Jeff Kingston

Democracy Without Competition In Japan Opposition Failure In A One Party Dominant State:

Democracy Without Competition in Japan Ethan Scheiner, 2006 **Critical Readings on the Liberal Democratic Party in Japan** Robert Pekkanen, 2018-10-02 This work collects decades of the best published scholarship in English on the unequivocally most successful political party in Japanese history the Liberal Democratic Party the LDP Governing Japan for almost the entirety of the post war period the LDP also has a claim to be the most successful political party in any post war democracy Seminal articles in this collection explore the key aspects of the LDP the party's evolution since its founding in 1955 key facets of the LDP's internal organization including factions and koenkai the LDP in policy making including its relationship with the bureaucracy and interest groups as well as its policy making committee apparatus and party leadership including the premierships of Junichiro Koizumi and Shinzo Abe **The Post-war Roots of Japanese Political Malaise** Dagfinn Gatu, 2015-06-12 Writings on post war Japanese politics have tended to take for granted the dominance of the Liberal Democratic Party LDP as inevitable without questioning how this came about This book analyses the nature of Japanese party politics over the first four decades following the Second World War assessing how the chief contenders the conservative LDP and the socialists JSP Japan Socialist Party competed in terms of their strengths and weaknesses relative to the other Throughout it addresses the questions How effectively were the parties strengths harnessed How did they alter over time To what extent was the winning formula challenged Did the loser have access to strengths with a major potential and if so why did these remain underdeveloped It extends widely to include discussion of the political system the social and economic environment in which parties operated internal party matters especially factions personal support groups special interest groups and the role of government bureaucracy It shows why the Liberal Democratic Party was dominant why the Japan Socialist Party remained out of power and how successive prime ministers conducted policymaking in ways which often resulted in the bureaucracy taking the lead Overall the book shows how precedents for the political system and for policymaking were set in this important period precedents which continue and which have contributed significantly to the present conservative stance on many key issues **Spending Without Taxation** Gene Park, 2011-03-25 Governments confront difficult political choices when they must determine how to balance their spending But what would happen if a government found a means of spending without taxation In this book Gene Park demonstrates how the Japanese government established and mobilized an enormous off budget spending system the Fiscal Investment Loan Program FILP which drew on postal savings public pensions and other funds to pay for its priorities and reduce demands on the budget Park's book argues that this system underwrote a distinctive postwar political bargain one that eschewed the rise of the welfare state and Keynesianism but that also came with long term political and economic costs that continue to this day By drawing attention to FILP this study resolves key debates in Japanese politics and also makes a larger point about public finance demonstrating that governments can finance their activities not only through taxes but also through financial mechanisms to allocate credit

and investment Such policy finance is an important but often overlooked form of public finance that can change the political calculus of government fiscal choices

The Evolution of Japan's Party System Leonard J. Schoppa, 2011-11-05 In August 2009 the Democratic Party of Japan DPJ won a crushing victory over the Liberal Democratic Party LDP thus bringing to an end over fifty years of one party dominance Around the world the victory of the DPJ was seen as a radical break with Japan's past However this dramatic political shift was not as sudden as it appeared but rather the culmination of a series of changes first set in motion in the early 1990s The Evolution of Japan's Party System analyses the transition by examining both party politics and public policy Arguing that these political changes were evolutionary rather than revolutionary the essays in this volume discuss how older parties such as the LDP and the Japan Socialist Party failed to adapt to the new policy environment of the 1990s Taken as a whole The Evolution of Japan's Party System provides a unique look at party politics in Japan bringing them into a comparative conversation that usually focuses on Europe and North America

Japan Jeff Kingston, 2019-01-18 Japan anchored by its traditions transformed by American post war Occupation and globally recognized for its technological innovations manufacturing prowess and pop culture faces powerful challenges from within and without How Japan chooses to handle these problems and opportunities will determine its future for decades to come In this book Jeff Kingston one of the most lucid analysts of Japan today takes readers on a fascinating journey through this country's contemporary history exploring the key developments and forces both at home and abroad that are shaping Japan in the twenty first century Whether Prime Minister Shinzo Abe's transformative agenda of Abenomics and proactive pacifism toward a rising China and a belligerent North Korea can set Japan on the path to greater prosperity and security remains to be seen But having won a third term as president of the Liberal Democratic Party in 2018 Japan's ongoing transformation is very much in Abe's hands

