George Herbert And The Seventeenth Century Religious Poets Authoritative Texts Criticism:

George Herbert and the Seventeenth-century Religious Poets George Herbert, 1978 This volume presents the major works of five poets George Herbert Richard Crashaw Andrew Marvell Henry Vaughan and Thomas Traherne While most of the selections are religious poetry the important secular verse of Marvell and Crashaw is also included Eighty poems by Herbert have been selected from *The Temple* and two early poems from Issak Walton's *Lives* are also included George Herbert and the Seventeenth Century Religious Poets Mario A. Di Cesare, 1978 **The Facts on File Companion to British Poetry** Virginia Brackett, 2008 Presents a comprehensive A to Z reference with approximately 400 entries providing facts about British poets and their poetry from the seventeenth and eighteenth centuries **George Herbert** John Richard Roberts, 1988 New Perspectives on the Seventeenth-century English Religious Lyric John Richard Roberts, 1994 To what extent do religious lyrics also participate in and reflect the social political and cultural contexts of the period in which they were written These essays offer new insights into the religious poetry of Donne Herbert Crashaw Jonson Herrick Vaughan and Marvell In addition modern theoretical criticism is discussed and the editor has provided a selective though extensive bibliography of modern studies of the seventeenth century religious lyric **The Literature of the Arminian Controversy** Freya Sierhuis, 2015 The Literature of The Arminian Controversy Religion Politics and the Stage focuses on the turbulent dawn of Dutch Golden Age literature when the debate over the theology of Arminius divided the Republic's literary world acting as a catalyst for literary and cultural change and innovation The book traces the impact of disputed ideas on grace and predestination in satirical literature poetry and plays and analyses the theological and political works of the period as literature focussing on the rhetoric tropes and metaphors of politico religious controversy Taking into account a wide array of sources ranging from theological treatises to broadsides and libel poetry it offers a deeper contextualisation of some of the most canonical works of the period such as the writings of Grotius Coornhert and Joost van den Vondel the Republic's greatest tragic poet and reconsiders the relationship between literature and intellectual history An Collins and the Historical Imagination W. Scott Howard, 2016-04-15 The first edited collection of scholarly essays to focus exclusively on An Collins this volume examines the significance of an important religious and political poet from seventeenth century England The book celebrates Collins's writing within her own time and ours through a comprehensive assessment of her poetics literary religious and political contexts critical reception and scholarly tradition An Collins and the Historical Imagination engages with the complete arc of research and interpretation concerning Collins's poetry from 1653 to the present The volume defines the center and circumference of Collins scholarship for twenty first century readers The book's thematically linked chapters and appendices provide a multifaceted investigation of An Collins's writing religious and political milieu and literary legacy within her time and ours Christianity in a Time of Climate Change Kristen Poole, 2020-04-17 What does climate change have to do with religion and spirituality Even though a changing environment will have a dire impact on

human populations affecting everything from food supply to health to housing the vast majority of Americans do not consider climate change a moral or a religious issue Yet the damage of climate change a phenomenon to which we all contribute through our collective carbon emissions presents an unprecedented ethical problem one that touches a foundational moral principle of Christianity Jesus s dictate to love the neighbor This care for the neighbor stretches across time as well as space We are called to care for the neighbors of the future as well as those of the present How can we connect the ethical considerations of climate change the knowledge that our actions directly or indirectly cause harm to others to our individual and collective spiritual practice Christianity in a Time of Climate Change offers a series of reflective essays that consider the Christian ethics of climate change and suggest ways to fold the neighbors of the future into our spiritual lives as an impetus to meaningful personal social and ultimately environmental transformations *John Donne Journal* ,1982 **The**
