

WAR AND CONFLICT IN THE MODERN WORLD

DEMOBILIZING IRREGULAR FORCES

ERIC Y. SHIBUYA

Demobilizing Irregular Forces

Rosina Ehmann

Demobilizing Irregular Forces:

Demobilizing Irregular Forces Eric Y. Shibuya, 2013-04-18 From Afghanistan and Sierra Leone to East Timor the aftermath of any armed conflict presents a complex set of challenges Whatever political agreements may have been reached conflicts are often at risk of reigniting and the fates of their former participants remain uncertain Armed groups may not be easily dissuaded from pursuing belligerent activities which they see as both profitable and understandable behaviour In the face of these difficulties the process of disarmament demobilization and reintegration DDR attempts to convince combatants to relinquish their weapons and return to civilian life It is a crucial first step towards lasting peace Demobilizing Militias is the first comprehensive introduction to DDR in the contemporary world Examining regions as varied as Africa Asia and Central America it guides readers through the different stages of the DDR process as well as assessing competing perspectives surrounding its implementation Attentive to the problems faced by practitioners Eric Shibuya argues against a one size fits all approach emphasizing the importance of social and psychological contexts in fostering the trust that is necessary for DDR to succeed Accessible and incisive it will be an ideal resource for students of politics security and conflict studies as well as anyone interested in the dynamics of peacebuilding today **From Ethnic Conflict to Stillborn Reform**

Shale Asher Horowitz, 2005 Author Shale Horowitz employs both statistical evidence and historical case studies of the eight new nations to determine that ethnic conflict entangles distracts and destabilizes reformist democratic governments while making it easier for authoritarian leaders to seize and consolidate power As expected economic backwardness worsens these tendencies but Horowitz finds that powerful reform minded nationalist ideologies can function as antidotes The comprehensiveness of the treatment use of both qualitative and quantitative analysis and focus on standard concepts from comparative politics make this book an excellent tool for classroom use as well as a ground breaking analysis for scholars **BOOK JACKET** Facets and Practices of State-Building Julia Raue, Patrick Sutter, 2009-03-25 Drawing on a mix of international academic and field expert work this book presents and analyses contemporary state building efforts It offers studies on the theoretical and practical foundations and causes of state building identifies the role and responsibilities of key actors and points to vital issues which merit specific attention in state building undertakings The book offers lessons for the future of state building relevant to both practitioners and the academic community Preventing Deadly Conflict I. William Zartman, 2015-12-22 Conflict is inherent to all human and inter state relations but it is not inevitable Since the end of the Cold War the prevention of conflict escalation into violence through management and resolution has become a fundamental objective of the international system So how does prevention work when it works and what can be done when tried and tested practices fail In this book I William Zartman offers a clear and authoritative guide to the key challenges of conflict prevention and the norms processes and methods used to dampen and diffuse inter and intra state conflict in the contemporary world Early stage techniques including awareness de escalation stalemate ripening and resolution are

explored in full alongside the late or crisis stage techniques of interruption separation and integration Prevention he argues is a battle that is never won there is always more work to be done The search for prevention necessary but still imperfect continues into new imperatives new mechanisms new agents and new knowledge which this book helps discover and apply

Humanitarian Intervention Thomas G. Weiss, 2016-05-17 A singular development in the post Cold War era is the use of military force to protect human beings From Rwanda to Kosovo Sierra Leone to East Timor and Libya to Cote d'Ivoire soldiers have rescued civilians in some of the world's most notorious war zones But what about Syria Why have we observed the Syrian slaughter and done nothing Is humanitarian intervention in crisis Is the so called responsibility to protect dead or alive In this fully revised and expanded third edition of his highly accessible and popular text Thomas Weiss explores these compelling questions Drawing on a wide range of case studies and providing a persuasive overview of the theory and practice of humanitarian intervention in the modern world he examines its political ethical legal strategic economic and operational dimensions to highlight key debates and controversies Neither celebratory nor complacent his analysis is an engaging exploration of the current quandaries and future challenges for robust international humanitarian action in the twenty first century

