**The Dialectics of Mission** Elmer A. Guzman, 2023-09-15 Drawing on the resources of contemporary systematic theologians Kevin Vanhoozer and Veli Matti K rkk inen Elmer A Guzman explores the generative dimension of mission for the formation of doctrine for a church that needs to witness in a pluralistic world Guzman argues that understanding doctrinal formation and development depends on the missional dimension of doctrinal hermeneutics In other words these theological concepts and practices are justified based on the negotiation between theological sources identity markers and the context s diversity markers This book shows how perspectives arising from the structural elements in theological methodology shed fresh light on missional theology and the interconnections between the doctrinal loci in theology Original Sin and the Fall J. B. Stump, Chad Meister, 2020-06-30 Throughout the church s history Christians have disagreed over many particular questions surrounding humanity s fall In this Spectrum Multiview book contributors present five views on these questions Augustinian Reformed Moderate Reformed Wesleyan Eastern Orthodox and a Reconceived view offering both an articulation of their own view and responses to the others *Honor, Shame, and the Gospel* Christopher Flanders, Werner Mischke, 2020-10-27 An Honorific Gospel Biblically Faithful Culturally Relevant Christians engaged in communicating the gospel navigate a challenging tension faithfulness to God s ancient revealed Word and relevance to the local current social context What if there was a lens or paradigm offering both Understanding the Bible particularly the gospel through the ancient cultural language of honor shame offers believers this double blessing In Honor Shame and the Gospel over a dozen practitioners and scholars from diverse contexts and fields add to the ongoing conversation around the theological and missiological implications of an honorific gospel Eight illuminating case studies explore ways to make disciples in a diversity of social contexts for example East Asian rural Middle Eastern refugee African tribal and Western secular urban Honor Shame and the Gospel provides valuable resources to impact the ministry efforts of the church locally and globally Linked with its ancient honor shame cultural roots the gospel paradoxically is ever new offering fresh wisdom to Christian leaders and optimism to the church for our quest to expand Christ s kingdom and serve the worldwide mission of God **James** Joel B. Green, 2025-03-04 In this new authoritative volume of the New Testament Library series Joel B Green presents the writer of James as a sort of practical theologian directly addressing the lived experiences of Jewish Christ followers beset by Roman social conventions and sensibilities contrary to the divine command to love God and love neighbor The book of James is nothing if not pragmatic Its core arguments rest on urging its audience to take concrete action to develop faithful life patterns in a world that is often set against those who seek to follow Jesus Christ as Lord Joel B Green shows how the practical wisdom of James can continue to speak prophetically to a range of issues that plague our contemporary experience

the entrenched and growing gap between the wealthy and impoverished foremost among them But readers who might be tempted to formulate a simple to do list from James s precepts are encouraged instead to enter into the world of the text as fully and as humanly as possible by asking questions like How would the letter s first audience and then how might we hear and internalize the writer s words about perfection moral purity humans made in God s likeness and prayer for the sick and disabled How might their lives and then how might ours be shaped by James s central concern with the double love of love of God and love of neighbor James A Commentary examines the Letter of James from a variety of angles its social and cultural contexts its relationship to Israel s Scriptures and to the teaching of Jesus the development of its message and its significance theologically As with other volumes in the New Testament Library series this commentary strives to come to terms with the literary and historical aspects of James its arguments its appeals its perspectives its interpretation of Jesus message and Israel s Scriptures its grasp of contemporary Jewish and Greco Roman thought But it most deeply aims to show how James points readers toward envisaging the world as God does and acting accordingly personally and communally The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament providing fresh translations based on the best available ancient manuscripts critical portrayals of the historical world in which the books were created careful attention to their literary design and a theologically perceptive exposition of the biblical text The contributors are scholars of international standing The editorial board consists of John T Carroll Union Presbyterian Seminary Susan E Hulen Candler School of Theology Emory University and Emerson B Powery Messiah University

The Scandal of Pentecost Wolfgang Vondey, 2023-10-19 Through a systematic analysis of the conflicts emerging when the public church encounters the public world The Scandal of Pentecost argues that the public advent of the church stands in continuity with the public scandal of the incarnate and crucified Christ The book traces the contours of this scandal in the confrontation of the dominant ruling hermeneutic of authority with a Christian hermeneutic of resistance This highlights the brokenness of the human condition manifested by the church in the drunkenness of the disciples the speaking in other tongues the baptism with the Spirit the empowerment of the flesh and its public witness to a scandalized world The effects of the scandal transform both the disciples individual and communal witness and their public recognition as the church Through the lens of a symbolic hermeneutic the public witness of the church at Pentecost reveals a Christian scandal of anthropological proportions with the outpouring of the Spirit on all flesh the church emerges as the symbol of humanity
