power plant in Israel Russia is set to invade On the Mount of Olives two strangers appear out of nowhere with a special message for the Koinonos resistance group But can such a small contingent make a difference against the supernatural evil forces marshaling their efforts in a campaign of death     *The Seven Trumpets* Ralph D. Curtin, 2019-10-15 Earth is in its final days and God is displaying His wrath against everything unholy Meteor showers blanket the earth Volcanoes erupt Famine is rampant One third of all trees and grass on the planet are consumed Plagues and demonic forces are unleashed The world is in chaos K groups the Christian resistance Koinonos join forces in Jerusalem America and Rome to war against the infamous duo Gregory Kavidas and Mortimer Stein the masterminds behind the evil plot to take countless souls with them into the Lake of Fire for all eternity     Christian Zionism Stephen Sizer, 2021-09-13 I am glad to commend Stephen Sizer's groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen's book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer's Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting

clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone's perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn't be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer's doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok **The Lights of God** Ralph D. Curtin, 2019-10-15 How much would you pay to know the mind of God In 31 BC the Jewish high priest Amariah flees to the ancient Essene fortification at Qumran on the shore of the Dead Sea to avoid Roman persecution Hidden in his saddle bags are the Urim and Thummim the revelatory devices used to ask and receive answers from God which haven't been seen since the Babylonian captivity in 586 BC When Amariah is murdered the Urim and Thummim are buried with his body in a cave vault later sealed by an earthquake that strikes Judea in 32 BC There they remain until the present day when they are discovered by Ishmael a treacherous hunting young Arab Bedouin then are passed to Rehavam Krasnoff an unscrupulous chief investigator for the Israeli Antiquities Authority When two masterminds in Athens Gregory Kavidas and Mortimer Stein who've developed the global financial network Masterlink the precursor to a cashless world economy become alerted of the stones discovery they set out to seize the stones for themselves before their evil agenda is exposed *The Eschatology of the Restoration of All Things* Mike Parsons, 2023-05-17 Eschatology is often thought of as describing the end of the world or end times Yet many have begun to conclude that the restoration of all things is an inevitable consequence of who God really is as Love encouraging them to look to the future with optimistic anticipation and expectation Isaiah prophesied no end to the increase of God's government and peace so why are believers still looking for an end Mike Parsons examines the reasons for this confusion exposing the Great Deception that lies behind it and proposing instead a happy eschatology in which all of God's children can recognise and fulfil their eternal destiny **If Not "Pre-Trib Rapture," Then What?** Teri Sue Riddering TH.D., 2020-01-22 This book is a careful attempt to explore and fill in the picture of the eschatological puzzle using the entire Biblical Scripture cohesively within a conceptual framework of two peoples Jew and Christian who are His people of the New

Covenant Jer 31 31 Matt 2 28 united under one Messiah as one new man Eph 2 15 Using solid hermeneutical practices the author attempts to disprove some major aspects of the Pretribulational Rapture theory because it produces a distorted picture of future events regarding the relationship between Jews and Christians She has organized prophetic past present and future events into a logical and coherent sequence that more closely resembles historical reality and God s eternal plans At the end she highlights some of the similarities between Christian and Jewish eschatologies and then describes the final outcome of God s purposes with mankind while offering some suggestions as to what Christians can do as they await victoriously for the converging of both eschatologies and the fulfillment of all things     The Politics of Apocalypse Dan Cohn-Sherbok, 2006 Pervading culture and politics alike Christian Zionism is the fastest growing religious movement in Christianity today with current believers thought to exceed five million in the US alone Proposing a literal reading of the bible it states that a Jewish return to the Holy Land is a requirement for the Second Coming and inevitable Armageddon Promoting common interests between Israel and the Christian World and possessing many well moneyed advocates Christian Zionism has a far reaching influence in today s world In this illuminating book professor and rabbi Dan Cohn Sherbok traces the transition of Christian Zionism from Puritan times to the present examining the ever increasing role of Armageddon in its belief structure and studying its deep rooted sway on both the Middle East peace process and the American political system Covering Hal Lindsey s books and his invitations to White House Seminars Cohn Sherbok inspects the growth of the movement and its quintessential role as a political lobbying force invaluable to anyone who seeks a greater understanding of the interplay
