# Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783

**Edward Kimber**

## **Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783:**

*The Georgia Dutch* George Fenwick Jones, 1992 This is the first comprehensive history of the German speaking settlers who emigrated to the Georgia colony from Germany Alsace Switzerland Austria and adjacent regions Known collectively as the Georgia Dutch they were the colony's most enterprising early settlers and they played a vital role in gaining Britain's foothold in a territory also coveted by Spain and France The main body of the book is a chronological account of the Georgia Dutch from their earliest arrival in 1733 to their dispersal and absorption into what was by 1783 an Anglo American populace Underscoring the harsh daily life of the common settler George Fenwick Jones also highlights noteworthy individuals and events He traces recurrent themes including tensions between the realities of the settlers' lives and the aspirations and motivations of the colony's trustees and supporters the web of relations between German and English speaking whites African Americans and Native Americans and early signs of the genesis of a distinctly new and American sensibility Three summary chapters conclude The Georgia Dutch Merging new material with information from previous chapters Jones offers the most complete depiction to date of Georgia Dutch culture and society Included are discussions of religion health and medicine education welfare and charity industry agriculture trade and commerce Native American affairs slavery domestic life and customs the arts and military and legal concerns Based on twenty five years of research with primary documents in Europe and the United States The Georgia Dutch is a welcome reappraisal of an ethnic group whose role in colonial history has over time been unfairly minimized

Detailed Reports on the Salzburger Emigrants Who Settled in America... Samuel Urlsperger, George Fenwick Jones, 2021-10-15 The eighteen volumes of Detailed Reports on the Salzburger Emigrants Who Settled in America reproduced in sixteen discrete books contain the diaries and letters of Lutheran pastors who ministered to the Salzburgers German speaking Protestant refugees in Georgia Samuel Urlsperger collected and edited these writings into the Urlsperger Reports printed at Orphanage Press Halle Germany from 1735 to 1760 The original German publication *Ausführliche Nachricht von den saltzburgischen Emigranten* is available through the Internet Archive but this English language translation has not been available online until now In the mid eighteenth century Samuel Urlsperger of the Lutheran Ministry in Augsburg edited the German edition of the Detailed Reports after having distributed the many reports to the faithful in Germany He made major deletions for both diplomatic and economic reasons and suppressed proper names His son Johann August Urlsperger succeeded him He took even greater liberties with the text deleting large sections and rearranging others The English version translated and edited by George Fenwick Jones a German scholar restores the deleted sections and the proper names and provides the original sequencing of the material The Detailed Reports offer insight into daily life in colonial Georgia and provide precious details and vignettes on subjects that receive less attention in other sources notably African Americans women silk production and the cost of goods in a frontier colony The Reports are an underutilized resource for the study of this period and an unparalleled source for the evolution of a rural community during the early years

of the colony The Georgia Open History Library has been made possible in part by a major grant from the National Endowment for the Humanities Democracy demands wisdom Any views findings conclusions or recommendations expressed in this collection do not necessarily represent those of the National Endowment for the Humanities [Detailed Reports on the Salzburger Emigrants Who Settled in America...](#) Ben Marsh,2021-10-15 The eighteen volumes of Detailed Reports on the Salzburger Emigrants Who Settled in America reproduced in sixteen discrete books contain the diaries and letters of Lutheran pastors who ministered to the Salzburgers German speaking Protestant refugees in Georgia Samuel Urlsperger collected and edited these writings into the Urlsperger Reports printed at Orphanage Press Halle Germany from 1735 to 1760 The original German publication *Ausführliche Nachricht von den saltzburgischen Emigranten* is available through the Internet Archive but this English language translation has not been available online until now In the mid eighteenth century Samuel Urlsperger of the Lutheran Ministry in Augsburg edited the German edition of the Detailed Reports after having distributed the many reports to the faithful in Germany He made major deletions for both diplomatic and economic reasons and suppressed proper names His son Johann August Urlsperger succeeded him He took even greater liberties with the text deleting large sections and rearranging others The English version translated and edited by George Fenwick Jones a German scholar restores the deleted sections and the proper names and provides the original sequencing of the material The Detailed Reports offer insight into daily life in colonial Georgia and provide precious details and vignettes on subjects that receive less attention in other sources notably African Americans women silk production and the cost of goods in a frontier colony The Reports are an underutilized resource for the study of this period and an unparalleled source for the evolution of a rural community during the early years of the colony The Georgia Open History Library has been made possible in part by a major grant from the National Endowment for the Humanities Democracy demands wisdom Any views findings conclusions or recommendations expressed in this collection do not necessarily represent those of the National Endowment for the Humanities

