Guthrie, 2018-10-30 Philosophers of religion have focused almost exclusively on the existence and nature of God and the nature and destiny of human beings But these philosophers have been remiss in engaging discussions about the possibility of there being adverse gods of this world demonic beings despite being a doctrine that comprises a significant part of the Christian confession This drought in the literature has left a number of questions unaddressed including Hasn't science buried the demonic Are there any successful philosophical arguments for the existence of Satan What kind of being is Satan Is he the fallen angel of lore Is it reasonable for Christians to say that demons are purely immaterial spirits Can demons causally interact with the physical world and its inhabitants Can demons perform diabolical miracles Shandon Guthrie broaches new territory beginning with a rigorous defense for the existence of Satan and his cohorts He then advances and defends a model for how to understand their nature in terms of their ontology and causal powers No other book has attempted a full fledged natural diabolology on behalf of Christian orthodoxy This is a must read for anyone interested in the dark side of Christian theology and metaphysics

Goll,2010-10-01 An esteemed teacher and former pastor James W Goll is one of the leading prophetic voices of our time Now for the first time he offers his wisdom and insight in one accessible manual on the challenging topic of deliverance Among the subjects he covers are tools and practical help for overcoming the demonic how to handle the raging battle of temptation techniques to keep yourself refreshed during the fight characteristics of demonic entities and their strategies how to break curses the healing qualities of blessings and more With a companion study guide also available Goll s action oriented approach walks readers step by step through the process of freeing both themselves and others from problems they cannot overcome When believers claim their authority in Christ hope and healing can be theirs **School of Deliverance II: Pulling Down Satanic Strongholds** Pauline Walley,2006-06 This book enlightens readers to identify the activities of the enemy within and around individuals and the Christian community It discusses how to pull down satanic strongholds and encourages readers to disassociate from supporting the agents of Satan Practical Life **Breaking Demonic Strongholds** Don Nori,2011-07-28 There is no doubt that discernment will be the most important tool in the arsenal of the believer in the years to come We must be able to recognize understand and withstand onslaught of the evil one When we can see the lies we believe we begin our recovery and growth in our spiritual life This is a how to book that every believers needs for daily fulfillment of God s dream for his life Since the enemy is defeated and has no genuine power of us he must use deception to sap us of our strength our hope our future We can spend our time fulfilling our calling rather than fighting these lies thus using our anointing to for the purpose of growth peace and the joy of the Lord Breaking Demonic Strongholds exposes these deadly lies of the enemy and explores just how these lies are so easily believed even though they are so obvious The book also includes principles of understanding discernment and allowing discernment to have its rightful place in our lives Multi dimensional living and communication is explained in simple easy to understand terms When we understand who we are and how we are made we can begin to use everything God has already given us for a fruitful and full filling life **The War for Spiritual Battles** Bill Vincent,2023-03-16 We will begin by taking a real look at the battlefield Many times for us to win battles we need to understand all aspects of the field of each and every battle Understanding satan s motivation is revealing the secrets behind it all As violent as the warfare between good and evil has been and as long as it has been going on it is not

eternal God has no beginning of days nor ending He is from everlasting to everlasting As you read this book you will Learn how to assess Satan s battlefield Find the enemies motives behind all he does to stop the Children of God Receive revelation on the topics of demon possession and demon oppression and whether or not a Christian can face these battles according to scripture Get the understanding of putting and keeping on the whole armor of God Learn how the Father s Glory can manifest in the midst of the battles How to win the battlefield of the mind overcome fears and so much more **A Manual of Demonology and the Occult** Kent Philpott,1976 *Deliverance Power* Bishop Ben Ugbine,2020-03-06 DELIVERANCE IS THE KEY TO YOUR BREAKTHROUGHS RECEIVE IT NOW Deliverance is certainly the key to your breakthroughs and when our lives are heavily affected by the operations of the demonic powers then we will continue to struggle in life and don t understand why we are not making any achievement in life whatsoever We need to understand that there are demonic powers that have an assignment to hinder people in life and steal their blessings and virtue away from them Many of the problems that we are facing today are foundational and needs spiritual warfare prayers They are rooted in our family history and until many of these problems are resolved from their root our lives will continue to go around and round in a circle and preclude us from being what God has designed us to be We need prayers to rout out demons One of the biggest problems we have in life is the problem of ignorance and ignorance is the devil s strong weapon of bringing people down What people don t know is what is holding them in terrible bondage When you don t understand the intricate analysis of what has bound you then you will become a slave in the hands of the enemy The first step to your deliverance is to acquire knowledge about your situation and taking the proper steps to release yourself from the entrapments of the wicked ones God wants you to be free and be blessed but the forces of darkness want to continuously put you in perpetual bondage We need to understand the different demonic spirits that operate in our families and then be able to break their assignment over our lives Once the assignment of these demonic spirits is destroyed from us then the power of God would overtake one s life to release one s blessings We need to understand that every blessing we need in our lives have already been given by God but we need to have the knowledge of what they are and begin to appropriate them in our lives There is indeed a terrible conspiracy in the kingdom of darkness to bound people and lock up all their blessings in demonic storehouses They want people wallow through life without seeing any headway in their lives Our spiritual eyes need to be opened so that we can see the operations of the enemy and destroy all their works and release ourselves from their hands Indeed there are blessings that God has given to you to enjoy in life but because they are hidden in demonic strong houses you cannot lay your hands to them We need to allow the delivering hand of God to reach us and snatch us away from the grips of the enemy When we are delivered from the hands and the grips of the enemy then the heavens become opened unto us and every good thing we desire in our lives will begin to come our way Until that happens you will remain in the hands of the enemy and he would confuse your life They also make you to struggle all through your life and make it to be filled with limitations and stagnation This book is

designed to open your eyes to see the way out and make you live a triumphant life In fact discovery leads to recovery and when you discover what has bound you all these years then you will recover Ignorance is a deadly disease and it is a disease that can emasculate one and make one s live to be miserable and devoid of blessings The road to your deliverance starts now and if you re determined to be free from the hands of the enemy you will certainly be free Once every foundational problem which is the root cause of people s problems is discovered then deliverance begins Knowledge is the beginning point of deliverance and what you don t know can kill you and stop you from receiving your full blessings in life My prayer for you is that as you begin to read this book every psychological and spiritual chain that has held you bound all these years will lose its grips from you and you will be free
