battles of our age There s no escaping the inevitable conversations so how does a Christian respond with love and biblical truth without adding fuel to the fire Drawing on nearly thirty years of counseling people struggling with homosexuality former gay activist Joe Dallas takes readers through virtually every argument they are likely to hear in favor of normalizing homosexuality He helps readers understand the views of LGBT people they may know and respond with clarity confidence and compassion He shows the most effective ways to engage the subject on social media and in everyday encounters with guidelines for talking points dialogue approach and tone and even provides sample dialogue Anyone who has been searching for ways to have productive loving conversations surrounding this critical topic will find this incredible resource a must have At one time or another every twenty first century Christian is likely to be confronted about his or her views on homosexuality But how can we approach this challenging issue in a way that faithfully reflects Jesus s heart and mind Joe Dallas answers that question in this clear and compelling guide for engaging others with both gentleness and biblical truth Jim Daly president Focus on the Family I ve often said no one understands the subject of same sex sexuality better than my friend Joe Dallas This book his best yet only confirms my conviction I m not speaking merely of Joe s formidable knowledge of truth but also the wisdom of its application through crystal clear and concise communication In the wake of the June 2015 US Supreme Court s redefinition of marriage Speaking of Homosexuality will equip you to engage a topic that is foundational to human civilization Hank Hanegraaff president the Christian Research Institute host of the Bible Answer Man broadcast Speaking of Homosexuality is one of the most clear and informative books on the subject Dallas responds to the most common Revisionist arguments with clarity but also genuine kindness If you want one book to offer biblical and historical truth about homosexuality but also how to lovingly put that truth into action then you won t find a better book Sean McDowell PhD professor of Christian apologetics Biola University author Same Sex Marriage and Apologetics for a New Generation In answer to the urgency of our world s current situation Joe Dallas has now crafted a resourceful tool filled with biblical truth and insightful strategies Speaking of Homosexuality is essential for every person in need of answers for themselves a family member or a friend struggling with same sex attraction Joni Lamb cofounder Daystar Television Network There is no question that one of the most difficult issues facing the church today is the subject of homosexuality But God didn t leave us in the dark on the topic of human sexuality He gave us clear directives for this part of our lives so that we might experience the abundant life He promises But speaking those guidelines to a confused church and a hardening culture isn t easy No one does it better than Joe Dallas Like no other voice I hear Joe both lives and ministers with that continual balance of truth and love on this most contentious topic In a day where Christians are growing more silent we need a book like this to teach us how to winsomely engage while never retreating from God s protective Truth This is a must read for the church today Janet Parshall nationally syndicated talk show host

Critical Conversations Tom Gilson, 2016-02-27 Christian parents need to be prepared to answer the myriad challenges teens might hear in today s increasingly pro homosexual culture Why shouldn t

gays get married Who says gay sex is wrong Does the Bible actually say there s anything wrong with homosexuality Don t you care that kids are being bullied just for being themselves To start the discussion Gilson provides a brief history of the issues beginning with the sexual revolution of the 1960s He explains how and why cultural attitudes have reversed on this subject in such a short timespan leaving Christians scrambling for answers This is perhaps the most complicated and contentious issue Christians face in today s culture Most churches are poorly equipped to handle it parents are even less prepared The good news is that parents need not have pat answers ready before they dive into conversations with their teens and preteens on this difficult topic Learning together parents struggling through these issues alongside their kids and leading them to biblical answers has relational benefits Answers are important though so manageable nontechnical answers to common questions surrounding this issue are provided as well as a guide to further resources **Washed and Waiting** Wesley Hill, 2010-09-21

This is a book written primarily for gay Christians and those who love them Part memoir part pastoral theological reflection this book wrestles with three main areas of struggle that many gay Christians face 1 What is God s will for sexuality 2 If the historic Christian tradition is right and same sex behavior is ruled out how should gay Christians deal with their resulting loneliness 3 How can gay Christians come to an experience of grace that rescues them from crippling feelings of shame and guilt Author Wesley Hill is not advocating that it is possible for every gay Christian to become straight nor is he saying that God affirms homosexuality Instead Hill comes alongside gay Christians and says You are not alone Here is my experience it s like yours And God is with us We can share in God s grace While some authors profess a deep faith in Christ and claim a powerful experience of the Holy Spirit precisely in and through their homosexual practice Hill s own story by contrast is a story of feeling spiritually hindered rather than helped by his homosexuality His story testifies that homosexuality was not God s original creative intention for humanity that it is on the contrary a tragic sign of human nature and relationships being fractured by sin and therefore that homosexual practice goes against God s express will for all human beings especially those who trust in Christ This book is written mainly for those homosexual Christians who are trying to walk the narrow path of celibacy and are convinced that their discipleship to Jesus necessarily commits them to the demanding costly obedience of choosing not to nurture their homosexual desires With reflections from the lives of Henri Nouwen and Gerard Manley Hopkins Wesley Hill encourages and challenges Christians with homosexual desires to live faithful to God s plan for human sexuality *What Every Christian Should Know about Homosexuality and Civil Rights* James B. DeYoung, 1991