Electoral Politics and Africa's Urban Transition Noah L. Nathan, 2019-02-28 Two aspects of contemporary urban life in Africa are often described as sources of political change the emergence of a large urban middle class and high levels of ethnic diversity and inter ethnic social contact Many expected that these factors would help spark a transition away from ethnic competition and clientelism toward more programmatic elections Focusing on urban Ghana this book shows that the growing middle class and high levels of ethnic diversity are not having the anticipated political effects Instead urban Ghana is stuck in a trap clientelism and ethnic voting persist in many urban neighborhoods despite changes to the socio economic characteristics and policy preferences of voters Through a unique examination of intra urban variation in patterns of electoral competition Nathan explains why this trap exists demonstrates its effects on political behavior and explores how new democracies like Ghana can move past it

Modern Japan Louis G. Perez, R. W. Purdy, 2024-05-30 Organized by theme this comprehensive encyclopedia examines all aspects of life in Japan from geography and government to food and etiquette and much more Japan or the Land of the Rising Sun is home to more than 126 million people nearly 10 million of whom live in Tokyo alone How did this tiny island nation become such a powerhouse in the 21st century and where

will it go from here Modern Japan examines history and contemporary life through thematic entries organized into chapters covering such topics as geography history government and politics economy religion and thought social classes and ethnicity gender marriage and sexuality education language etiquette literature and drama art and architecture music and dance food leisure and sports and media and popular culture Each chapter contains an overview of the topic and alphabetized entries on examples of each theme A chronology covers from prehistoric times to the present and special appendices offer profiles of a typical day in the life of representative members of Japanese society key facts and figures about Japan and a holiday chart This volume is ideal for students researching Japan as well as general readers interested in learning more about the country

Japan Decides 2014 Robert J. Pekkanen, Ethan Scheiner, Steven R. Reed, 2016-01-26 Collecting original and high quality analysis by top scholars from Japan the United States Australia and Europe this volume analyzes the results of the 2014 election examining each of the major political parties central policy issues campaign practices and considers how the results were used as a mandate for massive policy reform

Power in Contemporary Japan Gill Steel, 2016-06-27 This book discusses Japanese conceptions of power and presents a complex nuanced look at how power operates in society and in politics It rejects stereotypes that describe Japanese citizens as passive and apolitical cemented into a vertically structured group oriented society and shows how citizens learn about power in the contexts of the family the workplace and politics As Japan grapples with the consequences of having one of the oldest and most rapidly ageing populations in the world it is important for social scientists and policy makers worldwide to understand the choices it makes Particularly as policy makers have once again turned their attention to workers the roles of women families and to immigrants as potential solutions to the perceived problem of maintaining or increasing the working population These studies show the ebb and flow of power over time and also note that power is context dependent actors can have power in one context but not another

The Oxford Handbook of Japanese Politics Robert Pekkanen, Saadia M. Pekkanen, 2021-10-25 Book Abstract and Keywords The study of Japanese politics has flourished over the past several decades This Handbook provides a state of the field overview for students and researchers of Japanese The volume also serves to introduce Japanese politics to readers less familiar with Japan In addition the volume has a theme of evaluating Japan's democracy Taken as a whole the volume provides a positive evaluation of the state of Japan's democracy The volume is divided into two parts roughly corresponding to domestic Japanese politics and Japan's international politics Within the domestic politics part there are four distinct sections Domestic Political Actors and Institutions covering the Japanese Constitution electoral systems prime minister Diet bureaucracy judiciary and local government Political Parties and Coalitions covering the Liberal Democratic Party coalition government Komeito and the political opposition Policymaking and the Public covering the policymaking process public opinion civil society and populism and Political Economy and Social Policy covering industrial energy social welfare agricultural monetary and immigration policies as well as social inequality In the international relations part there are four sections International

