Founders Stuart Jaffe:

Pioneers of the Pathway Stuart Jaffe, 2024-12 In today's world travelling the stars via a Pathway Ring is commonplace But have you ever wondered how it all came to be Journey back to a time when mankind lived on only two planets when we knew of no other advanced species when a brave group of engineers miners and other hardworking folks took a leap into the unknown Travel with them on an amazing adventure of survival and discovery of betrayal and love of everything that makes us human Follow the Monclova family through generations as they fight to bring mankind into the future we all know This is the story of one of the greatest achievements human beings have ever created This is The Pathway Ring **Southern Dead** Stuart Jaffe, 2024-02-11 Old Crimes New Pains For Max and the gang the idea that dead is not the end has become second nature But the idea that a ghost who has moved on could be ripped back into the world That is new And terrifying When a woman hires the Porter Agency to help with this very problem she doesn't know half of what she's roping them into Now it is up to Max Sandra and Drummond to find who is behind this atrocity and stop them Plus there's a spirit to return to the Beyond a missing girl who might have been murdered and a possible murderer who happens to be the new client Just another day for the Porters Southern Bound Stuart Jaffe, 2023-12 When Max Porter discovers his office is haunted by the ghost of a 1940s detective he does the only sensible thing he starts a detective agency Thrust neck deep into a world of old mysteries and dangerous enemies he will face ghosts witches and curses He will discover a world in which survival might be the easiest challenge And he will do anything necessary to keep his wife and his life from falling away Real history meets the paranormal in this thrilling suspenseful series **Southern Craft** Stuart Jaffe, 2024-02 Max and the gang are no strangers to battling ghosts witches and curses But when they are hired to free a family of witches who have been locked in their mansion by magic they find themselves on strange ground After all helping witches never was in the job description But these witches are in trouble and that puts Max and the gang in a dangerous position Things only get worse when it comes to light that there are evil powers and ancient curses at play Especially because Max is certain his clients are hiding important information about the case Of course they are They're witches **Southern Spirit** Stuart Jaffe, 2024-02 Old Power New Corruption Max Porter has had his share of odd cases That goes with the territory when one of your partners is the ghost of a 1940s detective But the idea of being hired by a witch coven to save witches seems wrong from the start and it only gets worse Bad enough that Max can't trust anything his clients say but his own wife is being lured closer into becoming a real witch something that terrifies Max and sows distrust Add to that a mysterious group of witch hunters a long dead curse brought back to cause havoc and power players in the shadows and it's no wonder The Porter Agency is stretched to the breaking point Between fighting their enemies and fighting each other this may end up the toughest case of their lives One that could alter the balance of power among all witches for years to come *Southern Lies* Stuart Jaffe, 2025-03 When a wealthy textile heiress hires The Porter Agency to help her son defeat a family curse Max and the gang think it'll be a

straightforward matter Figure out the nature of the witch curse and cast a counter spell But as the case progresses as the team is attacked by ghosts and find themselves on the losing end of spell after spell it becomes clear that they are not being told the truth But why What secrets are hidden beneath the surface of this family Who are the true victims And when The Porter Agency sifts through all the deception and dishonesty when they finally learn the horror behind it all will they be able to survive the fallout

Southern Hexes Stuart Jaffe,2024-02-20 Old Magic New Witch There are many challenges to keeping a family together One of the hardest is change When The Porter Agency takes on a case involving hex bags magic stones and a tragic train crash from the 1890s the last thing Max Porter expects is to face changes in his family too But the Sandwich Boys are growing older and Max's mother is getting sicker While he attempts to juggle the needs of his loved ones with stopping an amateur witch from harming innocent people he will have to reconcile these new realities against what he had expected his life to be For Max and his family change is about to roll in hard

Southern Rites Stuart Jaffe,2024-02 After spending years in North Carolina Max and Sandra thought they knew how the world of ghosts witches and curses worked With the aid of the ghost of 1940s detective Marshall Drummond they had carved out a space to live fought those who used magic to destroy others and defeated the dreaded Hull family Now without the Hulls control of magic in North Carolina is in freefall Some groups claim to be in charge while others vie for power When graves from the 1700s start breaking through to the surface Max and his team find themselves caught in the middle of the fight and every decision he makes could have consequences that reverberate through the entire magic world Then things take a truly dire turn Max's mother shows up for a visit

Southern Kin Stuart Jaffe,2024-07-02 Max's mother has been suffering from the debilitating effects of multiple sclerosis for several years now Unable to find relief she turns to the world of witches for an answer In particular a Granny Witch from the Appalachians Making a deal with a witch is a dangerous prospect for those who know what they are doing For a novice it can be deadly As the Granny Witch pulls Mrs Porter into a world she knows too little about Max Sandra and Drummond will be forced to rescue her But a witch war has begun and that means Mrs Porter's problems are caught in the middle of it all For the Porter Agency it means working overtime

The Max Porter Paranormal Mysteries Stuart Jaffe,2024-02-25 The fourth volume in the Max Porter Paranormal Mystery collection is here and it's explosive New allies new foes and a rivalry centuries in the making all come to a head in one fantastic showdown And if that wasn't enough Max's family faces its toughest challenge yet one that threatens to tear away the Sandwich Boys just as they're settling in It's all here and much much more

