Demosthenes, Speeches 50-59 Demosthenes, Victor Bers, 2003-07-01 This is the sixth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today's undergraduates Greekless scholars in other disciplines and the general public

Classical oratory is an invaluable resource for the study of ancient Greek life and culture. The speeches offer evidence on Greek moral views, social and economic conditions, political and social ideology, law and legal procedure, and other aspects of Athenian culture that have been largely ignored: women and family life, slavery and religion, to name just a few. Demosthenes is regarded as the greatest orator of classical antiquity; indeed, his very eminence may be responsible for the inclusion under his name of a number of speeches he almost certainly did not write. This volume contains four speeches that are most probably the work of Apollodorus, who is often known as the Eleventh Attic Orator. Regardless of their authorship, however, this set of ten law court speeches gives a vivid sense of public and private life in fourth-century BC Athens. They tell of the friendships and quarrels of rural neighbors, of young men joined in raucous, intentionally shocking behavior, of families enduring great poverty and of the intricate involvement of prostitutes in the lives of citizens. They also deal with the outfitting of warships, the grain trade, challenges to citizenship and restrictions on the civic role of men in debt to the state.

Demosthenes: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-05-01. This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear: from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. A reader will discover, for instance, the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic. In classics, as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is just one of many articles from Oxford Bibliographies Online Classics, a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities; for more information, visit www.oxfordbibliographies.com.

Demosthenes of Athens and the Fall of Classical Greece Ian Worthington, 2015. The first ever biography of Demosthenes written in English for a popular audience, set against the rich backdrop of late classical Greece and Macedonia.

Demosthenes, Speeches 1-17 Demosthenes, Jeremy Trevett, 2011-12-01. This is the fourteenth volume in the *Oratory of Classical Greece*. This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline. These translations are especially designed for the needs and interests of today's undergraduates, Greekless scholars in other disciplines, and the general public. Classical oratory is an invaluable resource for the study of ancient Greek life and culture. The speeches offer evidence on Greek moral views, social and economic conditions, political and social ideology, law and legal procedure, and other aspects of

Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few This volume contains translations of all the surviving deliberative speeches of Demosthenes plus two that are almost certainly not his although they have been passed down as part of his corpus as well as the text of a letter from Philip of Macedon to the Athenians All of the speeches were purportedly written to be delivered to the Athenian assembly and are in fact almost the only examples in Attic oratory of the genre of deliberative oratory In the Olynthiac and Philippic speeches Demosthenes identifies the Macedonian king Philip as a major threat to Athens and urges direct action against him The Philippic speeches later inspired the Roman orator Cicero in his own attacks against Mark Antony and became one of Demosthenes claims to fame throughout history

Valuing Others in Classical Antiquity Ralph Rosen, Ineke Sluiter, 2010-09-10 How does a discourse of valuing others help to make a group a group The fifth in a series exploring ancient values this book investigates what value terms and evaluative concepts were used in Greece and Rome to articulate the idea that people belong together as a family a group a polis a community or just as fellow human beings Human communities thrive on prosocial behavior In eighteen chapters ranging from Greek tragedy to the Roman gladiators and from house architecture to the concept of friendship this book demonstrates how such behavior is anchored and promoted by culturally specific expressions of evaluative discourse Valuing others in classical antiquity should be of interest to linguists literary scholars historians and philosophers alike

The Limits of Altruism in Democratic Athens Matthew Christ, 2012-10-08 Athenians in the classical period 508 322 BC were drawn to an image of themselves as a compassionate and generous people who rushed to the aid of others in distress both at home and abroad What relation does this image bear to actual Athenian behavior This book argues that Athenians felt little pressure as individuals to help fellow citizens whom they did not know Democratic ideology called on citizens to refrain from harming one another rather than to engage in mutual support and emphasized the importance of the helping relationship between citizen and city rather than among individual citizens If the obligation of Athenians to help fellow citizens was fairly tenuous all the more so was their responsibility to intervene to assist the peoples of other states a distinct pragmatism prevailed in the city's decisions concerning intervention abroad

