Framed Media Coverage Canadian Politics:

Framed Erin Tolley, 2015-12-03 *Framed* is a wake up call for those who think that race does not matter in Canada. Combining an empirical analysis of print media with in depth interviews of elected officials former candidates political staffers and journalists this book uncovers the connections between race media coverage and politics in Canada. As Erin Tolley reveals overt racism rarely occurs in the pages of Canadian newspapers but assumptions about race and diversity often influence media coverage. Consequently as reporters go about selecting which political issues and events to cover who to quote and how to frame stories to make them resonate with the public they give visible minorities less prominent and more negative media coverage than their white counterparts. Visible minority politicians are also more likely to be portrayed as products of their socio demographic backgrounds as uninterested in pressing policy issues and as less electorally viable. The resulting news coverage Tolley argues does much to weaken Canada's commitment to a robust inclusive democracy.

News Framing of Indigenous Politics in Canada Brian Budd, 2024-07-31 This book explores the news media's coverage of Indigenous settler reconciliation following the conclusion of the Truth and Reconciliation Commission of Canada TRC. Using a comparative case study research design the book examines news coverage of three significant Indigenous rights issues and events during the post TRC era. The findings presented demonstrate that in the post TRC era the Canadian news media continue to produce systemic patterns in coverage which reject marginalize and erase the territorial rights and claims of Indigenous Peoples. The author concludes that rather than helping to move the relationship between Indigenous Peoples and settlers forward along a path of reconciliation power sharing and the resurgence of land based self determination the news media are continuing to construct discourses and representations that work against the political objectives of Indigenous Peoples and reinforce settler colonial power relationships in Canada.

Gender-Based Violence in Canadian Politics in the #MeToo Era Tracey Raney, Cheryl N. Collier, 2024-05-01 Gender based violence in politics is a significant and growing problem that threatens the democratic process in Canada. Despite its prevalence little academic research has been conducted on this topic to date. *Gender Based Violence in Canadian Politics in the MeToo Era* raises awareness of and presents new innovative research on this timely and pressing public issue. Here leading experts from across Canada uncover critical new insights and identify potential solutions that would help address gender based violence in politics improve gender equality and strengthen Canadian democracy. Using an intersectional lens chapters range in their approaches offer new concepts and measures of gender based violence in online political spaces political media coverage and cartoons campaigns municipal politics and legislatures and explore Indigenous ways of knowing about gender based violence in Canadian politics. Additionally the volume presents recommendations for decision makers policymakers anti violence advocates and the academic community on how to best address the problem of gender based violence in the political sphere.

Journalism's Racial Reckoning Brad Clark, 2022-03-27 This book addresses endemic issues of racism in news media at what is a critical

moment in time as journalists around the world speak out en masse against the prejudice and inequality in the industry As the events of 2020 the death of George Floyd the rise in prominence of the Black Lives Matter movement have drawn new and focused attention to inequality white supremacy and systemic racism including in the media this volume chronicles this racial reckoning revisiting and examining the issues that it has raised The author analyses media output by racialized and Indigenous journalists identifying the racial make up of newsrooms the dominance of white perspectives in news coverage interpretations of ethics downplaying systemic racism and bias ignorance of racist history in editorial decisions and news content and diversity and inclusion measures The actions taken by news organizations in response to the reckoning are also detailed and placed in the context of existing race and media scholarship to offer emerging strategies to address journalism s longstanding issues with racism in news content and newsrooms Grounding the interplay between news media and race within this pivotal moment in history this text will be an important resource for students and scholars of journalism journalism ethics sociology cultural studies organizational studies media and communication studies

Small,2014-09-21 Changes in technology and media consumption are transforming the way people communicate about politics Are they also changing the way politicians communicate to the public Political Communication in Canada examines the way political parties politicians interest groups the media and citizens are using new tactics tools and channels to disseminate information and also investigates the implications of these changes Drawing on recent examples contributors review such things as the branding of the New Democratic Party how Stephen Harper s image is managed and politicians use of Twitter They also discuss the evolving role of political journalism including media coverage of politics and how Canadians use the Internet for political discussions In an era when political communication from political marketing to citizen journalism is of vital importance to the workings of government this timely volume provides insight into the future of Canadian democracy

