Perspectives on Prayer and Spirituality Maurice Elliott, Patrick McGlinchey, 2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one It acknowledges that there must be more to life than what secular media or consumerism might tell us The joyful message of Perspectives on Prayer and Spirituality is that the spiritual quest is a valid one and worth exploring There is treasure to be found However the surprise is that we must rediscover what we have left behind In the words of G K Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title Perspectives on Prayer and Spirituality alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known **Hungry Souls, Holy Companions** Patricia Hendricks, 2006 Based on interviews with youth and youth ministers this book allows young people to articulate their struggles beliefs and fears and helps older people to better understand their spiritual needs It provides useful ideas on how to companion youth in a variety of settings **Talking in the Dark** Steve Harper, 2007-07-01 Have you ever stopped praying When life seems unfair and prayer doesn t seem to make any difference you may quit praying Most people who admit that they stopped praying for a while including the author say they felt as if they were suffocating after a period without prayer Sometimes I think God has called me to speak write and teach about prayer so I won t give up on it altogether writes Harper After more than forty years of praying I still don t understand prayer Prayer does not come easily for me In the pages of this book Harper continues I will ask you to roll up your sleeves and confront your problems with prayer and then keep praying Sometimes you will feel as though you are talking in the dark But the fact is sound travels in both darkness and light If you re frustrated in your prayer life and wonder whether prayer is worth the effort this book is for you Nothing daunts Harper in this wrangle with God No doubt experience or unholy feeling is out of bounds as he considers life and prayer s dark patches No matter how lost or lonely you feel he offers assurance During days when you feel the number one problem with prayer is an unresponsive God you ll have the strength to dig deeper and surrender to the mysterious sustenance God offers As you read Harper s brutally honest stories and follow his advice on how to cultivate a prayer life you ll discover the kind of prayer that makes you want to continue even though everything in you wants to quit **Emotionally Healthy**
