Tenements, Towers & Trash Julia Wertz, 2017-10-03 An acclaimed cartoonist presents New York City as you've never seen it before with a side-splittingly funny illustrated history of the blocks, the buildings, the guts and the little-known charms and horrors of the greatest city in the world. In *Tenements, Towers, Trash*, Julia Wertz takes us behind, underneath, around, and into the New York that you think you know. Not the tourist's New York: the Statue of Liberty makes a brief appearance, and the Empire State Building not at all, but the underbelly of the city that never sleeps. With drawings and comics in her signature style, Wertz regales us with streetscapes, Then and Now, and little-known tales such as the lost history of Kim's Video, the complicated and unresolved business of Ray's Pizza, the vintage trash and horse bones that litter the shore of Brooklyn's Bottle Beach, the ludicrous pinball prohibition, Staten Island's secret abandoned boatyard, and the hair-raising legend of the infamous abortionist of Fifth Avenue. From bars, bakeries, and bookstores to food carts, street cleaners, and apartments, both cramped and grand, *Tenements, Towers, Trash* is a wild ride in a time-machine taxi from the present-day city to bygone days of yore. A New York Times Notable Book of the Year. Inside New York 2008 James R. Williams, 2008-05-27 Bookstores are filled with guides that tell you where to eat, where to shop, and what to see in New York, but can you really rely on their advice? In the interest of appealing to everyone, these guides recommend everything, regardless of whether the food, the stores, or the activities and events are actually worth your time and money. Written by actual New Yorkers who are committed to discovering the best the five boroughs have to offer, *Inside New York* provides a unique portal into our thrilling and occasionally daunting city. Compiled by a team of fearless students, the guide introduces the neighborhoods and nightlife that make New York truly unforgettable. *Inside New York*'s young writers aggressively search for new trends, the hippest nightclubs, and the best deals. They also visit perennial favorites, offering fresh perspectives on museums, monuments, and iconic landmarks. *Inside NY 2008* begins with an extensive city life section divided into such categories as public transportation, finding housing and jobs, eating out, locating the best hotels and hostels, classes and workshops, and LGBT events and resources. Then it breaks down the attractions, nightlife, restaurants, and shopping of seventeen Manhattan neighborhoods and four all-inclusive sections of the Bronx, Brooklyn, Queens, and Staten Island. Detailed color maps pinpoint each location. *Newcomer's Handbook for Moving to and Living in New York City* Jack Finnegan, 2007

Give a Girl a Knife Amy Thielen, 2017 Amy Thielen, author of the James Beard Award-winning cookbook *The New Midwestern Table*, traces her journey from Park Rapids, Minnesota, to cooking professionally under some of New York City's finest chefs, including David Bouley, Daniel Boulud, and Jean-Georges Vongerichten, and then back home again. A love of food and an overwhelming desire to get the hell out of small-town America drive Thielen to New York to seek out its intense culinary world, which she embraces enthusiastically while her boyfriend finds success in its fickle art world. After years of living in the city with frequent trips back home, in the summertime the couple eventually chooses life deep in the woods in a

cabin Thielen's husband built by hand There Aaron can practice his craft while Amy takes the skills she learned cooking professionally and turns them to undoing years of processed foods to uncover true Midwestern cooking which begins simply with humble workhorse ingredients such as potatoes and onions The New York Times Index ,2009 **Newcomer's Handbook for Moving to and Living in New York City** First Books, Inc.
