Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies, 1998 *IT Asset Management Foundation (ITAMF) - Workbook - Second edition* Jan Øberg, 2020-11-15 IT Asset Management Foundation ITAMF is a certification that validates a professional s knowledge on managing the IT assets as part of an organization s strategy compliance and risk management The content covered by the certification is based upon the philosophy of ITAMOrg a membership organization and thought leader in IT Asset Management The certificate IT Asset Management Foundation is part of the ITAMOrg qualification program and has been developed in cooperation with international experts in the field This workbook will help you prepare for the IT Asset Management Foundation ITAMF exam and provides you with an overview of the four key areas of IT Asset Management Hardware Asset Management including mobile devices Software Asset Management Services People Information Asset Management including Bring Your Own Device BYOD **National Defense Budgeting and Financial Management** Philip J. Candreva, 2017-05-01 The U S Department of Defense accounts for over half of federal government discretionary spending and over 3% of GDP Half of all federal employees work for the Department The annual budget for the military not only provides for those salaries it covers

the baseline and wartime operating expenses of the force and hundreds of billions of dollars of investment in new capabilities and technologies Given the materiality of the defense function and amount of resources it consumes the processes for budgeting for defense and managing the funds is important to understand This text provides a fully integrated view of defense budgeting It takes the position that defense budgeting is a specific instance of public budgeting and public budgeting is a specific instance of public policy In order to fully understand how the nation budgets for defense it first lays a theoretical and conceptual foundation for public policy and public budgeting That is followed by an assessment of the political and policy context for defense including the overarching federal budget process and role of Congress in setting defense policy Only then does the text explore the specifics of defense budgeting how by whom and why the budget is crafted Beyond the topic of budgeting formulating requesting and legitimating the request for funds the book tackles financial management topics Included are discussions of federal appropriations law funds management accounting requirements intragovernmental business transactions and contemporary topics of defense policy such as funding overseas contingency operations in an era of deficit control legislation This book is an appropriate reference for both students and practitioners of defense budgeting and financial management It would also be appropriate in a general public budgeting course Most public budgeting texts focus on state and municipal governments and there are few that address the federal system This book fills that gap and provides a specific example of federal budgeting

Financial Management in the Public Sector XiaoHu Wang,2014-02-15 The new edition of this popular book provides a step by step guide on how to use financial management and budgeting tools in the public sector The book features a practical case study approach and includes plentiful exercises and examples It is designed as a textbook for courses on public financial management or public budgeting that focus on the application of budgeting and financial management tools Public service professionals will also benefit from this handy primer
