George Washington And Benedict Arnold A Tale Of Two Patriots:

George Washington And Benedict Arnold Dave Richard Palmer, 2006-08-01 From 1775 through 1777 George Washington and Benedict Arnold were America's two most celebrated warriors. Their earlier lives had surprisingly parallel paths. They were strong leaders in combat; they admired and respected each other and they even shared common enemies. Yet one became our greatest hero and the other our most notorious traitor. Why? Presenting the panorama of the Revolutionary War through the lives of two of its most colorful and important figures, George Washington and Benedict Arnold reveals important lessons for today through a story that few Americans know but that every American should. *George Washington and Benedict Arnold* Dave Richard Palmer, 2010-09-14

From 1775 through 1777 George Washington and Benedict Arnold were America's two most celebrated warriors. Their earlier lives had surprisingly parallel paths. They were strong leaders in combat; they admired and respected each other and they even shared common enemies. Yet one became our greatest hero and the other our most notorious traitor. Why? In the new paperback edition of *George Washington and Benedict Arnold: A Tale of Two Patriots*, author and military historian Dave Palmer reveals the answer. Character **Scoundrels Who Made**

America Great Martin Henley, 2016-01-21 We like our heroes to wear white hats and our villains to wear black. *Scoundrels Who Made America Great* takes a fresh view of heroism by using a dramatic event in the life of each scoundrel to illustrate how disreputable labels can obscure heroic deeds. Some of them are household names. Others have been forgotten till now. Some are villains who turned out to be heroes. Others are heroes who proved to be all too human. They are *The Scoundrels*. And Martin Henley has brought them to life in a vividly written volume that overflows with surprising stories, little-known facts, and the pure drama of history. Enjoy! William Martin, *New York Times* Bestselling author of *The Lost Constitution* and *The Lincoln Letter*. By showing that the meanings assigned to the actions of prominent historical figures by contemporaries as well as future generations can fluctuate dramatically, Martin Henley's book inspires readers to reflect on the very nature of history. It helps them to understand that both scoundrels and heroes are made by their deeds as much as by the collective memory that shifts with time and place. Michal Rozbicki, Professor of History, St. Louis University. With the rigorous research of a scholar and the superb story-telling skills of a novelist, Martin Henley has penned a wonderful book about five historical scoundrels who, upon further reading, were not the dreadful miscreants all of us have been led to believe. *Scoundrels Who Made America Great* is a highly readable and truly enlightening slice of hidden history. Ronald E. Yates, Dean Emeritus, College of Media Studies, University of Illinois. Bestselling author of *Finding Billy Battles*, website www.martinhenley.com/blog, www.ironicamericanhistory.blogspot.com **Historical Dictionary of the American Revolution** Terry M. Mays, 2019-02-08

The American Revolution pitted 13 loosely united colonies in a military, political, and economic struggle against Great Britain, the mother country, and arguably the most powerful state in the world during the late 18th century. The independent spirit that led many individuals to leave homes in Europe and settle in the New World during the 17th and 18th centuries evolved

into the drive that persuaded these same settlers and their descendants to challenge the colonial economic and taxation policies of Great Britain which lead to the armed conflict that resulted in a declaration of independence This third edition of Historical Dictionary of the American Revolution contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on the politics battles weaponry and major personalities of the war This book is an excellent resource for students researchers and anyone wanting to know more about the American Revolution

The Tragedy of Benedict Arnold Joyce Lee Malcolm, 2018-05-01 History remembers this proud talented and conflicted man solely through the lens of his last desperate act of treason Yet the fall of Benedict Arnold remains one of the Revolutionary period's great puzzles Why did a brilliant military commander who repeatedly risked his life fighting the British who was grievously injured in the line of duty and fell into debt personally funding his own troops ultimately become a traitor to the patriot cause Throughout Malcolm weaves in portraits of Arnold's great allies George Washington General Schuyler his beautiful and beloved wife Peggy Shippen and others as well as his unrelenting enemy John Adams British General Clinton and master spy John Andre Thrilling and thought provoking *The Tragedy of Benedict Arnold* sheds new light on a man as well on the nuanced and complicated time in which he lived