Political Elites in Canada Alex Marland,Thierry Giasson,Andrea Lawlor,2018-09-01 Political Elites in Canada offers a timely look at Canadian politics and how power brokers are adapting to a fast paced digital media environment Elite power structures are changing worldwide and the rise and fall of political influencers permeates national headlines In many areas traditional elites are losing authority over prevailing social economic and political structures Communication between and among elites and citizens is having dramatic implications for political institutions and governance This volume explores the changing landscape of power brokers the ascent of new elites and how these groups are using digital communication to connect with Canadians in unprecedented ways Featuring empirical studies of governmental decision makers in the public service such as political staff and public servants premiers and judges and non governmental influence brokers such as social media commentators and non profit organizations this collection is a much needed synthesis of elite politics in Canada

Permanent Campaigning in Canada Alex Marland,Thierry Giasson,Anna Lennox Esselment,2017-05-26 Election campaigning never stops That is the new reality

of politics and government in Canada where everyone from staffers in the Prime Minister's Office to backbench MPs practise political marketing and communication as though each day were a battle to win the news cycle Permanent Campaigning in Canada examines the growth and democratic implications of political parties' relentless search for votes and popularity and what constant electioneering means for governance With the emergence of fixed date elections and digital media each day is a battle to win mini contests the news cycle public opinion polls quarterly fundraising results by elections and more The contributors' case studies reveal how political actors are using all available tools at their disposal to secure electoral advantage This is the first study of a phenomenon including the use of public resources for partisan gain that has become embedded in Canadian politics and government *What's Trending in Canadian Politics?* Mireille Lalancette, Vincent Raynauld, Erin Crandall, 2019-09-13 Canada's political landscape has changed but scholars are still grappling with the profound alterations brought about by the internet and social media *What's Trending in Canadian Politics* examines political communication and democratic governance in a digital age Exploring the effects of conventional and emerging political communication practices in Canada contributors investigate topics such as the uses of digital media for political communication grassroots driven protest public behaviour prediction and relationships between members of civil society and the political establishment This interdisciplinary volume lays robust theoretical and methodological foundations for the study of transformative trends in political communication and in the relationship between political actors institutions and democracy Original and timely *What's Trending in Canadian Politics* sheds light on digital innovations while providing a broader perspective on the online and offline dynamics of contemporary Canadian political engagement

Race/Gender/Class/Media Rebecca Ann Lind, 2023-03-14 The fifth edition of this popular textbook considers diversity in the mass media in three main settings Audiences Content and Production The book brings together 55 readings the majority newly commissioned for this edition by scholars representing a variety of humanities and social science disciplines Together these readings provide a multifaceted and intersectional look at how race gender and class relate to the creation and use of media texts as well as the media texts themselves Designed to be flexible for use in the classroom the book begins with a detailed introduction to key concepts and presents a contextualizing introduction to each of the three main sections Each reading contains multiple It's Your Turn activities to foster student engagement and which can serve as the basis for assignments The book also offers a list of resources books articles films and websites that are of value to students and instructors This volume is an essential introduction to interdisciplinary studies of race gender and class across both digital and legacy media *Gendered Mediation* Angelia Wagner, Joanna Everitt, 2019-05-15 Despite decades of women's participation in politics and the increasing number of LGBTQ individuals who are seeking and winning political office the gender identities of Canadian politicians continue to attract media and public attention and shape the way these individuals are perceived and evaluated *Gendered Mediation* takes an original intersectional approach to these issues by building upon