Athens Transformed, 404-262 BC Phillip Harding, 2015-04-24 During the heady democratic days of the fifth and fourth centuries the poorer members of Athenian society the lower two classes of *zeugitai* and *thetes* enjoyed an unprecedented dominance in both domestic and foreign politics At home the participatory nature of the constitution required their presence not only in the lawcourts and assembly but also in most of the minor magistracies abroad they were the driving force of the navy which ensured Athens control of the Aegean and the Black seas Their participation at all levels was made possible by state pay for jury duty attendance in the assembly public office and military service In the fifth century state pay was financed largely through the tribute paid by members of the empire supplemented by the liturgical contributions of the rich and beginning during the war a property tax the *eisphora* In the fourth century

almost the whole burden was shouldered by taxation upon the wealthy especially those who owned property In this book author Phillip Harding traces the major changes that occurred in the administration of the state that eventually deprived the lower classes of their supremacy and transferred power into the hands of the wealthy land owners Things changed radically after Athens defeat in the Lamian or Hellenic War in 322BC Over the next several decades restriction of the franchise elimination of pay for some public offices the loss of the navy the increased dependence upon local grain from the larger estates in Attika the removal of the tax burden from the rich by the ending of such major liturgies as the trierarchia and the choregia and the abandoning of the eisphora all contributed to this transformation *Demosthenes, Speeches 39-49*

Demosthenes, Adele C. Scafuro, 2011-07-01 This is the thirteenth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today's undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few Demosthenes is regarded as the greatest orator of classical antiquity This volume contains eleven law court speeches ascribed to Demosthenes though modern scholars believe that only two or three of them are actually his Most of the speeches here concern inheriting an estate recovering debts owed to an estate or exchanging someone else's estate for one's own Adele Scafuro's supplementary material allows even non specialists to follow the ins and outs of the legal arguments as she details what we know about the matters involved in each case including marriage laws adoptions inheritances and the financial obligations of the rich While Athenian laws and family institutions e.g. the marriages of heiresses differ from ours in quite interesting ways nevertheless the motives and strategies of the litigants often have a contemporary resonance **Studies**

on Greek Law, Oratory and Comedy Authored by Douglas M. MacDowell, Ilias Arnaoutoglou, Konstantinos Kapparis, Dimos Spatharas, 2017-09-22 Douglas M. MacDowell 1931-2010 was a scholar of international renown and the articles included here cover a significant area of classical scholarship discussing Athenian law law making and legal procedure Old Comedy comedy and law politics and lexicography All of these articles published between 1959 and 2010 bear the characteristic marks of his scholarship precision balanced judgement brevity and deep learning they are rational and sober accounts of complicated and controversial issues Many of these essays are virtually inaccessible as they were originally published in celebratory volumes or article collections which are now out of print or difficult to find outside major libraries This collection of MacDowell's articles will make these works available to a broad scholarly audience and make it easier to bring this scholarship to the classroom as part of courses in Classics ancient history legal history and theatre studies The volume includes a biography of

MacDowell by Christopher Carey based on the testimony of his closest colleagues and personal friends which was presented to the British Academy

Demosthenes, Speeches 60 and 61, Prologues, Letters, 2009-03-16 This is the tenth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today's undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few Demosthenes is regarded as the greatest orator of classical antiquity This volume contains his Funeral Oration Speech 60 for those who died in the Battle of Chaeronea in 338 BC in which Philip of Macedonia secured his dominance over Greece as well as the so called Erotic Essay Speech 61 a rhetorical exercise in which the speaker eulogizes the youth Epicrates for his looks and physical prowess and encourages him to study philosophy in order to become a virtuous and morally upright citizen The volume also includes fifty six prologues the openings to political speeches to the Athenian Assembly and six letters apparently written during the orator's exile from Athens Because so little literature survives from the 330s and 320s BC these works provide valuable insights into Athenian culture and politics of that era

