Photographer's Guide to the Canon PowerShot S100 Alexander White,2011-12 This

book a complete guide to the operation and features of the Canon PowerShot S100 digital camera is a follow up to the author's earlier guides to advanced compact digital cameras. The new book explains all operations, features, menus, and controls of the PowerShot S100 camera in clear language, providing guidance not only about how to accomplish things with the camera but when and why to use certain features. The book does not assume any specialized knowledge by the reader but clearly explains topics such as autofocus, manual focus, depth of field, aperture priority, shutter priority, HDR, High Dynamic Range photography, white balance, ISO, and macro photography. The book gives details about how to take advantage of the camera's varied array of Scene and Creative Filters, shooting settings. The guide's more than 200 photographs, almost all in full color, provide illustrations of the camera's controls and menus and also include examples of the various types of photographs that can be taken using the many creative settings of the camera, including the Creative Filters settings which let the photographer alter the color processing and other aspects of images. Various menu options such as i-Contrast and digital zoom and the camera's strong set of features for continuous shooting. In addition, the book goes beyond the realm of everyday photography, providing introductions to more advanced topics such as infrared photography, street photography, and creating 3D three-dimensional images that can be viewed with conventional red and blue 3D glasses. The book also includes a full discussion of the video recording abilities of the PowerShot S100, which can record high-definition HD video with stereo sound and can take Super Slow Motion movies that slow down action by a factor of eight. In three appendices, the book provides information about accessories available for the camera, including cases, filter adapters, and external flash units; sets forth a list of useful web sites and other resources for further information; and includes a section with helpful quick tips that give particular insights into how to take advantage of the camera's features in the most efficient ways possible. The book includes a detailed Table of Contents and a full Index so the reader can quickly find needed information about any particular feature or aspect of the camera.

Canon Powershot SX70 HS CheatSheet, 2018-12-12 *Canon PowerShot G7X Mark III Users Guide* David Cowherd, 2020-11-11

Canon PowerShot G7X Mark III is one of the best cameras you can ever find out there, but how do you use it? The Canon PowerShot G7X Mark III Users Guide is the complete guide to using the Canon PowerShot G7X Mark III. This book is written with the beginner in mind and is excellent for seniors and first-time Canon PowerShot G7X Mark III users. Getting a new Canon digital camera is impressive; it can practically feel like getting a new toy. Nobody cherishes a toy that makes you read a long guidebook just to figure out how the darn thing works. That is why I have put this book together for both beginners and experts to teach you the building blocks of using the Canon PowerShot G7X Mark III camera. It starts out by going over the features and modes in the device, followed by defining some key terms that a Canon camera user needs to know. This book will explain all the basics: settings, Dials, Modes, Buttons, Shooting Tips, and much more. It covers only what most users want to know so you don't have to comb through hundreds of pages of technical jargon just to find out how to do a common feature. This book is written in a little more casual and fun than what you expect.
