Cheap Bastard'sTM Guide to Chicago Nadia Oehlsen,2009-09-15 Longtime Chicagoan Nadia Oehlsen reveals her secrets for living the good life cheaply in the Windy City including how to enjoy free concerts movies comedy acts and magic shows where to get free food and wine including Sunday brunch on the house information on free days at museums and the Shedd Aquarium the lowdown on Chicago s TV tapings and live shows and much more Saving the Streets of Chicago But God, His Story in the lives of Reverend Roosevelt,Mary Matthews,2023-12-05 This is the story of Reverend Roosevelt Matthews and his beloved wife Mary whose work saved many in one of the poorest and most dangerous neighborhoods on Chicago s West Side But as Roosevelt emphasizes it s not his story but God s story In 1952 Roosevelt and Mary came to Chicago from Rolling Fork Mississippi as part of the Great Migration of six million Southern Blacks Shortly after they married Mary became a sixth grade Chicago Public School teacher at Faraday Elementary where she taught for thirty years With his teaching degree and certificate in hand Roosevelt headed out to the Chicago Board of Education to be assigned the school he would teach in But God had other ideas As he walked down his front steps he heard gunshots and saw troubled youth where gangs and drugs were prevalent He suddenly came to an abrupt halt struck with the Lord s call to help these young people Forgoing a career as a schoolteacher Roosevelt founded the Albany Youth Center and Albany Baptist Church which he and Mary ran for the next forty five years As one youth center attendee stated The gangs in the area did not bother the kids who attended the youth center They respected the efforts of Reverend Matthews and his wife to make the life of those kids better With the violence and racism in our country today the work of Roosevelt and Mary is a big part of the solution This book documents the But God moments where the Lord provided their needs But God when Roosevelt went to buy a defunct factory as a place to put his youth center s outdoor basketball court the owner looked him in the face and said I d rather burn the factory down than sell it to an N word A few months later Dr King was assassinated and in the resulting riots the factory was burned to the ground The factory then became property of the City of Chicago and sold to Roosevelt for a much lower price But God teaching Interracial friendship by living in each other s homes Roosevelt established the Friendship Outreach program between white churches and Albany Baptist Church in 1972 White children came to live with Black families on Chicago s West Side and vice versa In 2018 one of the original exchange students from Minnesota returned to Albany Church with her own children continuing this wonderful long term friendship But God Mary got the smooth transition she prayed for after being diagnosed with ovarian cancer She never suffered from the ravages of the disease Looking as beautiful as ever she played piano in church just three days before she passed from her beloved Roosevelt s loving arms to God s kingdom But God as Roosevelt said The Lord directed such fine people to help us along the way One was Mother Vera Stephens who taught Roosevelt and Mary child evangelism Vera later felt the call to go to Liberia where she established the Bethesda Christian Mission School that is still inspiring the lives of many children today In 2011 Mother Stephens was posthumously

honored for her work by both the president and vice president of Liberia But God while Mary and Roosevelt were not able to have biological children many former pupils attributing much of their success to Mom and Dad still call send letters and emails Several have become Bible teachers and ministers themselves while others include a college president and a corporate executive

Breaking News Alan Rusbridger,2018-11-27 An urgent account of the revolution that has upended the news business written by one of the most accomplished journalists of our time Technology has radically altered the news landscape Once powerful newspapers have lost their clout or been purchased by owners with particular agendas Algorithms select which stories we see The Internet allows consequential revelations closely guarded secrets and dangerous misinformation to spread at the speed of a click In Breaking News Alan Rusbridger demonstrates how these decisive shifts have occurred and what they mean for the future of democracy In the twenty years he spent editing The Guardian Rusbridger managed the transformation of the progressive British daily into the most visited serious English language newspaper site in the world He oversaw an extraordinary run of world shaking scoops including the exposure of phone hacking by London tabloids the Wikileaks release of U S diplomatic cables and later the revelation of Edward Snowden s National Security Agency files At the same time Rusbridger helped The Guardian become a pioneer in Internet journalism stressing free access and robust interactions with readers Here Rusbridger vividly observes the media s transformation from close range while also offering a vital assessment of the risks and rewards of practicing journalism in a high impact high stress time
