# Democracy In Decline A Journal Of Democracy

**Andrea Cassani, Luca Tomini**

## **Democracy In Decline A Journal Of Democracy :**

**Democracy in Decline?** Larry Diamond, Marc F. Plattner, 2015-10 Is Democracy in Decline is a short book that takes up the fascinating question on whether this once revolutionary form of government the bedrock of Western liberalism is fast disappearing Has the growth of corporate capitalism mass economic inequality and endemic corruption reversed the spread of democracy worldwide In this incisive collection leading thinkers address this disturbing and critically important issue Published as part of the National Endowment for Democracy s 25th anniversary and drawn from articles forthcoming in the Journal of Democracy this collection includes seven essays from a stellar group of democracy scholars Francis Fukuyama Robert Kagan Thomas Carothers Marc Plattner Larry Diamond Philippe Schmitter Steven Levitsky Ivan Krastev and Lucan Way Written in a thought provoking style from seven different perspectives this book provides an eye opening look at how the very foundation of Western political culture may be imperiled *The End of Democracy?* Douglas E. Schoen, 2020-10-06

**WARNING IMMEDIATE GLOBAL THREAT TO ALL DEMOCRATIC NATIONS BY THE CHINA RUSSIA AXIS** America s future has never seemed more uncertain Our politics are dysfunctional our cultural cohesion is a thing of the past our institutions have lost legitimacy and our identity as Americans seems increasingly subordinate to tribal or ideological identities Overhanging all these issues is a loss of confidence in democracy itself both in America and around the world and the concomitant rise of authoritarianism as a viable model of governance in the eyes of millions At the center of this story are two nations Russia and China that together stand as a profound challenge to the American and Western future and to the future of democracy and human rights around the globe As America unravels China and Russia have taken every opportunity to expand their opportunities and consolidate their gains If the United States is to prevail in this struggle our efforts must begin with a better understanding of our determined adversaries in Beijing and Moscow and of how their successes have emboldened the cause of authoritarianism around the world to the detriment of free societies and free people **HIGH PRAISE FOR DOUGLAS E SCHOEN** Collapse A remarkably comprehensive analysis of the challenges internal and external that we face today Schoen is able to write intelligently about domestic and international issues alike weaving them into one worrisome picture of the world Well worth reading Fareed Zakaria CNN host and author of *The Post American World* Putin s Master Plan Peace and security are deteriorating across Europe not only because of the heightened terrorist threat but also because of a toxic mix of Russian belligerence and NATO weakness In this timely analysis Douglas Schoen argues convincingly that American leadership remains key to peace in Europe as it has for over seventy years John Bolton Former National Security Advisor and bestselling author of *The Room Where It Happened* America in the Age of Trump a terrific read engaging and richly sourced a provocative take on big controversial issues and on political leaders especially powerful regarding the loss of trust in institutions it will challenge you to think critically about your own views and justify your idea of the American future Bob Shrum Democratic strategist and the Carmen H and Louis Warschaw Chair in Practical Politics at

the University of Southern California      *When Democracies Collapse* Luca Tomini, 2017-10-24 While the process of democratization is nowadays an established scholarship the reverse process of de democratization has generated less attention even when the regression or even breakdown of democracy occurred on a regular basis over past decades This book investigates both the different combination of explanatory factors triggering the transition from democratic rule as well as the role of the actors involved in the process It aims to integrate different levels of analysis and explanatory factors through a comparative analysis of the phenomenon since the beginning of the third wave of democratization As such it addresses the existing divide between the approaches focused on the conditions and those focused on the processes of change using a mixed method research design This text will be of key interest to scholars and students of comparative politics democracy democratization and de democratization political theory and comparative political institutions      **Flawed Democracy and Development** Stacey-Ann Wilson, 2024-01-16 Flawed Democracy and Development A Jamaica Case Study takes a critical look at the discourse on democracy and development in Jamaica and analyzes some of the core features and practices that have historically impeded economic growth created a political culture of mistrust of government and motivated political apathy among the electorate especially the youth The contributors in this book interrogate how flawed democracy is played out in the historical as well as the political and economic institutional set up of Jamaica The contributors also address how political participation is impacted by the heightened perception of public corruption the lack of accountability and transparency in government decision making and the way election campaigns are conducted by the two main political parties the Jamaica Labour Party JLP and the People s National Party PNP The book addresses not just the economic and political issues normally associated with flawed democracy discussions but also includes discussion on social and cultural issues including identity language and the cultural influence of geography The contributors agree that the challenges faced by Jamaica a small island developing state are not irreconcilable but they require an engaged electorate and a overhaul of the political system to move the country away from a flawed democracy tag      *Democracy Beyond Elections* Gergana Dimova, 2019-08-28 This book provides the analytical framework for understanding the relationship between media scandals executive accountability and the crisis of democracy The empirical findings are based on an original database of 6000 media allegations and investigations in Russia Germany and Bulgaria Observations gained from the case studies are then placed in relation to a systematic analysis and critique of more than 100 models of the transformation and crisis of democracy The book will be of particular interest to researchers focusing on democratic theory and political thought as well as those working empirically in the field of democratic systems      **How to Save a Constitutional Democracy** Tom Ginsburg, Aziz Z. Huq, 2018-10-05 Democracies are in danger Around the world a rising wave of populist leaders threatens to erode the core structures of democratic self rule In the United States the tenure of Donald Trump has seemed decisive turning point for many What kind of president intimidates jurors calls the news media the enemy of the American people and seeks foreign

