Strategic Design Thinking Natalie W. Nixon, 2015-10-22 Who can design For too long that question has highlighted the supposed division between right brain dominant creative types and left brain dominant analytical types Such a division is not practical for preparing students to become innovative contributors to the complex world of design Strategic Design Thinking guides readers to cultivate hybrid thinking whether their background is design finance or any discipline in between This book is an introduction to an integrative approach using the lens of design thinking as a way to see the world The focus is on process instead of solution and on connecting disparate ideas instead of getting bogged down by silos of specialization Through this book students will be introduced to design management strategic design service design and experience design

ALIEN Thinking Cyril Bouquet, Jean-Louis Barsoux, Michael Wade, 2021-03-16 How do people come up with truly original ideas The answer is to think outside the box way outside For the past decade Cyril Bouquet Jean Louis Barsoux and Michael Wade professors of innovation and strategy at IMD Business School have studied inventors scientists doctors entrepreneurs and artists These people or aliens as the authors call them are able to make leaps of creativity and use five patterns of thinking that distinguish them from the rest of us These five patterns Attention Levitation Imagination Experimentation and Navigation lead to a fresh and flexible approach to problem solving Alien thinkers know how to free the imagination so it can detect hard to observe patterns They practice deliberate ways to retreat from the world in order to see the big picture underlying a problem And they approach ideas in systematic ways that reflect the constraints of reality Through surprising and compelling stories the authors show how readers can use this method to develop out of this world ideas ALIEN Thinking can help any of us find innovative solutions to the most difficult problems *Change...* Jamal Sanad Al-Suwaidi, 2020-10-07