the gendered mediation thesis to argue that political communication and reporting reinforces impressions of politics as a masculine domain that privileges men and treats women as outsiders Organized into three sections the book investigates politicians gendered strategies for shaping their own and others public images the gendered characteristics of media coverage of politicians and voter reactions to these self presentations and media depictions By examining how sexuality race age and class intersect with gender to produce differing political identities and responses the contributors make new theoretical and empirical interventions into research on gender and political communication Their findings have profound implications for democracy not only in Canada but for democratic political systems elsewhere **The New NDP** David McGrane, 2019-05-15 The New NDP is the definitive account of the evolution of the New Democratic Party's political marketing strategy in the early twenty first century In 2011 the federal NDP achieved its greatest electoral success becoming the official opposition under Jack Layton's leadership David McGrane argues that the key to the party's electoral success of 2011 lies in the moderation of its ideology and modernization of its campaign structures Those changes brought the party closer to governing than ever before but ultimately not into power McGrane then poses a difficult question Was remaking the NDP message and revitalizing its campaign model the right choice after all considering it fell to its perennial third party spot in 2015 The New NDP examines Canada's NDP at a pivotal time in its history and provides lessons for progressive parties on how to win elections in the age of the internet big data and social media Inside the Campaign Alex Marland, Thierry Giasson, 2020-05-01 Political leaders are the public face of a party during an election campaign But what type of work is conducted behind the scenes by lesser known party members attempting to propel their leaders to victory at the federal level in Canada Inside the Campaign is a behind the scenes look at the people involved in an election campaign and the work they do Each chapter reveals how campaign staffers as well as by those covering and organizing election related events perform their duties and overcome obstacles during the heat of a campaign to get their respective leaders elected Practitioners and political scientists collaborate to present real world insights that demystify over a dozen occupations including campaign chairs fundraisers advertisers platform designers communication personnel election administrators political staff journalists and pollsters Inside the Campaign provides an inside look at and unparalleled understanding of the nuts and bolts of running a federal campaign in Canada *Canadian Politics, Seventh Edition* James Bickerton, Alain-G. Gagnon, 2020-08-31 For this new edition James Bickerton and Alain G Gagnon have organized the book into six parts Part I covers the origins and foundation of Canada as a political entity while Part II focuses on government parliament and the courts Part III examines matters pertaining to federalism and the Canadian Charter of Rights and Freedoms Part IV casts some new light on electoral politics and political communications and Part V examines citizenship diversity and social movements Part VI the final section of the book concentrates on a number of political issues that merit special attention on the part of political actors and decision makers namely the evolving relationship between Canada and Indigenous peoples immigration and refugees

environment and climate change and relations between Canada and the United States This seventh edition of Canadian Politics includes 12 new chapters with ten new contributing authors and coverage of six new subjects and is essential reading for students and specialists studying Canadian politics **The Canadian Federal Election of 2021** Jon H.

Pammett, Christopher Dornan, 2022-09-15 Media pundits and students of Canadian politics alike have strived to interpret the relevance of the 2021 federal election held in the midst of a global pandemic and reinforcing the existing parliamentary balance of power This timely volume explains the election's import offering an insightful account of Canadian democracy in an age of increasing rancour and polarization and explaining why the Liberals did not win a majority government In a unique collaboration some of the country's most distinguished political scientists pollsters and journalists examine the parties issues machinery and media of Canadian electoral politics teasing out the complexities and nuances of what was seen to be a premature federal election The Canadian Federal Election of 2021 analyzes the campaigns of the major parties and the patterns of voting behaviour A special feature of this book is its focus on issues of diversity and difference in the partisan theatre the voting patterns of gendered Indigenous and newly immigrant Canadians as well as the millennial generation These chapters offer important lessons for the present and for the election to come A must read for students journalists those working at affiliated think tanks and institutes and engaged citizens this thoughtful expos will interest international observers and anyone following the Canadian political landscape *Federalism and the Welfare State in a Multicultural*

World Elizabeth Goodyear-Grant, Richard Johnston, Will Kymlicka, John Myles, 2019-01-19 Until the 1990s social policy played an integrative role in Canada providing a counter narrative to claims that federalism and diversity undermine the potential of social policy Today however the Canadian model is under strain reflecting changes in both the welfare state and the immigration citizenship multiculturalism regime *Federalism and the Welfare State in a Multicultural World* illustrates that there are clear trends that if unchecked may exacerbate rather than overcome important social cleavages The editors argue that we are at a crucial moment to re evaluate the role of social policy in a federal state and a multicultural society and if federalism and diversity challenge traditional models of the nation building function of social policy they also open up new pathways for social policy to overcome social divisions Complacency about or naive celebration of the Canadian model is unwarranted but it is premature to conclude that the model is irredeemably broken or that all the developments are centrifugal rather than centripetal Social policy is integral to mitigating divisions of class region language race and ethnicity and its underlying values of solidarity and risk sharing also make it a critical mechanism for nation building Whether social policy actually accomplishes these goals is variable and contested The essays in this volume provide some timely answers