assistance investigating domestic political rivals Whatever one thinks of President Trump many think the Constitution will safeguard us from lasting damage But is that assumption justified How to Save a Constitutional Democracy mounts an urgent argument that we can no longer afford to be complacent Drawing on a rich array of other countries experiences with democratic backsliding Tom Ginsburg and Aziz Z Huq show how constitutional rules can both hinder and hasten the decline of democratic institutions The checks and balances of the federal government a robust civil society and media and individual rights such as those enshrined in the First Amendment often fail as bulwarks against democratic decline The sobering reality for the United States Ginsburg and Huq contend is that the Constitution s design makes democratic erosion more not less likely Its structural rigidity has had unforeseen consequence leaving the presidency weakly regulated and empowering the Supreme Court conjure up doctrines that ultimately facilitate rather than inhibit rights violations Even the bright spots in the Constitution the First Amendment for example may have perverse consequences in the hands of a deft communicator who can degrade the public sphere by wielding hateful language banned in many other democracies We and the rest of the world can do better The authors conclude by laying out practical steps for how laws and constitutional design can play a more positive role in managing the risk of democratic decline      *Reconstructing Democracy and Citizenship Education* Beata Krzywosz-Rynkiewicz, Kerry J Kennedy, 2022-07-18 This book compares the current status of democracy in selected Eastern European countries The focus is on young people s attitudes towards and experiences of democracy including active political engagement In many of these countries democracy has been hard won and may well need to be defended again in the future The contributors collectively reflect on young adults exercising their civic rights and how they can influence the political system at both formal and informal levels The chapters present different issues that arise in unique contexts but overall reflect the changing status of democracy and its effects on young people s citizenship activity and education The volume compares perspectives of three groups of Eastern European countries with different traditions and past histories of democracy and citizenship Central European countries Poland Czech Hungary Baltic countries Lithuania Latvia and Estonia and post soviet republics Ukraine Moldova These countries differ in the status given to democracy citizenship action traditions and education At the same time many countries have experienced recent turbulence related to democracy and different kinds of actions by young people Comparing them leads to conclusions about omissions made in current citizenship education provision and what needs to be done for a better understanding of the needs of citizenship education in these difficult times This volume will be of interest to students and scholars in citizenship and civic education sociology political science and Eastern European Studies      **The Endangered West** John Higley, 2017-09-08 Bold political elites and unique forms of social order brought the West to world dominance but both are weakening dramatically in the contemporary period The Endangered West makes the case for the continuation of Western power on as wide a global basis as is prudent Is the survival of Western influence possible or must we resign ourselves to its eventually being subordinated to more ruthless

powers Hingley lays out the main policy lines that successful leadership will have to follow to preserve and strengthen Western societies These include avoiding futile involvements in the internal problems of non Western countries and preserving sufficient social order to permit public and private organizations to function The West will also have to find a way to regularize treatment of the growing number of those who lack employment invent new forms of useful work for Westerners to perform inhibit large in migrations and discourage population growth Above all the West must address the threat of environmental disaster There is no certain result in the struggle but such measures will help to prevent a slide into despotism or a lapse into barbarism Half the battle is to hold on to what the West has and if possible extend it Progress will be made if elites and opinion leaders address societies problems more competently If the West s prestige is restored world tensions may gradually subside making meeting global problems more possible

**The Global Rise of Autocracy** Barbara Wejnert, 2025-03-20 This book revitalizes the discourse on backsliding democracy and the global rise of autocracy extending the consequences of their changes to a sustainable future In three sections the book systematically examines diverse pathways leading autocracies to rise and spread worldwide and debates the future consequences Using a multidisciplinary approach the book conceptualizes the rise of autocracy and the backsliding of democracy by studying dictatorship authoritarianization processes autocracy s diffusion and populism It reveals the global spread of autocracy and reflects on the challenges this poses to and the likely impacts on a sustainable future This book is of key interest to scholars and students of autocracy autocratization democracy and democratization political sociology sustainability and more broadly to international relations and comparative politics