Demosthenes, Speeches 60 and 61, Prologues, Letters Demosthenes, 2006-12 This is the tenth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today's undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few Demosthenes is regarded as the greatest orator of classical antiquity This volume contains his Funeral Oration Speech 60 for those who died in the Battle of Chaeronea in 338 BC in which Philip of Macedonia secured his dominance over Greece as well as the so called Erotic Essay Speech 61 a rhetorical exercise in which the speaker eulogizes the youth Epicrates for his looks and physical prowess and encourages him to study philosophy in order to become a virtuous and morally upright citizen The volume also includes fifty six prologues the openings to political speeches to the Athenian Assembly and six letters apparently written during the orator's exile from Athens Because so little literature survives from the 330s and 320s BC these works provide valuable insights into Athenian culture and politics of that era

The Oxford Handbook of Demosthenes Gunther Martin, 2019 As a speechwriter orator and politician Demosthenes captured embodied and shaped his time This

Handbook explores the many facets of his life work and time giving particular weight to his social and historical context and thereby illustrating the interplay and mutual influence between his rhetoric and the environment from which it emerged

The Present State of Scholarship in the History of Rhetoric Lynée Lewis Gaillet, Winifred Bryan Horner, 2010-03-15

Through two previous editions *The Present State of Scholarship in Historical and Contemporary Rhetoric* has not only introduced new scholars to interdisciplinary research but also become a standard research tool in a number of fields and pointed the way toward future study. Adopting research methodologies of revision and recovery this latest edition includes all new material while still following the format of the original and is constructed around bibliographical surveys of both primary and secondary works addressing the Classical Medieval Renaissance and eighteenth through twentieth century periods within the history of rhetoric. *The Present State of Scholarship in the History of Rhetoric* doesn't simply update but rather recasts study in the history of rhetoric. The authors experienced and well known scholars in their respective fields redefine existing strands of rhetorical study within the periods expand the scope of rhetorical engagement and include additional figures and their works. The globalization and expansion of rhetoric are demonstrated in each of these parts and seen clearly in the inclusion of more female rhetors discussions of historical and contemporary electronic resources and examinations of rhetorical practices falling outside the academy and the traditional canon. New to this edition is a cumulative review of twentieth century rhetoric along with a thematic index designed to facilitate interdisciplinary or specialized study and scholarly research across the traditional historical periods. As programs incorporating rhetorical studies continue to expand at the university level students and researchers are in need of up to date bibliographical resources. No other work matches the scope and approach of *The Present State of Scholarship in the History of Rhetoric* which carries scholarship on rhetoric into the twenty first century.

The Orators and Their Treatment of the Recent Past Aggelos Kapellos, 2022-12-05 This volume focuses on the representation of the recent past in classical Athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the Athenians to make an objective assessment of it and the unwillingness of the citizens to hear the truth make self criticism and take responsibility for bad results. Twenty eight scholars have written chapters to this end dealing with a wide range of themes in terms both of contents and of chronology from the fifth to the fourth century B C. Each contributor has written a chapter that analyzes one or more historical events mentioned or alluded in the corpus of the Attic orators and covers the three species of Attic oratory. Chapters that treat other issues collectively are also included. The common feature of each contribution is an outline of the recent events that took place and influenced the citizens and or the city of Athens and its juxtaposition with their rhetorical treatment by the orators either by comparing the rhetorical texts with the historical sources and or by examining the rhetorical means through which the speakers model the recent past. This book aims at advanced students and professional scholars. This volume focuses on the representation of the recent past in classical Athenian oratory and investigates the ability of the orators to interpret it

according to their interests the inability of the Athenians to make an objective assessment of persons and events of the recent past and their unwillingness to hear the truth make self criticism and take responsibility for bad results

