Careers For Series

Sally Longson

Careers For Plant Lovers Other Green Thumb Types Careers For Series:

Careers for Plant Lovers & Other Green Thumb Types Blythe Camenson,1995 Discusses professional jobs for people interested in working with plants including landscapers farmers and forest rangers **Careers for Self-Starters & Other Entrepreneurial Types** Blythe Camenson,2004-09-14 CAREERS FOR YOU IS THE ONLY CAREER SERIES DESIGNED EXPRESSLY TO TURN PASSIONS INTO PAYCHECKS The inspiring Careers for You series encourages career explorers to examine the job market through the unique lens of their own interests Includes The latest information on training and education Tips on transforming hobbies into job skills Stories of success from each field Expert advice on finding and getting the job Advice on competing in hot job markets Career Opportunities in Science Susan Echaore-McDavid,2008 Discusses more than ninety career possibilities in the field of science including information on education training and salaries **Life After...Biological Sciences** Sally Longson,2007-06-11 Thousands of students graduate from university each year The lucky few have the rest of their lives mapped out in perfect detail but for most things are not nearly so simple Armed with your hard earned degree the possibilities and career paths lying before you are limitless and the number of choices you suddenly have to make can seem bewildering Life After Biological Sciences has been written specifically to help students currently studying or who have recently graduated make informed choices about their future It will be a source of invaluable advice and wisdom to business graduates covering such topics as Identifying career paths that interest you Seeking out an opportunity that matches your skills and aspirations Staying motivated and pursuing your goals Networking and self promotion Making the transition from scholar to worker The Life After University series of books are more than simple career guides They are unique in taking a holistic approach to career advice recognising the increasing view that although a successful working life is vitally important other factors can be just as essential to happiness and fulfilment They are the indispensable handbooks for students considering their future direction **Jobs in Sustainable Agriculture** Paula Johanson,2010-01-15 Provides information on careers in agriculture that promote ecological preservation discussing employers working conditions workplaces and training **Careers in Horticulture and Botany** Jerry Garner,1997 VGM Professional Careers Series Offers high level information about the many job choices within various professional career fields Each book provides complete information about a given specialty including responsibilities opportunities for advancement and salaries An excellent choice for career planning courses offered by professional schools and departments **Reading Programs for Young Adults** Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens

on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs **Zen and the Art of Making a Living** Laurence G. Boldt,1999 Applies Zen philosophies and techniques to uncovering one s talents assessing career skills marketing one s abilities and conducting a job search **Teaching Integrated Reading Strategies in the Middle School Library Media Center** Kathleen M. Alley,2008-06-30 Drawing on the success of the popular elementary level book *Teaching Reading Strategies in the School Library* Walker and Shaw Libraries Unlimited 2004 this title will provide library media specialists with a resource to help integrate research based reading strategies into the middle school library curriculum as part of the library lesson The strategies discussed are those commonly used by teachers in the classroom and are easily adapted to use in the library media center allowing library teachers to support school wide reading initiatives through instruction while sharing appreciation of literature Reading strategies are incorporated in a chapter format explaining the strategy and benefits of integration as well as offering resources a review of the relevant research methods and a clear step by step approach to instruction Chapters share general knowledge about reading instruction and illustrate how media specialists can incorporate specific examples including reproducible items and graphic organizers The overall outline of the book parallels the usual reading instructional pattern of strategies to use before during and after reading Grades 6-8 **Job Hunters Sourcebook 6** Gale Group,2004-07 *Job Hunter s Sourcebook* pulls together all the research and resources needed for a successful job hunt into one central place Included in this edition are 13 867 entries entries may appear in multiple sections Part One profiles 216 high interest professional and vocational occupations from accountant and aircraft mechanic to sports official and stockbroker A Master List of Profiled Professions lists alternate popular synonymous and related job titles and links them to the jobs profiled providing quick access to information sources on specific occupations by all their variant names Entries contain complete contact information and are arranged by type of resource Part Two serves as a clearinghouse in organizing the wide ranging information available to today s job seeker It features such topics as resume resources alternative ways to work and opportunities for a diverse work force Sources of Essential Job Hunting Information addresses 32 employment topics such as resume writing interviewing skills employment issues for disabled workers working from home and electronic job search information Each category features a multitude of sources including reference works online and database services software programs and more Entries contain complete contact information Also included is The Index to Information Sources which alphabetically lists all of the publications organizations electronic resources and other sources of job hunting information **Job Hunter's Sourcebook** Gale Group,Michelle LeCompte,1996 Profiles 179 professional and vocational occupations providing sources of help wanted ads

placement and job referral services employer directories and networking lists handbooks and manuals employment agencies and search firms and appropriate associations and organizations **Job Hunter's Sourcebook** Bohdan Romaniuk,2008-06 Where to Find Employment Leads and Other Job Search Resources **Careers for Romantics & Other Dreamy Types, Second Ed.** Blythe Camenson,2005-10-17 Discusses career opportunities available for romantics and other dreamy people providing advice from professionals in a variety of fields including matchmakers florists and caterers and features a list of related professional associations **American Book Publishing Record** ,1999 **Job Hunter's Sourcebook** Kathleen E.