Demobilisation and Reintegration in Colombia Francy Carranza-Franco, 2019-02-04 This book investigates demobilisation disarmament and reintegration DDR in Colombia during the twentieth and twenty first centuries The six large peace processes and amnesties that took place in Colombia over this period were nation led providing an interesting case study for the wider DDR literature which has historically focused on Africa and Asia The continuous process of creating and demobilising illegal armed groups has been pivotal in building the Colombian state Although the peace settlements and amnesties have brought renewed cycles of violence they have also been key to the negotiation of democracy and citizenship rights for both ex combatants and wider sectors of the population Here the author analyses the role of DDR programmes in building state and citizenship Comparing DDR during Alvaro Uribe's presidency and the peace process with the FARC guerrilla under the presidency of Juan Manuel Santos the book draws on extensive fieldwork conducted with local authorities officers on the ground and ex combatants themselves It details the process of creating and implementing DDR policy and explores the difficulties challenges and security dilemmas ex combatants may face in integrating within a post conflict society in social economic and political dimensions Bringing us right up to date with the implementation of the FARC's peace process and the challenges ahead in the reintegration of ex combatants under a new president this book will be of interest to scholars and researchers of politics and development in Colombia and to those with an interest in peace building state building and DDR in other countries and conflicts

Research Handbook on International Law and Terrorism Ben Saul, 2020-04-24 This newly revised and updated second edition provides a comprehensive overview of international counter terrorism law and practice Brand new and revised chapters provide critical commentary on the law from leading scholars and practitioners in the field including new topics for this edition such as foreign terrorist fighters the nexus between organized crime and

terrorism and the prevention of violent extremism Keeping the Peace Nigel D. White, 1997 This new edition considers the unifying legal attributes that span vastly differing inter governmental organisations from the UN to the EU A law of international organisations has become established in certain areas such as legal personality powers membership finance and decision making In other newer areas accountability responsibility and democracy politics is still much rawer and has not yet been fully converted into legal concepts and principles As with the first edition there are plenty of examples of organisations given in the text Individual organisations dealing with issues such as security health civil aviation finance and trade are scrutinised by way of example to illustrate how different they can be but also to show how it is possible to debate a set of legal principles that transcend each institution This new edition of an established text will appeal to students and academics as well as individuals seeking a legal and political insight into international organisations War and Peace in Mozambique Stephen Chan, 2016-07-27 The book traces the end of hostilities and the often acrimonious sometimes naive but always laboured negotiations towards peace and elections in Mozambique There is careful examination of the many international factors involved from the covert intervention of South Africa the reaction of one African state the role of the United Nations and that of humanitarian and religious groups The lessons for conflict resolution and peacekeeping for Africa and beyond are discussed **Recovery from Armed Conflict in Developing Countries** Geoff Harris, 2002-02-07 This comprehensive work examines ways in which developing countries may achieve economic political and social reconstruction in the wake of armed conflict International researchers discuss such issues as women and children in the recovery process refugees and the role of aid the reintegration of ex combatants and community led recovery Case studies focus upon Afghanistan Angola Cambodia Mozambique South Africa and Sri Lanka *Regional Maintenance of Peace and Security under International Law* Dace Winther, 2013-10-30 This book explores the scope and limits of what is appropriate for regional action in the maintenance of peace and security It offers a comparative study of legal regulation of the use of force in the maintenance of peace and security of different security regions in the context of the UN system and general international law The book examines the post Cold War legal documents and practice of the regional organizations of six security regions of the world Africa Asia the Americas the Middle East the Russian sphere of influence and the Euro Atlantic region and in doing so offers a unique international and comparative perspective towards regional characteristics that may influence the possibility for coherent action in a UN context Dace Winther explores the controversial topics of regional humanitarian intervention and robust regional peacekeeping without a UN mandate what is regarded as appropriate for regional action in different security regions of the world and if the approaches of the regions differ what factors could have an influence The book is highly relevant in a global climate where regional mechanisms take an ever more active part in the maintenance of international peace and security including the use of force The book will be of great interest to students and academics of International Law International Relations and Security Studies **The Singapore Symposium: The Changing Role of**