Trials from Classical Athens Christopher Carey, 2012-03-12 The ancient Athenian legal system is both excitingly familiar and disturbingly alien to the modern reader It functions within a democracy which shares many of our core values but operates in a disconcertingly different way Trials from Classical Athens assembles a number of surviving speeches written for trials in Athenian courts dealing with themes which range from murder and assault through slander and sexual misconduct to property and trade disputes and minor actions for damage The texts illuminate key aspects both of Athenian social and political life and the functioning of the Athenian legal system This new and revised volume adds to the existing selection of key forensic speeches with three new translations accompanied by lucid explanatory notes The introduction is augmented with a section on Athenian democracy to make the book more accessible to those unfamiliar with the Athenian political system To aid accessibility further a new glossary is included as well as illustrations for the first time Providing a unique and guided introduction to the Athenian legal system and explaining how the system reveals the values and social life of Classical Athens Trials from Classical Athens remains a fundamental resource for students of Ancient Greek history and anyone interested in the law social history and oratory of the Ancient Greek world

The Oxford encyclopedia of ancient Greece and Rome. - Vol. 1 - 7 Michael Gagarin, 2010 *A Companion to Greek Rhetoric* Ian Worthington, 2010-01-11 This complete guide to ancient Greek rhetoric is exceptional both in its chronological range and the breadth of topics it covers Traces the rise of rhetoric and its uses from Homer to Byzantium Covers wider ranging topics such as rhetoric s relationship to knowledge ethics religion law and emotion Incorporates new material giving us fresh insights into how the Greeks saw and used rhetoric Discusses the idea of rhetoric and examines the status of rhetoric studies present and future All quotations from ancient sources are translated into English

Greek Rhetoric of the 4th Century BC Evangelos Alexiou, 2020-06-08 The interaction between orator and audience the passions and distrust held by many concerning the predominance of one individual but also the individual s struggle as an advisor and political leader these are the quintessential elements of 4th century rhetoric As an individual personality the orator draws strength from his audience while the rhetorical texts mirror his own thoughts and those of his audience as part of a two way relationship in which individuality meets opposes and identifies with the masses For the first time this volume systematically compares minor orators with the major figures of rhetoric Demosthenes and Isocrates taking into account other findings as well such as extracts of Hyperides from the Archimedes Palimpsest Moreover this book provides insight into the controversy surrounding the art of discourse in the rhetorical texts of Anaximenes Aristotle and especially of Isocrates who took up a clear stance against the philosophy of the 4th century

Demosthenes Speeches 27 38 Oratory Of Classical Greece Introduction

In the digital age, access to information has become easier than ever before. The ability to download Demosthenes Speeches 27 38 Oratory Of Classical Greece has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Demosthenes Speeches 27 38 Oratory Of Classical Greece has opened up a world of possibilities. Downloading Demosthenes Speeches 27 38 Oratory Of Classical Greece provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Demosthenes Speeches 27 38 Oratory Of Classical Greece has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Demosthenes Speeches 27 38 Oratory Of Classical Greece. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Demosthenes Speeches 27 38 Oratory Of Classical Greece. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Demosthenes Speeches 27 38 Oratory Of Classical Greece, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Demosthenes Speeches 27 38 Oratory Of Classical Greece has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF

downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Demosthenes Speeches 27 38 Oratory Of Classical Greece Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Demosthenes Speeches 27 38 Oratory Of Classical Greece is one of the best book in our library for free trial. We provide copy of Demosthenes Speeches 27 38 Oratory Of Classical Greece in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Demosthenes Speeches 27 38 Oratory Of Classical Greece. Where to download Demosthenes Speeches 27 38 Oratory Of Classical Greece online for free? Are you looking for Demosthenes Speeches 27 38 Oratory Of Classical Greece PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Demosthenes Speeches 27 38 Oratory Of Classical Greece. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Demosthenes Speeches 27 38 Oratory Of Classical Greece are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see

that there are specific sites catered to different product types or categories, brands or niches related with Demosthenes Speeches 27 38 Oratory Of Classical Greece. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Demosthenes Speeches 27 38 Oratory Of Classical Greece To get started finding Demosthenes Speeches 27 38 Oratory Of Classical Greece, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Demosthenes Speeches 27 38 Oratory Of Classical Greece So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Demosthenes Speeches 27 38 Oratory Of Classical Greece. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Demosthenes Speeches 27 38 Oratory Of Classical Greece, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