Journalism, Politics, and the Dakota Access Pipeline Ellen Moore, 2018-12-17 This book explores tensions surrounding news media coverage of Indigenous environmental justice issues identifying them as a fruitful lens through which to examine the political economy of journalism American history human rights and contemporary U S politics The book begins by

evaluating contemporary American journalism through the lens of deep media focusing especially on the relationship between the drive for profit professional journalism and coverage of environmental justice issues It then presents the results of a framing analysis of the Standing Rock movement NODAPL coverage by news outlets in the USA and Canada These findings are complemented by interviews with the Standing Rock Sioux Tribe whose members provided their perspectives on the media and the pipeline The discussion expands by considering the findings in light of current U S politics including a Trump presidency that employs law and order rhetoric regarding people of color and that often subjects environmental issues to an economic cost benefit analysis The book concludes by considering the role of social media in the era of Big Oil and growing Indigenous resistance and power Examining the complex interplay between social media traditional journalism and environmental justice issues *Journalism Politics and the Dakota Access Pipeline Standing Rock and the Framing of Injustice* will be of great interest to students and scholars of environmental communication critical political economy and journalism studies more broadly **Media, Power, and Politics in the Digital Age** Yahya R. Kamalipour, 2010-11-16

Focusing on the Iranian presidential elections of 2009 and ensuing demonstrations in major cities across Iran and world *Media Power and Politics in the Digital Age* provides a balanced discussion of the role and impact of modern communication technologies particularly the novel utilization of small digital media vis vis the elections and global media coverage Written in a non technical easy to read and accessible manner the volume will appeal to scholars students policy makers and print professionals alike To provide a global overview of media coverage and diverse perspectives on the controversial 2009 presidential election this book consists of 24 original essays covering issues from global media coverage to new media social networking from the ideological political dimensions to the cultural facets of the elections Organized in a cohesive manner the writing styles and presentation remain varied and richly informative *The Palgrave Handbook of Gender, Sexuality, and Canadian Politics* Manon Tremblay, Joanna Everitt, 2020-11-20 The Palgrave Handbook of Gender Sexuality and Canadian Politics offers the first and only handbook in the field of Canadian politics that uses gender which it interprets broadly as inclusive of sex sexualities and other intersecting identities as its category of analysis Its premise is that political actors identities frame how Canadian politics is thought told and done in turn Canadian politics as a set of ideas state institutions and decision making processes and civil society mobilizations does and redoes gender Following the standard structure of mainstream introductory Canadian politics textbooks this handbook is divided into four sections ideologies institutions civil society and public policy each of which contains several chapters on topics commonly taught in Canadian politics classes The originality of the handbook lies in its approach each chapter reviews the basics of a given topic from the perspective of gendered sexualized and other intersectional identities Such an approach makes the handbook the only one of its kind in Canadian Politics **Framing the Global Economic Downturn** Paul 't Hart, Karen Tindall, 2009-09-01 The global economic

downturn that followed the collapse of major US financial institutions is no doubt the most significant crisis of our times Its

effects on corporate and governmental balance sheets have been devastating as have been its impacts on the employment and well being of tens of millions of citizens It continues to pose major challenges to national policymakers and institutions around the world Managing public uncertainty and anxiety is vital in coping with financial crises This requires not just prompt action but most of all persuasive communication by government leaders At the same time the very occurrence of such crises raises acute questions about the effectiveness and robustness of current government policies and institutions With the stakes being so high defining and interpreting what is going on how and why it happened and what ought to be done now become key questions in the political and policy struggles that crises invariably unleash In this volume we study how heads of government finance ministers and national bank governors in eight countries as well as the EU engage in such framing contests and how their attempts to interpret the cascading events of the economic downturn were publicly received Using systematic content analysis of speeches and media coverage this volume offers a unique comparative assessment of public leadership in times of crisis

The Qualifications Gap Nichole M. Bauer, 2020-07-30 Women need to be significantly more qualified than men to win political office This book explains how voter biases and informational asymmetries combine to disadvantage female candidates It is for scholars and lay readers who are interested in gender and politics campaigns and elections political psychology and political communication