Homosexuality and Christian Community Choon Leong Seow, 1996-01-01 Contributors to this volume all members of the Princeton Theological Seminary faculty address the various exegetical interpretive and practical issues pertaining to the issue of homosexuality in the church These include the ordination of homosexuals and the blessing of homosexual unions as well as broader issues dealing with liturgical and theological language about God and the role of the church in a pluralistic society The contributors speak of these various issues as theological educators ministers and committed Christians They ask

What do the scriptures say about homosexuality and related issues How should the scriptures inform our theological reflection and How do we live faithfully in regard to this matter And like the Christian community at large the contributors are not of one mind on any of these issues many times they are in considerable disagreement Homosexuality and Christian Community will help to guide churches and individuals engaged in theological reflection about the place of homosexuals in the church Uncommon Love Mary Comm,2018-08-07 Uncommon Love is a landmark Bible study and the first of its kind In a culture where gay rights gay marriage and a surplus of gender issues have recently exploded in the media more and more kids are coming out and many of these are from Christian homes with Christian parents who don t know what to do how to respond where to draw boundaries or if they even should Scripture which is the foundational basis for how to live the Christian life has even been brought into question further confusing the hearts and minds of Christian parents Mary Comm presents a comprehensive navigational map for Christian parents whose kids whether minor or adult have Same Sex Attraction or are living the LGB lifestyle The primary purpose of Uncommon Love is to help parents maintain a loving mutually respectful relationship with their LGB children and shows parents how to offer compassionate understanding and unconditional love without compromising their own identity faith and values *How Should We Think About Homosexuality?* Mark A. Yarhouse,2022-02-02 Gain an informed perspective on Christianity and homosexuality There are many misconceptions about Christianity and homosexuality Christians are often perceived as being simply reactionary or behind the times We can sometimes speak where we do not understand We can do better Do you have an informed and biblical view on homosexuality In *How Should We Think About Homosexuality* Mark A Yarhouse brings his expertise to bear on this question If we are to speak with clarity and conviction we must first be informed Christianity has long held a sexual ethic regarding creation family and sexuality and Christians must know how to relate to other views of sexuality Yarhouse considers how to think about recent scientific findings and sexual identity language before suggesting avenues of fruitful discipleship for same sex attracted Christians The Questions for Restless Minds series applies God s word to today s issues Each short book faces tough questions honestly and clearly so you can think wisely act with conviction and become more like Christ **Means of Grace** Kent A. Paris,1932-11-01 A primer for the understanding and care of souls affected by homosexuality Do you want to be helpful to all who come to God for grace Then you had better prepare to be able to articulate the Means of Grace to the person struggling with homosexuality So writes Kent Paris in this brief yet powerful overview of the nature and impact of homosexuality within the context of the Christian Church Too many Christians have engaged the homosexual cultural battle on the wrong terms and in an unloving manner Rooted in a factual holistic awareness of the circumstances related to homosexual practices in our culture Paris seeks to equip Christians with a God honoring biblically based action plan for caring for the souls affected by homosexuality We lose too many of our wounded to the Enemy Lets do what we can to get them back **A Theology of Gay and Lesbian Inclusion** Donald G Hanway,2012-12-06

Encourage the Church to address the gift of human sexuality how to view it how to deal with it and how it relates to spirituality A Theology of Gay and Lesbian Inclusion Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they ve experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members From the author The purpose of this book is to equip you Christian warrior of the Gospel of peace to stand against those who use the Bible to resist change even that change of which our Lord would approve In one sense there is nothing revolutionary about this book It is a book that respects tradition but only up to a point that point where tradition has to change to give way to what the Holy Spirit is showing us in our day of the mind of Christ And this is not revolutionary because tradition has had to change before it is a developing truth born of the corporate experience of the children of God and open to our claiming the exercise of our God given gift of reason A Theology of Gay and Lesbian Inclusion includes a series of letters that progress from establishing the purpose and credibility of the author to developing grounding in Scripture and experience to appealing to the reader to act as an ally of gay and lesbian Christians The letters include Dear Christian Believer which aims for the bull s eye of the reader s faith Dear Sexual Being which offers a fresh look at a sensitive topic Dear Confused Church Member which discusses what gay people are really like Dear Concerned Church Member which discusses what gay people really want Dear Bible Explorer which discusses what the Bible really says Dear Person Trying to Do the Right Thing from being to doing and much more A Theology of Gay and Lesbian Inclusion provides a friendly and informal Biblical rationale for alternatives to traditional church teachings encouraging the acceptance of gay and lesbian people as fully moral and fully Christian