**Colonial Records of the State of Georgia** Julie Anne Sweet,2021-10-15 The Colonial Records of the State of Georgia document the colony through its first twenty five years and includes correspondence between Georgia founder James Oglethorpe and the Trustees for Establishing the Colony as well as records pertaining to land grants agreements and interactions with Indigenous peoples the settlement of a small Jewish community and the Salzburgers German speaking Protestant refugees and the removal of restrictions on land tenure rum and slavery in the colony Most of the local records of colonial Georgia were destroyed during the Revolution Under Governor James Wright's direction merchant John Graham loaded much of the official records on his vessel in the Savannah River During the Battle of the Rice Boats in March 1776 the *Inverness* was burned while it lay at anchor The destructive civil war that occurred in the latter phases of the Revolution resulted in further destruction The Colonial Records of the State of Georgia drawn from archival material in Great Britain remain a unique source Volume 20 concerns the actual founding of Georgia and covers the years 1732-35 It provides

background on the settlement and a great deal about the arrival of the colonists and the conditions that they found

**Germany and the Americas** Thomas Adam, 2005-11-07 This comprehensive encyclopedia details the close ties between the German speaking world and the Americas examining the extensive Germanic cultural and political legacy in the nations of the New World and the equally substantial influence of the Americas on the Germanic nations From the medical discoveries of Dr Johann Siegert surgeon general to Simon Bolivar to the amazing explorations of the early 19th century German explorer Alexander von Humboldt whose South American and Caribbean travels made him one of the most celebrated men in Europe Germany and the Americas examines both the profound Germanic cultural and political legacy throughout the Americas and the lasting influence of American culture on the German speaking world Ever since Baron von Steuben helped create George Washington's army German Americans have exhibited decisive leadership not only in the military but also in politics the arts and business Germany and the Americas charts the lasting links between the Germanic world and the nations of the Americas in a comprehensive survey featuring a chronology of key events spanning 400 years of transatlantic history

The Nature of Slavery Katherine Johnston, 2022 Following a story from the Caribbean to the colony of Georgia through debates over the abolition of the slave trade and finally to the antebellum South The Nature of Slavery demonstrates the pervasiveness of a groundless theory about climate labor and bodily difference that ultimately contributed to notions of race

**To Make this Land Our Own** Arlin C. Migliazzo, 2007 A case study in the social history of frontier town building set in the swamps of South Carolina On the banks of the lower Savannah River the military objectives of South Carolina officials the ambitions of Swiss entrepreneur Jean Pierre Purry and the dreams of Protestants from Switzerland France Germany Italy and England converged in a planned settlement named Purrysburg This examination of the first South Carolina township in Governor Robert Johnson's strategic plan to populate and defend the colonial backcountry offers the clearest picture to date of the settlement of the colony's Southern frontier by ethnically diverse and contractually obligated immigrants Arlin C Migliazzo contends that the story of Purrysburg Township founded in 1732 and set in the forbidding environment bounded by the Savannah River and the Coosawhatchie swamps challenges the notion that white colonists shed their ethnic distinctions to become a monolithic culture He views Purrysburg as a laboratory in which to observe ethnic phenomena in the colonial and antebellum South Separated by linguistic religious and cultural barriers the migrants adapted familiar social processes from their homelands to create a workable sense of community and identity His work is one of only a handful of examples of what has been deemed the new social history methodology as applied to a South Carolina subject Initially devastated by privation and a high mortality rate Purrysburg residents also suffered the vicissitudes of an indifferent provincial elite the encroachment of lowcountry rice planters Prevost's invasion in 1779 and ultimate destruction of the settlement by Sherman's army Migliazzo details the community's changing military and economic fortunes the gradual displacement of its residents to neighboring communities the role of African Americans in the region the complex religious

life of township settlers and the quirky contributions of Purry's climatological speculations to the fateful siting of this first township

**Itinerant Observations in America** Edward Kimber, 1998 Like subsequent European visitors Chastellux Chateaubriand the Duc de la Rochefoucauld De Tocqueville Dickens and Anthony Trollope Kimber's point of view remains that of an outsider

Historical Dictionary of Colonial America William A. Pencak, 2011-07-15 The years between 1450 and 1550 marked the end of one era in world history and the beginning of another Most importantly the focus of global commerce and power shifted from the Mediterranean Sea to the Atlantic Ocean largely because of the discovery of the New World The New World was more than a geographic novelty It opened the way for new human possibilities possibilities that were first fulfilled by the British colonies of North America nearly 100 years after Columbus landed in the Bahamas The Historical Dictionary of Colonial America covers America's history from the first settlements to the end and immediate aftermath of the French and Indian War This is done through a chronology an introductory essay appendixes an extensive bibliography and over 400 cross referenced dictionary entries on the various colonies which were founded and how they became those which declared independence Religious political economic and family life important people warfare and relations between British French Spanish and Dutch colonies are also among the topics covered This book is an excellent access point for students researchers and anyone wanting to know more about Colonial America