Relations Frameworks covering grand strategy international organizations and international status International Political Economy covering trade finance foreign direct investment the environment economic regionalism and the linkage between security and economics International Security covering remilitarization global and regional security multilateralism nuclear nonproliferation naval power space security and cybersecurity and Foreign Relations covering Japan s relations with the United States China South Korea ASEAN India the European Union and Russia Keywords international relations comparative politics democracy international order alliances space security elections Liberal Democratic Party multilateralism remilitarization international organizations populism civil society coalitions political parties trade finance monetary policy foreign direct investment cybersecurity *Democratic Consolidation in Turkey* Cengiz Erisen,Paul Kubicek,2016-06-10 While Turkey has made major strides in democratic reforms in the late 1990s and early 2000s progress has in many ways stalled Turkey remains democratic in the sense that attaining political power depends upon winning votes but in recent years its leadership has taken a majoritarian view of democracy and the country has faced problems on issues such as rule of law freedom of speech and increased polarization This book explores the understanding and practice of democracy in Turkey since the early 2000s analyzing its evolution in light of the parliamentary elections held in 2015 Adopting a more holistic approach in line with the writing of Wolfgang Merkel it recognizes that a successful consolidated democracy has various micro and macro level foundations The former includes factors such as political values tolerance identity and civil society while the latter includes political economy party competition and institutional development This volume rejects purely descriptive assessments and instead employs theoretical perspectives to analyze a dynamic political environment It brings together a range of noted specialists on Turkish politics and society who employ different methodological approaches and frameworks to offer a distinct scholarly work on democratization in Turkey A thorough analysis of the problems of democratic consolidation alongside an awareness of the theoretical and methodological debates in the discipline make this book essential reading for students scholars and policymakers interested in Turkish politics as well as democratization and democratic transitions more generally *Italy and Japan: How Similar Are They?* Silvio Beretta,Axel Berkofsky,Fabio Rugge,2014-07-01 This book provides an enlightening comparative analysis of Japan s and Italy s political cultures and systems economics and international relations from World War II to the present day It addresses a variety of fascinating questions ranging from the origins of the authoritarian regimes and post war one party rule in both countries through to Japan s and Italy s responses to the economic and societal challenges posed by globalization and their international ambitions and strategies Similarities and differences between the two countries with regard to economic development models the relationship of politics and business economic structures and developments and international relations are analyzed in depth This innovative volume on an under researched area will be of great interest to those with an interest in Italian and Japanese politics and economics **Nationalism in Asia** Jeff Kingston,2016-06-13 Using a comparative interdisciplinary approach

Nationalism in Asia analyzes currents of nationalism in five contemporary Asian societies China India Indonesia Japan and South Korea Explores the ways in which nationalism is expressed embraced challenged and resisted in contemporary China India Indonesia Japan and South Korea using a comparative interdisciplinary approach Provides an important trans national and trans regional analysis by looking at five countries that span Northeast Southeast and South Asia Features comparative analysis of identity politics democracy economic policy nation branding sports shared trauma memory and culture wars territorial disputes national security and minorities Offers an accessible thematic narrative written for non specialists including a detailed and up to date bibliography Gives readers an in depth understanding of the ramifications of nationalism in these countries for the future of Asia

Japan's New Left Movements Takemasa Ando, 2013-10-08 The Fukushima Daiichi nuclear accident that followed the March 2011 tsunami and earthquake in Japan shocked the world In the wake the of the disaster questions were asked as to why Japanese antinuclear movements were not able to prevent those with vested interests such as businesses bureaucrats the media and academics from facilitating nuclear energy policies Taking this question as its starting point this book looks more widely at the development and powerlessness of Japanese civil society and seeks to untangle this intersection between social movements and civil society in postwar Japan Central to this book are the Japanese New Left movements that emerged in the 1960s and 1970s and the impact they have had on civil society and politics By focusing on a key idea that a wide range of new leftists shared the self revolution in everydayness Takemasa Ando shows how these groups did not seek immediate change in the realms of politics and legislation but rather it was believed that personal transformation would lead to broader social and political change By reconsidering the relationship between Japanese New Left movements of the 1960s and later social movements this book crucially connects the constructive and disruptive legacies of the movements and in doing so provides valuable insights into the powerlessness that plagues Japanese civil society today Presenting a comprehensive picture of the New Left movements and their legacies in Japan this book will be of great interest to students and scholars working in the fields of Japanese politics Japanese history and Japanese culture and society