**Citizen Support for Democratic and Autocratic Regimes** Marlene Mauk, 2020-04-30 Citizen Support for Democratic and Autocratic Regimes takes a political culture perspective on the struggle between democracy and autocracy by examining how these regimes fare in the eyes of their citizens Taking a globally comparative approach it studies both the levels as well as the individual and system level sources of political support in democracies and autocracies worldwide The book develops an explanatory model of regime support which includes both individual and system level determinants and specifies not only the general causal mechanisms and pathways through which these determinants affect regime support but also spells out how these effects might vary between the two types of regimes It empirically tests its propositions using multi level structural equation modeling and a comprehensive dataset that combines recent public opinion data from six cross national survey projects with aggregate data from various sources for more than 100 democracies and autocracies It finds that both the levels and individual level sources of regime support are the same in democracies and autocracies but that the way in which system level context factors affect regime support differs between the two types of regimes The results enhance our understanding of what determines citizen support for fundamentally different regimes help assessing the present and future stability of democracies and autocracies and provide clear policy implications to those interested in strengthening support for democracy and or fostering democratic change in

autocracies Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit [www.ecprnet.eu](http://www.ecprnet.eu) The series is edited by Susan Scarrow Chair of the Department of Political Science University of Houston and Jonathan Slapin Professor Department of Political Science University of Zurich

**The Routledge Handbook of Autocratization** Aurel Croissant, Luca Tomini, 2024-05-14 The Routledge Handbook of Autocratization comprehensively and systematically explores the current understanding and uncharted research paths of autocratization With wide reaching regional coverage and expert analysis from Asia North and South America Europa the Middle East and North Africa this handbook reveals cross country and cross regional analysis and insights and presents in depth explanations and consequences of autocratization Arranged in five thematic parts chapters explore the basic aspects of conceptualization theorization and measurement of autocratization the role of various political and non political actors as perpetrators supporters bystanders or defenders of democracy against autocratization processes and the consequences across various policy fields Showcasing cutting edge research developments the handbook illustrates the deeply complex nature of the field examining important topics in need of renewed consideration at a time of growing concerns for democracy and the global spread of authoritarian challenges to democracy The Routledge Handbook of Autocratization will be a key reference for those interested in and studying authoritarianism democratization human rights governance democracy and more broadly comparative politics and regional area studies Chapter 2 and Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 International license chapter 2 and Creative Commons Attribution CC BY 4 0 International license Chapter 11 [Ghanaian Politics and Political Communication](#) , Samuel Gyasi Obeng, Emmanuel Debrah, 2019-08-23 Working from multidisciplinary and interdisciplinary perspectives especially from the social sciences media studies discourse analysis text grammar folklore performing arts and linguistics the authors of the volume investigate and illuminate pertinent issues on democratization elections and electioneering campaigns and the constitution of order in an African context The strategies through which political actors and the media speak about important policy issues such as healthcare infrastructure education and finance during presidential sessional addresses and political campaigning are also elucidated The extent of political ecologies impact on general elections on policy issues and on split ticket voting especially what causes it to happen and its impact on who gets elected and the consequent impact on party unity or disintegration are also given scholarly attention Also elucidated are is the entwining of language power liberty ideology and representation and issues deemed politically nerve wrecking and capable of entrapping political actors and causing the citizenry to either lose confidence in them or even call for their resignation *Public Policy and Research in Africa* E. Remi Aiyede, Beatrice Muganda, 2022-10-18

This open access book responds to the need for a specifically African focus on public policy. It outlines the fundamental principles of public policy research and engages with major issues in the study of public policy from an African perspective covering essential topics such as the location and centrality of social sciences in relation to public policy leadership methodology institutions governance and gender. This book is essential for understanding the various aspects and dimensions of policy making in Africa that underscore quality research and are at the core of excellence in teaching and learning.

**Democratic Decay and Authoritarian Resurgence** Natasha Lindstaedt, 2021-05-28 Why do democracies fall apart and what can be done about it? This book introduces students to the concept and causes of democratic decay in the modern world. Illustrating the integral link between public commitment to democratic norms and the maintenance of healthy democracies, it examines the key factors in decaying democracies including Economic inequality Corruption Populist and authoritarian discourse Declining belief in political institutions and processes. Drawing on real world developments and including international case studies, the book outlines the extent to which there is a democratic recession in contemporary politics and shows how transnational networks and technology are impacting on this development.

