The Fallen Frederick Guttman, The ancient time is behind us the memory of old ages has disappeared Man lives in the present not knowing how he came to be and how great things set the guidelines for the future of the current era Already four ages of men have been left behind one culminates We wait for a different time full of big dreams but not before experiencing a hard passageway of desolation and death Destroyed by fire by cold and by water our ancestors perished leaving a record of what happened in stories that today we underestimate and experiences that we need as precedents in the future that and the end of this last catastrophic age that will culminate in physical psychic and spiritual earthquakes will be told The Nephilim arrived and subdued man until today they were an almost forgotten episode but one that substantially marked history history that must be remembered and reviewed Malevolent spirits were placed to mislead humanity but we also receive great divine virtues that counteract evil Following the battle for sovereignty between the gods the destruction reduced the population and changed the globe When the fight against the imposters allowed the development of the next part of a master plan our father Abraham began a mission whose magnitude would take time to glimpse until he was patriarch of the nations of those born in the True Law
