Racing historian Steve Holmes breaks new ground by unearthing the complete early history of the Corvette in drag racing
Quarter Mile Corvettes focuses on the period from 1955 to 1975 which spans the first 20 years of Corvette V 8 production
Fittingly this was also the era considered by many to be the greatest in drag racing s history and Corvettes encapsulated the
vibrancy of the period in a way that will never be repeated Certainly Chevrolet never intended for the Corvette to become a
quarter mile terror but today its nameplate has become one of the longest running in all of drag racing **Poor's Manual
