Geography Of The Heart:

Geography Of The Heart Fenton Johnson, 2011-02-15 Poignant and affectionate *Geography of the Heart* is a moving portrait of Lambda Award winner Fenton Johnson the son of a Kentucky whiskey brewer and his fateful lover Larry Rose who three years into their intense relationship died of AIDS Rose had been upfront about his condition from the start of his relationship with Johnson and the knowledge left their interactions fraught with the pain of anticipated loss Though Johnson never contracted the virus himself Rose's physical decline haunted him He had come to depend on Rose for his care and understanding as much as Rose increasingly fragile as their relationship progresses depended on him The vivid poignant and wise tribute to his soulmate that Johnson has distilled into *The Geography of the Heart* is a memoir like no other a startling story of compassion perseverance and the acute wounds that can linger in the shadow of true love

The Geography of the Heart John Warwick, 1992

Geography of the Heart Lori Palumbo Murray, 2005 *Populist and Pro-Violence State Religion* Ihsan Yilmaz, Ismail Albayrak, 2022-01-19 This book explores state religion relations under a populist authoritarian ruling party in Turkey In doing so it investigates how the ruling Justice and Development Party AKP instrumentalizes state controlled religion to further defend legitimize and propagate its authoritarian populist political agenda in a constitutionally secular nation state To exemplify this the authors examine the Friday sermons delivered weekly in every mosque in Turkey by the Turkish State's Directorate of Religious Affairs Diyanet By analyzing all sermons delivered between 2010-2021 the book shows how the Diyanet has enthusiastically adopted AKP's increasingly Islamist authoritarian civilisationist militarist and pro violence populism since 2010 and how it has tried to socially engineer beliefs in line with this ideology

The Heart and the Island Chiara Mazzucchelli, 2015-08-04 In *The Heart and the Island* Chiara Mazzucchelli explores the strong bond between Sicilian American writers and the island of Sicily Self contained yet connected to the mainland geographically separated from yet politically united to the rest of Italy Sicily occupies a unique position Throughout the twentieth century the sense of a distinct *sicilianit* or *Sicilianness* has manifested itself in a corpus of texts that although subsumed under the broader context of Italian literature have distinguished themselves as examples of an exquisitely Sicilian literary experience Mazzucchelli argues that a parallel phenomenon *sicilianamericanit* has emerged in the United States Focusing on the island's geography history and culture she examines how many American authors of Sicilian descent derive inspiration from their ethnic milieu and lay out a recognizable set of Sicilian culture markers in their works thereby producing a literature that is distinctly Sicilian American Drawing on both Italian and Italian American scholarship *The Heart and the Island* is the first full length study of Sicilian American literature and it opens a space for new interdisciplinary discussions on what it means to be Italian on both sides of the ocean

Heart of a Stranger Margaret Laurence, 2003 *Travel* was closely connected to Margaret Laurence's creativity Laurence realized that her travels especially to Africa provided her with new perspectives on Canada *Heart of a Stranger* originally published in 1976 is a fascinating travelogue chronicling

Laurence's geographical journeys to many lands and historic places. She notes I saw somewhat to my surprise that they are all in one way or another travel articles. And by travel I mean both those voyages which are outer and those voyages which are inner. Laurence writes about her travels to Egypt in *Good Morning to the Grandson of Ramesses the Second* to Scotland in *Road from the Isles* and to Greece in *Sayonara Agamemnon*. In *The Very Best Intentions* Laurence sees herself as a stranger in a strange land in Ghana. She reflects on the many places she lived in *Put Out One or Two More Flags Down East*, *The Shack* and *Where the World Began*. Professor Nora Foster Stovel's new introduction *Heart of a Traveller* explores how Laurence's experiences in other lands influenced and shaped her writing. She contends that *Heart of a Stranger* constitutes a concealed autobiography for in chronicling her literal life journey Laurence also reveals her spiritual odyssey.

Transnational Geographies of The Heart Katie Walsh, 2018-07-23 *Transnational Geographies of the Heart* explores the spatialisation of intimacy in everyday life through an analysis of intimate subjectivities in transnational spaces. Draws on ethnographic research with British migrants in Dubai United Arab Emirates during a phase of rapid globalisation and economic diversification in 2002-2004. Highlights the negotiation of inter personal relationships as enormously significant in relation to the dialectic of home and migration. Includes four empirical chapters focused on the production of expatriate subjectivities: community and friendships, sex and romance and families. Demonstrates that a critical analysis of the geographies of intimacy might productively contribute to our understanding of the ways in which intimate subjectivities are embodied, emplaced and co-produced across binaries of public/private and local/global space.

Doctor at Heart Dan Gikonyo, 2024-09-24 *Doctor at Heart* is not just about Dr Gikonyo's life journey but it also delves into pertinent social, economic and political issues at the local and global levels. The author criss-crosses generations and in so doing presents their respective opportunities and challenges while at the same time advancing theories and worldviews that the reader will find very engaging. The book also brings out the author's multiple skills each of which he pursues with a passion. His authentic search for solutions to the challenges of life aptly depict him as a Doctor at heart. Notably Dr Gikonyo emphasises some of the elements of transformation that he envisages for Kenya through a never before published interview of Mwai Kibaki, a transcript of which is included in the book.