Governance in Pacific Asia Peter Ferdinand, 2012-02-02 This book examines the political economy of the states of Pacific Asia stretching from Japan to Burma since the end of WWII Governance in Pacific Asia offers a comprehensive account of the diverse experiences of the states in Pacific Asia Organized thematically around government and business relations in the main sectors of the economy chapters cover the historical social and cultural contexts for such policies as well as the social and political consequences of rapid economic development They also discuss the increasing economic integration of the region as well as its impact on global affairs and the reverse effect of globalization upon particular political systems Each chapter contains case studies and examples from anywhere in the region with some countries appearing more regularly such as China Japan newly industrialized economies Thailand the Philippines Malaysia Indonesia and Vietnam Governance in Pacific Asia provides an in depth comparative survey of a key region in world politics

and political economy An essential text that includes sources from the region in at least three languages Chinese Japanese and Indonesian Malay it will be of interest to students and faculty in international relations developmental politics Asian politics and political economy *Decision-Making Reform in Japan* Karol Zakowski, 2015-04-24 In the election to the House of Representatives in 2009 the Democratic Party of Japan DPJ almost tripled the number of its lower house members by winning 308 seats It subsequently formed a coalition government with the Social Democratic Party and the People's New Party The new ruling party promised to completely overhaul policymaking mechanisms that had been shaped over the past decades Yet the Japanese people quickly felt disappointed with the DPJ's policymaking engineering Examining the evolution of the decision making process in Japan under the DPJ administration between the years 2009-2012 this book offers a multidimensional explanation for the reasons for the DPJ's failure in producing effective policymaking mechanisms Implementing conceptual tools borrowed from historical institutionalism the author explains why the Democrats displayed inflexibility in introducing selected elements of the Westminster system incoherence in regard to many aspects of the decision making reform and unwillingness to take advantage of all of the institutional resources at their disposal The book argues that the examination of the DPJ's origins and interactions with other parties is crucial in understanding its misconceptions regarding the institutional model policy vision and institutional tools required for a durable change in policymaking patterns Illustrating its argument with a range of case studies this book explains why ultimately the DPJ's concept of a politician led government resulted in failure It will also be helpful in understanding the prerequisites for the success of institutional reforms in general As such it will be of interest to students and scholars of Japanese studies Political science Asian studies **The SAGE Handbook of Modern Japanese Studies** James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than *The SAGE Handbook of Modern Japan Studies* Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University *The SAGE Handbook of Modern Japanese Studies* includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University *Distributive Politics in Malaysia* Hidekuni Washida, 2018-10-11 The election on 9 May 2018 ended six decades of rule by the ruling coalition in Malaysia Barisan Nasional or BN formerly the Alliance Despite this result the BN's longevity and resilience to competition is remarkable This book explores the mechanisms behind the emergence endurance fight for survival and decline of the party's dominance Using a systematic analysis of key resources

budgets posts and seats Washida challenges the conventional argument that a punitive threat to exclude opposition supporters from distributive benefits sustained the loyalty of the masses as well as the elites He also calls into question whether the mere existence of party organization in and of itself enables leaders to credibly commit to power sharing Instead he posits a theory of mobilization agency in which a party leader needs to design an effective incentive mechanism In addition he explains how the BN had manufactured legislative dominance by tactical gerrymandering and malapportionment The insights drawn from the Malaysian case can help deepen our understanding of the rise and fall of authoritarian parties and distributive politics in general Chapters 1 and 7 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Party System Institutionalization in Asia Allen Hicken, Erik Martinez Kuhonta, 2014-12-29 This book provides a comprehensive empirical and theoretical analysis of the development of parties and party systems in Asia The studies included advance a unique perspective in the literature by focusing on the concept of institutionalization and by analyzing parties in democratic settings as well as in authoritarian settings The countries covered in the book range from East Asia to Southeast Asia to South Asia
