Global Mission Handbook Steve Hoke, Bill Taylor, 2012-04-25 Veteran mission professionals Steve Hoke and Bill Taylor offer a practical guide for preparing for intercultural missions They provide resources for personal spiritual preparation as well as crosscultural skills and hands on missionary training Pastoral Leadership Is... Dave Earley, 2012 Dozens of brief yet powerful entries for pastors about what it really means to be on mission spiritual warriors who lead the local church from a biblical point of view instead of a modern traditional one Indigenous Leadership in Higher Education Robin Minthorn, Alicia Fedelina Chavez, 2014-12-17 This volume offers new perspectives from Indigenous leaders in academic affairs student affairs and central administration to improve colleges and universities in service to Indigenous students and professionals It discusses and illustrates ways that leadership norms values assumptions and behaviors can often find their origins in cultural identities and how such assumptions can affect the evolution of colleges and universities in serving Indigenous Peoples It contributes to leadership development and reflection among novice experienced and emerging leaders in higher education and provides key recommendations for transforming higher education This book introduces readers to relationships between Indigenous identities and leadership in diverse educational environments and institutions and will benefit policy makers in education student affairs professionals scholars faculty and students Building Transformational Kindness in Schools Hope E. Wilson, 2022-12-30 Being kind in education is about much more than being nice This unique book shows how transformational kindness needs to be an explicit essential part of classroom and school culture in order to improve student success Author Hope E Wilson offers practical steps for creating a culture of transformational kindness through your approach to classroom management relationships assessment and the content areas She also demonstrates how to build kindness toward colleagues parents and families and what to do in situations where supervisors are not so supportive Finally she describes how you can show more kindness toward yourself including by giving grace Throughout this book you'll find vignettes about the educators who have influenced their own communities through transformational kindness You'll come away feeling inspired and encouraged to imagine a world in which schools are places where kindness and humanity are felt by all **Forthcoming Books** Rose Arny, 2004 **Starting Lean from Scratch** Brent Donald Timmerman, 2019-05-15

What if the problem is you For organizations just preparing to begin a continuous improvement CI journey the behaviors of the leadership must transform dramatically for the Lean toolkit to succeed Many organizations invest in training colleagues about the power of the tools but fail to address the behavior and mindset of the leadership Unfortunately misaligned leadership behaviors will counteract any culture change that is attempted simply by pushing the use of Lean tools This book outlines a comprehensive set of leadership principles that must be understood and modelled by the leadership before the CI Journey can effectively begin This book organizes these leadership principles into a framework of a conceptual model called the Three Spaces of Lean Transformation The model suggests that these spaces of Trust Change and Continuous Improvement must be consciously shaped developed and maintained by the organizational leadership if a continuous improvement culture change succeeds This book organizes a set of leadership principles that supports the culture change into each of these three spaces The book is written in the first person narrative and maintains a mentoring format This book is for professionals at the very beginning of an intimidating Lean journey and with very little background or formal Lean training Although these leadership principles are framed in the approach of being necessary to support an innovation culture change the principles are in fact those necessary to support effective employee engagement In addition this set of leadership principles if modeled consistently by the leaders will create an organizational culture that will attract and retain great employees These principles form the strong leadership foundation that must be established in organizations where previously many of the leadership behaviors were contrary to what is required by a Lean organization The proper adoption of these leadership principles by an organization will support the long term success of the Lean journey and that this will enable a lasting not a temporary change to a continuous improvement culture

King Jesus and the Beauty of Obedience-Based Discipleship David Young, 2020-07-28 What does it mean to be a disciple The call of discipleship is more than programs and Bible study In King Jesus and the Beauty of Obedience Based Discipleship David Young presents a bold call for obedience based discipleship and argues that it alone is the proper response to the kingship of Jesus Many have wrongly associated obedience with bad theology believing that Jesus demand for obedience is a form of works righteousness or legalism Others simply don t like obedience and resist the demands Jesus makes in calling us to follow him But if we surrender to the kingship of Jesus we will find the life we were designed to live We are accustomed to calling Jesus Savior And we should But until recently many in the Western church have not learned to call Jesus King The kingship of Jesus has implications for how we live We can either rebel against him raising puppet kings and constructing our own kingdoms or we can submit to him in obedience based discipleship Could it be that you are still sitting on the throne of your life treating King Jesus as a mere advisor What would change in your life if you started treating Jesus as nothing short of your King Young unpacks five principles for those who wish to follow Jesus as King Surrender to the authority of King Jesus Embrace the mission of King Jesus Live immersed in King Jesus Obey the teachings of King Jesus Behold the presence of King Jesus Following these five steps awakens us to a life truly worth living a life of power peace beauty and love This is eternal life that we would know and follow Jesus as King of the Universe and king over our lives After all you don t merely believe in kings You obey them
