**Management: An Interdisciplinary Perspective** Sajjad M Jasimuddin, 2012-01-27 This book analyzes dynamic relationships among the disciplines that have contributed to the development of knowledge management It focuses on establishing relationships between knowledge management and other disciplines such as information management organizational learning innovation management and strategic management It debates the origin and development of knowledge management thus providing a clear and conceptual understanding of the field This in turn will help readers adopt better approaches to solve knowledge management problems      *Proceedings of the International Conference Theory and Applications in the Knowledge Economy TAKE 2019* Florian Kragulj, 2019-07-10 Foreword Ten years is a long time In 2009 a bunch of friends gathered in Portugal for a conference that was to precede TAKE In 2011 we repeated Then after a strange sequence of events we finally organized TAKE for the first time in 2015 in Aveiro followed by Zagreb Poznan and now Vienna Florian Kragulj was in the first TAKE in Aveiro and from the start showed the highest level of enthusiasm and professionalism in the event These characteristics were kept alive during all the 15 or so months during which we organized TAKE 2019 That this edition of TAKE involves several entities linked with academia i e WU Vienna University of Economics and Business the Austrian Economic Chamber and the Institute for Applied Research on Skilled Crafts and Trades IAGF This in itself a big success and a sign of the Conference improvement Also we may see by analysing the papers and in particular the streams that TAKE has been following the economic times and this year we have several papers on the Gig Economy Only good conferences adjust the others get stuck in time And success in Conferences is about teams And in TAKE that team is indeed a very large group of people including the co chairs the local organizing team the material organizers Book of Abstracts and Proceedings the stream leaders and the paper reviewers without all these persons nothing could have been done And finally we had to depend on the authors and their willingness to work with us Without the work of these large dozens of devoted and skilled people TAKE 2019 would not have existed May I also mention that this time and with Florian s impulse and skill the organization of TAKE was improved in technological terms in short we became techno we used a website to deliver the mail list a website to receive the scientific material and another website to receive the fees All these were investments that eventually paid off and that will guarantee a more stable organization for TAKE in the future And we owe it to Florian However as the Human Resource Development part of TAKE and more than anyone Gary Mc Lean would remind us We are humans Eduardo and technology helps but in the end is attention to detail capacity to deal with the bizarre and to accommodate the weirdness making sometimes the impossible possible that differentiates a good conference made doing things right from an excellent conference based in doing the right things And on this last matter believe me we in TAKE are among the best in the world because apart from being outstanding scholars and good colleagues we are an amazing group of

friends and friendship is the best way to turn good conferences into outstanding ones Many thanks from the heart and enjoy the Conference Eduardo Tom Conference Chair Universidad Europea Lisbon July 2019 Lisbon Portugal *Knowledge Management in Organizations* Lorna Uden,Marjan Heričko,I-Hsien Ting,2015-08-03 This book contains the refereed proceedings of the 10th International Conference on Knowledge Management in Organizations KMO 2015 held in Maribor Slovenia in August 2015 The theme of the conference was Knowledge Management and Internet of Things The KMO conference brings together researchers and developers from industry and academia to discuss how knowledge management using big data can improve innovation and competitiveness The 59 contributions accepted for KMO 2015 were selected from 163 submissions and are organized in topical sections on knowledge management processes successful knowledge sharing and knowledge management practices innovations for competitiveness knowledge management platforms and tools social networks and mining techniques knowledge management and the Internet of Things knowledge management in health care and knowledge management in education and research **Healthcare Knowledge Management Primer** Nilmini Wickramasinghe,Rajeev K.