Southern Fury Stuart Jaffe,2024-02 OLD RIVALS NEW ENEMIES For many years Max Porter and his team have been caught between Mother Hope and Grandma Mobley two witches that hated each other for over a century Both witches hold power and both are dangerous But now their hatred has finally boiled over and that power is about to be unleashed Now Max finds himself the rope in a tug o war that threatens to destroy his budding family if not all of North Carolina He will have to risk everything he knows and loves push himself further than ever

before Because Max Porter will be in the fight of his life And his death Southern Souls Stuart Jaffe,2024-02-08 OLD TRAGEDIES NEW DANGERS For Max and Sandra Porter building a family seemed unattainable Yet since moving to Winston Salem and starting a business with the ghost of a 1940s detective they ve brought two homeless boys into their work and eventually to their home But this ad hoc family has a lot of secrets Dark secrets that crawl to the surface and threaten not only Max s survival but the survival of his family as well It doesn t help that they must worry about the Halls and witches once more but Max Sandra and Drummond have a lot on their side Brains magic and the ghost world too Their enemies won t know what hit them *Southern Graves* Stuart Jaffe,2024-01-11 **Southern Flames** Stuart Jaffe,2024-02-08 OLD LOVE OLDER HATE When a boyfriend from Sandra s past hires the Porter Agency to investigate a haunted firehouse Max and Drummond know there s going to be trouble Yet nobody is prepared for the twisted path they embark on A path that takes them into a harrowing murder a botched curse and the rumblings of a witch war But after Sandra s life is placed in jeopardy Max throws off the gloves To save her he s ready to take on the toughest witches in all of North Carolina if he must nothing will stop him when his love is on the line Join Max Sandra Drummond and the rest of the gang as they battle witches ghosts curses and more in another exciting paranormal mystery **Southern Blood** Stuart Jaffe,2024-02-08 OLD FAMILIES NEW KIN The case is simple enough spend the night in the famed Reynolda House to discover what s haunting the place Then take care of it But for Max Sandra and Drummond nothing is ever simple Over the course of one long night they will face numerous evil forces unleashed with careless abandon They will endure attacks physical mental and magical And they ll have to fight it all before dawn or these threats will turn upon those that they love the most Their boys Southern Curses Stuart Jaffe,2024-01-24 When Max and Sandra moved to North Carolina they walked into a world of ghost witches and curses Over the years and with the help of the ghost of 1940s detective Marshall Drummond they have fought to build a life for themselves But now it all goes on the line No fight of their past can match what awaits when the Hull family and the Magi Group go to war Caught between the magic and muscle of these groups Max and Sandra will have to call in all the help they can find if they are to survive Only one thing is for sure Everything will change Southern Belle Stuart Jaffe,2024 OLD PASSIONS NEW ENEMIES Max thought he had enough trouble dealing with one witch in Winston Salem But a new case brings to light an entire coven of witches Angry cursed dead witches Lucky for Max he has the aid of his partner the ghost of 1940s detective Marshall Drummond and his sharp witted wife Sandra Together they ll face enemies at every turn and things only get worse when the mysterious Hull family and the FBI start poking into Max s life He ll need all his team can give with a case that involves the theft of a cursed bell dark magic spirit possession and ghastly murders All in all just another day at the office for Max Porter **The Max Porter Paranormal Mysteries** Stuart Jaffe,2024-02-20 The magic continues when North Carolina history mixes with the paranormal in *The Max Porter Paranormal Mysteries* This highly addictive series will keep you turning pages late into the night Fun funny suspenseful and scary this omnibus edition includes three books in the

bestselling series with hundreds of excitement filled pages *John Jennings* Donna-lyn Washington,2020-08-25 John Jennings b 1970 is perhaps best known for his collaboration with Damian Duffy on the New York Times bestseller and Eisner Award winning graphic novel adaptation of Octavia Butler s Kindred However Jennings is also a graphic designer and comic book scholar who throughout his career has conducted several interviews that shed light on the importance of Black Speculative narratives The most enlightening of his interviews are brought together in John Jennings Conversations As a collective these interviews explore folklore systemic racism his Mississippi roots and the phrase Jennings cocreated the Ethnogothic Jennings discusses the necessity for black heroes not just for the sake of diversity but for inclusiveness touching on the conventions he has cofounded such as the Schomburg Center s Black Comic Book Festival in Harlem He addresses the struggle to be financially compensated for work and he speaks at length about how being a professor informs his craft where he continues to examine black stereotypes in popular culture with courses of his own design As a group the interviews in John Jennings Conversations give a picture of a black man forging a way where comic books have afforded him a means to carve out an important space for people of color **Southern Hart** Stuart Jaffe,2024-02-20 OLD ANGER NEW FOES When the most powerful witch in North Carolina Madame Ti is abducted the Porter Agency is called upon to find her With no leadership over magic in the state many have come to fill the power void and this appears to be the first overt move Is it the Brotherhood a group seeking to restore ancient magic that pre dates witchcraft Or Sister Sadie the insane witch that used the Porter Agency to free herself from cursed captivity Or perhaps the Haven House witches have finally decided to seize power Even Cecily Hull could be behind the abduction stealing her own witch to unveil her true enemies It s up to Max Sandra and Drummond to find an answer But they better be fast or a full blown witch war will begin