**Unravelling Dreams** Ben Marsh, 2020-04-23 One of the greatest hopes and expectations that accompanied American colonialism from its earliest incarnation was that Atlantic settlers would be able to locate new sources of raw silk with which to satiate the boundless desire for luxurious fabrics in European markets However in spite of the great upheavals and achievements of Atlantic plantation this ambition would never be fulfilled By taking the commercial failure of silk seriously and examining numerous experiments across New Spain New France British North America and the early United States Ben Marsh reveals new insights into aspiration labour environment and economy in these societies Each devised its own dreams and plans of cultivation framed by the particularities of cultures and landscapes Writ large these dreams would unravel one by one the attempts to introduce silkworms across the Atlantic world ultimately constituted a step too far marking out the limits of Europeans seemingly unbounded power

Hopeful Journeys Aaron Spencer Fogleman, 2014-12-12 In 1700 some 250 000 white and black inhabitants populated the thirteen American colonies with the vast majority of whites either born in England or descended from English immigrants By 1776 the non Native American population had increased tenfold and non English Europeans and Africans dominated new immigration Of all the European immigrant groups the Germans may have been the largest Aaron Spencer Fogleman has written the first comprehensive history of this eighteenth century German settlement of North America Utilizing a vast body of published and archival sources many of them never before made accessible outside of Germany Fogleman emphasizes the importance of German immigration to colonial America the European context of the Germans emigration and the importance of networks to their success in America

*Pietism in Germany and North America 1680-1820* Hartmut Lehmann, James Van Horn

Melton,2016-12-05 This collection explores different approaches to contextualizing and conceptualizing the history of Pietism particularly Pietistic groups who migrated from central Europe to the British colonies in North America during the long eighteenth century Emerging in German speaking lands during the seventeenth century Pietism was closely related to Puritanism sharing similar evangelical and heterogeneous characteristics Dissatisfied with the established Lutheran and Reformed Churches Pietists sought to revivify Christianity through godly living biblical devotion millennialism and the establishment of new forms of religious association As Pietism represents a diverse set of impulses rather than a centrally organized movement there were inevitably fundamental differences amongst Pietist groups and these differences and conflicts were carried with those that emigrated to the New World The importance of Pietism in shaping Protestant society and culture in Europe and North America has long been recognized but as a topic of scholarly inquiry it has until now received little interdisciplinary attention Offering essays by leading scholars from a range of fields this volume provides an interdisciplinary overview of the subject Beginning with discussions about the definition of Pietism the collection next looks at the social political and cultural dimensions of Pietism in German speaking Europe This is then followed by a section investigating the attempts by German Pietists to establish new religiously based communities in North America The collection concludes with discussions on new directions in Pietist research Together these essays help situate Pietism in the broader Atlantic context making an important contribution to understanding religious life in Europe and colonial North America during the eighteenth century

**Two Troubled Souls** Aaron Spencer Fogleman,2013-12-09 Jean Francois Reynier a French Swiss Huguenot and his wife Maria Barbara Knoll a Lutheran from the German territories crossed the Atlantic several times and lived among Protestants Jews African slaves and Native Americans from Suriname to New York and many places in between While they preached to and doctored many Atlantic peoples in religious missions revivals and communal experiments they encountered scandals bouts of madness and other turmoil including within their own marriage Aaron Spencer Fogleman s riveting narrative offers a lens through which to better understand how individuals engaged with the eighteenth century Atlantic world and how men and women experienced many of its important aspects differently Reynier s and Knoll s lives illuminate an underside of empire where religious radicals fought against church authority and each other to find and spread the truth where Atlantic peoples had spiritual medical and linguistic encounters that authorities could not always understand or control and where wives disobeyed husbands to seek their own truth and opportunity

Religion, Community, and Slavery on the Colonial Southern Frontier James Van Horn Melton,2015-06-04 This book tells the story of Ebenezer a frontier community in colonial Georgia founded by a mountain community fleeing religious persecution in its native Salzburg This study traces the lives of the settlers from the alpine world they left behind to their struggle for survival on the southern frontier of British America Exploring their encounters with African and indigenous peoples with whom they had had no previous contact this book examines their initial opposition to slavery and why they ultimately embraced it