**Understanding Comparative Politics** Lisa A. Baglione, 2024-02-22 Understanding Comparative Politics links comparative politics to identity helping students make personal connections and actively learn and explore through maps data theory and reflection questions. Issues of race gender ethnicity and religion are put into context encouraging critical thinking about world regions and individual countries through the lens of current events.

**Police Abuse in Contemporary Democracies** Michelle D. Bonner, Guillermina Seri, Mary Rose Kubal, Michael Kempa, 2018-03-28 This volume offers a much needed analysis of police abuse and its implications for our understanding of democracy. Sometimes referred to as police violence or police repression, police abuse occurs in all democracies. It is not an exception or a stage of democratization. It is this volume that argues a structural and conceptual dimension of extant democracies. The book draws our attention to how including the study of policing into our analyses strengthens our understanding of democracy including the persistence of hybrid democracy and the decline of democracy. To this end, the book examines three key dimensions of democracy: citizenship accountability and socioeconomic inequality. Drawing from political theory comparative politics and political economy, the book explores cases from France the US India Argentina Chile South Africa Brazil and Canada and reveals how integrating police abuse can contribute to a more robust study of democracy and government in general.

**Taiwan and the Cause of Democratization in China** Jie Chen, 2024-10-03 In a time when the political developments in China have major implications for the stability of the existing international order, this topical book revisits an enduring topic pertaining to Taiwan's influence over China's future. Based on extensive fieldwork, this book gives a holistic account of Taiwan's mixed and overall declining agency in supporting the causes of democracy and human rights across mainland China and Hong Kong.

**Autocratization in post-Cold War Political Regimes** Andrea Cassani, Luca Tomini, 2018-12-14 This book deals with post Cold War processes of

autocratization that is regime change towards autocracy While these processes are growing in number and frequency autocratization remains a relatively understudied phenomenon especially its most recent manifestations In this volume the authors offer one of the first cross regional comparative analyses of the recent processes of regime change towards autocracy Building on an original conceptual framework the two authors engage in the empirical investigation of the spreading of this political syndrome of the main forms that it takes and of the modes through which it unfolds in countries ruled by different political regimes with different histories and belonging to different regional contexts The research is conducted through a mix of research techniques that include descriptive statistical analysis Qualitative Comparative Analysis and case study This book will be of interest to a heterogeneous readership that encompasses the broader community of scholars analysts observers journalists and practitioners interested in political development and regime change in different geographical areas

The Nonprofit Sector Walter W Powell, Patricia Bromley, 2023-05-25 Timely unique and definitive not only chronicles the history of the nonprofit sector but also provides a broad but critical analysis of its current state Vartan Gregorian President Carnegie Corporation of New York The nonprofit sector has changed in fundamental ways in recent decades As the sector has grown in scope and size both domestically and internationally the boundaries between for profit governmental and charitable organizations have become intertwined Nonprofits are increasingly challenged on their roles in mitigating or exacerbating inequality And debates flare over the role of voluntary organizations in democratic and autocratic societies alike The Nonprofit Sector takes up these concerns and offers a cutting edge empirical and theoretical assessment of the state of the field This book now in its third edition brings together leading researchers economists historians philosophers political scientists and sociologists along with scholars from communication education law management and policy schools to investigate the impact of associational life Chapters consider the history of the nonprofit sector and of philanthropy the politics of the public sphere governance mission and engagement access and inclusion and global perspectives on nonprofit organizations Across this comprehensive range of topics The Nonprofit Sector makes an essential contribution to the study of civil society Praise for previous editions Takes a decidedly multidisciplinary approach invaluable Journal of Policy Analysis and Management A major contribution to the field Social Forces

**Handbook on Governance and Development** Wil Hout, Jane Hutchison, 2022-12-08 This Handbook provides readers with an expert overview of the key theoretical approaches to governance and development covering a broad range of policy areas and domains Utilising a critical approach to issues from a multidisciplinary perspective the contributions in this Handbook review different social contexts and policy areas governance arrangements and processes relating to issues of development

## Decoding **Democracy In Decline A Journal Of Democracy** : Revealing the Captivating Potential of Verbal Expression

## **Democracy In Decline A Journal Of Democracy Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Democracy In Decline A Journal Of Democracy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Democracy In Decline A Journal Of Democracy has opened up a world of possibilities. Downloading Democracy In Decline A Journal Of Democracy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Democracy In Decline A Journal Of Democracy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Democracy In Decline A Journal Of Democracy . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Democracy In Decline A Journal Of Democracy . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Democracy In Decline A Journal Of Democracy , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Democracy In Decline A Journal Of Democracy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Democracy In Decline A Journal Of Democracy Books**