the United Nations in Conflict Resolution and Peace-Keeping ,1991 Conference themes the UN and conflict resolution evolving role of UN peace keeping operations UN operations in Namibia Central America and Cambodia and the contribution of regional arrangements **Department of Defense Authorization for Appropriations for Fiscal Year 2006** United States. Congress. Senate. Committee on Armed Services,2006 The United Nations and peacekeeping, 1988-95 Chen Kertcher,2016-06-17 Using more than 600 UN documents that analyse the discussions in the UN Security Council General Assembly and Secretariat The United Nations and peacekeeping 1988 95 presents innovative explanations on how after the Cold War UN peacekeeping operations became the dominant response to conflicts around the globe This study offers a vivid description of these changes through the analysis of the evolution in the concept and practice of United Nations peacekeeping operations from 1988 to 1995 The research is anchored primarily in United Nations documents which were produced following the diplomatic discussions that took place in the General Assembly the Security Council and the UN Secretariat on the subject of peacekeeping in general and in the cases of Cambodia Former Yugoslavia and Somalia in particular These large and complex operations were the testing ground for the new roles of peacekeeping in democratisation humanitarian aid resettlement of refugees demobilisation of armed forces economic development and advancement of good government Peacemaking in International Conflict I. William Zartman,2007 This updated and expanded edition of the highly popular volume originally published in 1997 describes the tools and skills of peacemaking that are currently available and critically assesses their usefulness and limitations *New Dimensions of Peacekeeping* Daniel Warner,2023-07-24 This work brings together the papers presented at a conference on New Dimensions of Peacekeeping which was convened at the Graduate Institute of International Studies in Geneva in March 1994 The papers address the new role of peacekeeping including peacekeeping and peace enforcement which is now emerging and also places an emphasis upon the role of the newcomers in peacekeeping specifically Japan and Germany The collection of papers by many distinguished scholars in the field actively discusses both the strengths and weaknesses of the United Nations peacekeeping efforts in meeting the increasing demands placed upon it due to the enormous upsurge in ethnic religious and other local conflicts The 1990s have seen wide swings in public opinion towards United Nations Peacekeeping The euphoria and high expectations regarding what the United Nations can deliver have been replaced by the rude shocks and deflated assessments of its capacity to successfully cope with conflicts In this context it would be highly desirable that a judicious balance be struck in the evaluation of United Nations peacekeeping activities which takes fully into account the great potential they have for contributing to international peace and security and to the reduction of human suffering At the same time such a review should include a candid discussion regarding the weaknesses and shortcomings of peacekeeping activities Excerpt from the Introduction by Yasushi Akashi Chief of Mission of the United Nations Protection Force UNPROFOR in the former Yugoslavia

The Nirex Collection: Research guide and historical profile ,1993 *The International Criminal Court and the*

Lord's Resistance Army Joseph Otieno Wasonga, 2019-06-12 This book interrogates the sharp contrast that emerged between demands of the norms of international rule of law and the interests of conflict resolution at a local level in northern Uganda Examining how the nature and character of complex conflict situations like that of northern Uganda confounds the application of transitional justice mechanisms The International Criminal Court and the Lord s Resistance Army reveals the enduring dilemmas of transitional justice Scrutinising the competing interests of punitive approaches to contemporary transitional justice and the political considerations for peace that may entail entering into dialogue with criminals this book approaches such concepts from the perspective of international standards and the standpoint of the victims While exploring the complexities of transitional justice processes the book interrogates prevailing assumptions proposing a broader conception that places at the centre local structural conditions associated with a conflict The International Criminal Court and the Lord s Resistance Army will be of interest to scholars and students of international law African politics and conflict studies

Reform and Reconstruction of the Security Sector Alan Bryden, Heiner Hänggi, 2004 Security sector reform SSR is widely recognised as key to conflict prevention peace building sustainable development and democratisation SSR has gained most practical relevance in the context of post conflict reconstruction of so called failed states and states emerging from violent internal or inter state conflict As this volume shows almost all states need to reform their security sectors to a greater or lesser extent according to the specific security political and socio economic contexts as well as in response to the new security challenges resulting from globalisation and post 9 11 developments Contributions from academics and practitioners elaborate on both the conceptual underpinnings and the practical realities of security sector reform and a crucial aspect of post conflict peace building security sector reconstruction

Chronology and Fact Book of the United Nations, 1941-1991 Kumiko Matsuura, Joachim W. Müller, Karl P. Sauvant, 1992

If you ally habit such a referred **Demobilizing Irregular Forces** ebook that will manage to pay for you worth, get the definitely best seller from us currently from several preferred authors. Demobilizing Irregular Forces Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Demobilizing Irregular Forces PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Demobilizing Irregular Forces PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Demobilizing Irregular Forces free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Demobilizing Irregular Forces Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Demobilizing Irregular Forces is one of the best book in our library for free trial. We provide copy of Demobilizing Irregular Forces in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Demobilizing Irregular Forces. Where to download Demobilizing Irregular Forces online for free? Are you looking for Demobilizing Irregular Forces PDF? This is definitely going to save you time and cash in something you should think about.
