Creating Characters with Personality Tom Bancroft, 2016-02-16 From Snow White to Shrek from Fred Flintstone to SpongeBob SquarePants the design of a character conveys personality before a single word of dialogue is spoken Designing Characters with Personality shows artists how to create a distinctive character then place that character in context within a script establish hierarchy and maximize the impact of pose and expression Practical exercises help readers put everything together to make their new characters sparkle Lessons from the author who designed the dragon Mushu voiced by Eddie Murphy in Disney's Mulan plus big name experts in film TV video games and graphic novels make a complex subject accessible to every artist

Creating Characters Dwight V. Swain, 2012-11-28 A jargon free manual on the basics of developing interesting fictional characters Vibrant believable characters help drive a fictional story Along with a clever plot well drawn characters make us want to continue reading a novel or finish watching a movie In Creating Characters Dwight V Swain shows how writers can invent interesting characters and improve them so that they move a story along The core of character he says in chapter 1 lies in each individual story person's ability to care about something to feel implicitly or explicitly that something is important Building on that foundation the capacity to care Swain takes the would be writer step by step through the fundamentals of finding and developing characters who turn you on This basic but thought provoking how to is a valuable tool for both the novice and the seasoned writer

Creating Characters Howard Lauther, 2011-01-14 A frequent problem area for fiction writers is characterization If writers jump headlong into a story with only a fuzzy notion about the people who are in it the result is a collection of characters who are cliched stereotypical and not very interesting Creating Characters is an easy to use reference work that looks at character development from many different angles The book does not tell writers how to write Instead it generates a thought process by asking crucial questions about characters internal and external traits wants needs likes dislikes fears beliefs strengths weaknesses habits and backgrounds Following these questions the writer will find an ever deeper and wider array of options Thus Creating Characters helps writers delve as deeply into a character's psychology as they want All characters and the stories they people can be made richer and more compelling
