Craigslist Ny Personals W4w:

An Internet for the People Jessa Lingel, 2022-06-14 How craigslist champions openness democracy and other vanishing principles of the early web Begun by Craig Newmark as an e mail to some friends about cool events happening around San Francisco craigslist is now the leading classifieds service on the planet It is also a throwback to the early internet The website has barely seen an upgrade since it launched in 1996 There are no banner ads The company doesn't profit off your data An Internet for the People explores how people use craigslist to buy and sell find work and find love and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web Drawing on interviews with craigslist insiders and ordinary users Jessa Lingel looks at the site's history and values showing how it has mostly stayed the same while the web around it has become more commercial and far less open She examines craigslist's legal history describing the company's courtroom battles over issues of freedom of expression and data privacy and explains the importance of locality in the social relationships fostered by the site More than an online garage sale job board or dating site craigslist holds vital lessons for the rest of the web It is a website that values user privacy over profits ease of use over slick design and an ethos of the early web that might just hold the key to a more open transparent and democratic internet Database, 2002

Always a Bridesmaid (For Hire) Jen Glantz, 2017-02-07 In the tradition of Sloane Crosley Mindy Kaling and Katie Heaney a hilarious and insightful memoir about one New York City millennial's journey to find herself her dream career and true love all while juggling a truly unique job as the world's only professional bridesmaid After moving to New York City in her mid twenties to pursue her dream of writing and not living on the Upper East Side of her parents house anymore Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties What she got instead were a string of phone calls that began with Jen I have something exciting to tell you and ended with I'd be honored if you would be my bridesmaid At first she was delighted but it wasn't long before she realized two things all of her assets were tied up in bridesmaid dresses and she herself was no closer to finding The One She couldn't do much about the second thing though

her mother would beg to differ but she could about the first One slightly tipsy night Jen posted an ad on Craigslist advertising her services as a professional bridesmaid When she woke up the next morning it had gone viral What began as a half joke suddenly turned into a lifetime of adventure for Jen and more insight into the meaning of love than she was getting from OKCupid as she walked down the aisle at stranger after stranger s wedding Fresh funny and surprisingly sweet Always a Bridesmaid For Hire is an entertaining reminder that even if you don t have everything together you can still be a total boss or at the very least a BFF to another girl in need EBay the Smart Way Joseph T.