Transatlantic in scope this study will interest readers of European and American history alike Trade in Strangers Marianne S. Wokeck, 1999-04-01 American historians have long been fascinated by the peopling of North America in the seventeenth century Who were the immigrants and how and why did they make their way across the ocean Most of the attention however has been devoted to British immigrants who came as free people or as indentured servants primarily to New England and the Chesapeake and to Africans who were forced to come as slaves Trade in Strangers focuses on the eighteenth century when new immigrants began to flood the colonies at an unprecedented rate Most of these immigrants were German and Irish and they were coming primarily to the middle colonies via an increasingly sophisticated form of transport Wokeck shows how first the German system of immigration and then the Irish system evolved from earlier haphazard forms into modern mass transoceanic migration At the center of this development were merchants on both sides of the Atlantic who organized a business that enabled them to make profitable use of underutilized cargo space on ships bound from Europe to the British North American colonies This trade offered German and Irish immigrants transatlantic passage on terms that allowed even people of little and modest means to pursue opportunities that beckoned in the New World Trade in Strangers fills an important gap in our knowledge of America's immigration history The eighteenth century changes established a model for the better known mass migrations of the nineteenth and twentieth centuries which drew wave after wave of Europeans to the New World in the hope of making a better life than the one they left behind a story that is familiar to most modern Americans

**Espionage and Enslavement in the Revolution** Claire Bellerjeau, Tiffany Yecke Brooks, 2021-05-01 In January 1785 a young African American woman named Elizabeth Liss was put on board the Lucretia in New York Harbor bound for Charleston where she would be sold to her fifth enslaver in just twenty two years Leaving behind a small child she had little hope of ever seeing again Elizabeth was faced with the stark reality of being sold south to a life quite different from any she had known before She had no idea that Robert Townsend a son of the first family she was enslaved by would locate her safeguard her child and return her to New York nor that Robert one of George Washington's most trusted spies had joined an anti slavery movement As Robert and Elizabeth's story unfolds prominent Revolutionary figures cross their path including Benjamin Franklin Alexander Hamilton John Jay Jupiter Hammon John Andr and John Adams as well as participants in the Boston Massacre the Sons of Liberty the Battle of Long Island Franklin's Paris negotiations and the Benedict Arnold treason plot Elizabeth's journey brings a new perspective to America's founding that of an enslaved Black woman seeking personal liberty in a country fighting for its own The 2023 paperback edition includes a new chapter highlighting recent discoveries about Elizabeth's freedom and later life

Britain, Hanover and the Protestant Interest, 1688-1756 Andrew C. Thompson, 2006 A new examination of the links between religion and politics in the early eighteenth century showing how the defence of protestantism became a major plank in foreign policy Religious ideas and power politics were strongly connected in the early eighteenth century William III George I and George II all took their role

as defenders of the protestant faith extremely seriously and confessional thinking was of major significance to court whiggery This book considers the importance of this connection It traces the development of ideas of the protestant interest explaining how such ideas were used to combat the perceived threats to the European states system posed by universal monarchy and showing how the necessity of defending protestantism within Europe became a theme in British and Hanoverian foreign policy Drawing on a wide range of printed and manuscript material in both Britain and Germany the book emphasises the importance of a European context for eighteenth century British history and contributes to debates about the justification of monarchy and the nature of identity in Britain Dr ANDREW C THOMPSON is Lecturer in History Queens College Cambridge

**In Search of Peace and Prosperity** Hartmut Lehmann,Hermann Wellenreuther,2010-11-01 This volume brings together essays by leading German and American historians on the subject of German emigration in the eighteenth century when Germans were moving to a variety of destinations Russia Prussian Lithuania and various other German territories as well as North America What drove men and women from different regional and social backgrounds to leave their homes during this time Some migrations were forced as for the Mennonites the Salzburger emigrants and the French Huguenots some were voluntary and determined by the wish for one s own land and greater social and economic opportunity In all groups religion was a prominent motivator and primary element of social identification and cohesion Inevitably migrants carried with them traditional skills and other indispensable cultural baggage A key strength of this book is that contributors emphasize the mutual exchanges that occurred among cultures *Hessians* Friederike Baer,2022 Between 1776 and 1783 Britain hired an estimated 30 000 German soldiers to fight in its war against the Americans Collectively known as Hessians the soldiers and accompanying civilians including women and children spent extended periods of time in locations as dispersed and varied as Canada in the North to West Florida and Cuba in the South This study examines how they experienced and described the war they fought in the land they traversed and the people they encountered Based chiefly on their own writings including a large body of letters and diaries the book offers a ground breaking reimagining of Britain s war against American independence **John Wesley in America** Geordan Hammond,2014-04 This is the first book length study of John Wesley s period as a missionary in colonial Georgia The mission was a laboratory for implementing his views of primitive Christianity The ideal of restoring the doctrine discipline and practice of the early church in the Georgia wilderness was a prime motivation for Wesley s missionary activity

### **Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 has opened up a world of possibilities. Downloading Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 is one of the best book in our library for free trial. We provide copy of Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783. Where to download Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 online for free? Are you looking for Georgia Dutch From The Rhine And Danube To The Savannah 1733 1783 PDF? This is definitely going to save you time and cash in something you should think about.