Homosexuality and the Christian Mark A. PsyD Yarhouse, 2010-09-01 Mark Yarhouse gives honest and accurate answers to parents and pastors who have questions about homosexuality Throughout the book the author uses a new framework for understanding the issue carefully separating the concept of same sex attraction from a gay identity In a clear and compassionate style he explains the research regarding what causes same sex attraction and whether or not it can be overcome He also discusses what Christians can do when someone they know opens up to them about their homosexual attractions

A Thoroughly Christian Study of Homosexuality Steven Longstone, Ph.d., Steven Longstone Ph D, 2015-10-19 A growing number of Christians of all denominational stripes have important questions about homosexuality that are mostly going unanswered in the ongoing church debate Why would God create someone with same sex attraction only to condemn them for it Is poor parenting or spiritual rebellion really the reason why some people are gay or transgender Is it Christ like to shun and actively discriminate against gays in our communities A Thoroughly Christian Study of

Homosexuality presents a 360 degree view of the subject In addition to being a detailed Bible study it provides a wealth of other relevant information The latest science of same sex attraction The persecution faced by gays around the world The plight of gay young people in today s churches The central theological dilemma of homosexuality The goal of A Thoroughly Christian Study of Homosexuality is to encourage Christians to make an informed Spirit led decision about homosexuality With thoughtful questions at the end of each chapter it can be used for both individual and group study *The Father's Heart on Homosexuality* Walter L. Lovelace,2002-04-30 In recent times the question of homosexual rights has burst upon the scene becoming a burning emotional controversy Many church leaders have become embroiled in debate and entire denominations are sharply divided over this issue Though the church has traditionally served as a moralistic commentator on the sidelines it now finds itself in the middle of this controversy Should self affirmed sexually active homosexuals be ordained as ministers Should they even be welcomed as fellow believers How should the Bible be interpreted and what is its role in ethical guidance of reason

experience and the Holy Spirit Should the church tolerate a diversity of convictions and life styles in its sexual ethic In Homosexuality How Should Christians Respond Dr Richard F Lovelace deals with these questions from an evangelical point of view He presents the historic church position from Augustine to Theilicke and surveys and analyzes the literature of recent decades which challenges the historic position Biblical texts that speak specifically on homosexual behavior are studied extensively and brought into sharp focus by corollary Scripture passages This is an intensely practical book sensitively written to help the church reach out to the needs of homosexuals in constructive and compassionate ways *Gay Awareness* Landon Schott, 2022-11 Homosexuality has taken center stage in our nation churches and homes Everyone knows or cares deeply for someone who experiences same sex attraction sexual confusion or practices homosexuality While the entire world talks about homosexuality the subject remains taboo in many churches The fear of being labeled as hateful a bigot or ignorant has kept many Christians out of the conversation The church remains silent leaving many people who love God confused about what the Bible really says about sexuality Did God make people gay Does God love homosexuals Will people have to deal with same sex attraction their entire lives Landon Schott brings truth and clarity to sexual confusion using over 400 scripture references to reveal the heart of the Father and mind of Christ *Gay Awareness* exposes false teaching and deception that have created a false identity through the lens of sexuality instead of the eyes of God's Word *Gay Awareness* will stretch you and challenge you but with relentless love bring you comfort and healing In *Gay Awareness* Discovering the Heart of the Father and the Mind of Christ top selling author and nationally known speaker Landon Schott addresses What the Bible actually says about marriage sexuality and homosexuality Mistakes the Church makes when addressing homosexuality and the gay community Contradictions between the gay lifestyle and the Christ centered lifestyle Clear insight into how to genuinely show Christian love to those who practice homosexuality How people can experience deliverance and freedom Featuring an extensive interview with highly respected authority Dr Michael L Brown a multiple book best selling author and expert on spiritual renewal and cultural reformation *Gay Awareness* is the book you've been looking for to find clarity teach you what Scripture says about homosexuality and learn how to respond to people with love grace and truth
