Learn How to Live a Life of Faith George Müller A Record of Faith Triumphant is a further look into George Müller's life and world wide message of faith If you have read A T Pierson's George Müller of Bristol you will enjoy the further detail and third person accounts this volume offers George Müller 27 September 1805 10 March 1898 a Christian evangelist and Director of the Ashley Down orphanage in Bristol England cared for 10 024 orphans in his life He was well known for providing an education to the children under his care to the point where he was accused of raising the poor above their natural station in life He also established 117 schools which offered Christian education to over 120 000 children many of them being orphans all without fundraising but purely by a lifestyle of prayer and faith From the Introduction That story told by himself in the Narrative of the Lord's Dealings with George Müller was issued showing the world wide influence of Müller's life and work The Narrative still maintains its ministry of inspiration Beyond this an official biography of Müller and one of James Wright both by Dr Pierson have been added to the literature of the Orphan Houses and the record of God's gracious upholding of the work after Müller had passed away was forcibly told by Mr George Frederic Bergin in Ten Years After The present volume does not affect to enter into competition with these excellent works but aims rather to set out for a new generation in a strenuous age of many books the essential qualities and abiding values of the man and to depict his career in its broad outlines of faith and service so that this nineteenth century apostle with his glowing faith and crowded life of glorious endeavour and achievement his song of praise and gratitude may increasingly be a powerful factor in the spread of the Christian faith and the nourishment of a spirit of godly courage and of holy independence of men's opinions It seems desirable too that his life should be studied in the light of the historic movements of his day A right understanding of the times in which he moved adds enormously not only to the interest with which we look upon his life battles but to the weight and force of his testimony George Müller of Ashley Down is a lovely character George Müller Bible teacher and Bible distributor and missionary organiser is a delight to the Christian but George Müller contra mundum warring against the world the flesh and the devil grappling with one of the chief social problems of the day while yet politicians dared scarcely recognise its existence rejecting the help of the ungodly but achieving marvels in the name of the Lord even while almost all Europe was in a cataclysm of revolution was indeed an apostolic witness of faith To popularise

such a life seems to be particularly desirable as a fresh witness against the spirit of materialism when the world in its sordid hunt for shekels declares its highest aspiration to be in its own cant phrase to get rich quick M ller s ideal constantly pursued was directly opposed to gold worship The honours and wealth of men counted nothing to him but he sought in the words of the Bible phrase which was continually on his lips to lay up treasure in heaven The gracious Giver faithful and kind was true to His promise when dinner time came dinner was there when cloth was wanted for little boys coats and little girls skirts cloth was there when payments were required for land or buildings or apprenticing fees or outfits the money was ready The example of M ller had an enormous effect upon Christianity in his own time that effect still grows stronger more than a hundred years after his birth The Annual American Catalogue 1886-1900 ,1900 George Müller and Andrew Reed Emma Raymond Pitman,1885 **The Annual American Catalogue ...** ,1900 The Bookman ,1899 *A Narrative of Some of the Lord's Dealings With George Müller (Vol.1-4)* George Müller,2023-12-12 In the compelling four volume series *A Narrative of Some of the Lord s Dealings With George M oller* the author chronicles his extraordinary experiences of faith and providence Written in an accessible yet profound literary style M oller weaves together personal anecdotes scriptural reflections and descriptive accounts that illustrate his unwavering trust in divine guidance The narrative serves not only as a testament to his spiritual journey but also as a rich resource for those interested in the intersection of faith and practical ministry during the 19th century Set against the backdrop of a time marked by both religious revival and skepticism M oller s work stands as a remarkable example of Christian autobiography that challenges readers to explore the limits of faith and reliance on God s provision George M oller a pivotal figure in the history of Christian philanthropy dedicated his life to the care of orphans in Bristol England His own tumultuous upbringing marked by poverty and lack of parental guidance instilled in him a profound understanding of reliance on divine providence M oller s experiences in building orphanages and establishing a vibrant prayer ministry laid the foundation for his writing revealing his relentless pursuit of God s will and the miraculous outcomes that ensued This narrative is highly recommended for readers seeking inspiration in their spiritual lives as well as those interested in historical accounts of faith in action M oller s reflections encourage not just contemplation but also a call to practical application motivating believers to trust deeply in God s provision and care The Dial Francis Fisher Browne,1899 **George Müller of Bristol, and His Witness to a Prayer-Hearing God** Arthur T. Pierson,2022-08-01 In *George M ller of Bristol and His Witness to a Prayer Hearing God* Arthur T Pierson offers an inspiring biographical account of George M ller a Christian evangelist and the director of the Ashley Down orphanage in Bristol England Skillfully reproduced by DigiCat Publishing this edition breathes new life into the historical narrative as Pierson meticulously chronicles M ller s unwavering faith and the astonishing outcomes of his prayer based approach to provision and problem solving The literary style is both heartfelt and earnest designed to resonate with believers and skeptics alike and situates itself firmly in the tradition of Christian hagiographical literature focusing on the life of a devout individual as a testament to divine intervention

and influence in the mortal realm Arthur T Pierson himself a respected preacher and theologian was deeply influenced by the practical demonstration of faith he observed in M ller s life This detailed exposition of M ller s journey is as much Pierson s own reflection on spiritual reliance as a historical account With a reputable ministry and scholarly background Pierson channels his theological insights into drawing out the enduring themes of trust divine provision and the power of prayer which underpinned M ller s endeavors His narrative is thus not only a biography but also a compelling argument for the efficacy of prayer and living a devout Christian life This book is highly recommended for readers interested in the history of Christian philanthropy the power of faith or the personal stories of those who have profoundly impacted society through their religious convictions Pierson s work serves as an enlightening chronicle that reaches beyond the life of George M ller providing a window into the Victorian era s social challenges and the way one man s spiritual resolve surpassed expectations and transformed thousands of lives It is a must read for anyone seeking to understand the dynamics of faith in action and the potential of spiritual commitments to yield tangible results in the world Metropolitan Pulpit and Homiletic Monthly ,1899
