

Seventh Grade ELA CCGPS Frameworks - Unit 1

Framework Title: A Hero's Journey

Grade Level: 7th Grade

Course: ELA

Approximate Duration: 6 weeks

Overview of the unit

This unit will focus on comparing and contrasting, argumentative writing, close reading, analyzing text through text-dependent questions, and citing evidence to promote critical thinking. To accomplish this, students will read an extended text where they examine how the protagonist does or does not represent a hero. While the extended text is left up to the teacher to choose, several shorter texts are offered to create a context for thinking about heroism. Throughout the unit students will look at the characters in the extended text differently based on what they learn from the supplementary texts listed. In the summative assessment, students will be asked to apply and synthesize their ideas about heroism in a careful analysis of the extended text.

This unit is intended to encompass a six-week time period. If a teacher needs more time to explore the extended text and complete the appropriate instructional text-based activities, time is allowed. If a teacher completes the unit, a science fiction research-based mini-unit is suggested. In addition, the extended texts which follow are intended to only be samples and can easily be substituted based on teacher/student need and purpose as long as the extended text remains focused on a hero's journey.

Learning targets
