Police Brutality Steve Martinot, 2024-11-04 This book is about the culture of the US police and what it is that allows them to be as violent as they are It approaches the elements of police culture by analyzing how they respond to incidents called by people who need help calls to 911 and that contain no danger and no urgency Such situations begin peacefully with no need for law enforcement Yet someone gets shot and injured or killed by the police What does that represent How does that happen To answer such questions a deep analysis of the mind of the police listing structures by which they think is necessary What assumptions must they make and how must they approach people How do they include impunity insularity contempt provocation militarism collective thought obeisance and racism in what they do These are not trained They are not part of a cop's job description Why do the police embrace them Each represents a different facet of social hegemony How is that continually reproduced And what is the police final program the political game for which they need these structures

**Becoming Abolitionists** Derecka Purnell, 2022-10-04 One of the New York Times 6 New Paperbacks to Read Now in paperback and with new material a 2021 Kirkus Best Book of the year in both Nonfiction and Current Events the book Naomi Klein called a triumph of political imagination and a tremendous gift to all movements struggling towards liberation For more than a century activists in the United States have tried to reform the police Millions of people continue to protest police violence because these solutions do not match the problem the police cannot be reformed In her critically acclaimed first book Becoming Abolitionists Purnell draws from her experiences as a lawyer writer and organizer initially skeptical about police abolition She saw too much sexual violence and buried too many friends to consider getting rid of police in her hometown of St Louis let alone the nation But the police were a placebo Calling them felt like something and something feels like everything when the other option seems like nothing Purnell details how multi racial social movements rooted in rebellion risk taking and revolutionary love pushed her and a generation of activists toward abolition The book travels across geography and time and offers lessons that activists have learned from Ferguson to South Africa from Reconstruction to contemporary protests against police shootings Here Purnell invites readers to envision

new systems that work to address the root causes of violence Becoming Abolitionists shows that abolition is not solely about getting rid of police but a commitment to create and support different answers to the problem of harm in society and most excitingly an opportunity to reduce and eliminate harm in the first place      Securing the Plug's Heart 2 Coco Shawnde,2019-10-30 In this finale Keoni has taken on more than what she planned With Emil away in prison it s her duty to run the business without her right hand and not allow what has been built to crumble The secret she s holding back from everyone will surely bring on a change of events as well as the secrets that are held against her Emil coming home seems slim to none and the streets are in high demand for his presence Tiaura is suffering through her emotions from her mother s passing knowing who was behind it all Just when she has pushed Shaqir away to welcome her husband back in she s hit with more devastating news Finding her way back to where her heart rests she has to swallow a hard pill that she caused for herself With this series coming to an end revenge is on the top of the list and blood must be shed for closure when it boils down to the crew Follow through on the turn of events that are sure to keep you on your toes      **Les frères de la côte Le guap. par Emmanuel Ganzalés** Emmanuel Gonzalès,1856      Vernon Subutex 3 Virginie Despentes,2021-05-11 Paris may burn the world may crumble but Vernon Subutex shall reign supreme The final installment of writer filmmaker Virginie Despentes s Man Booker International Prize shortlisted punk rock trilogy The basis for the TV series of the same name available on streaming As storm clouds gather portending a final reckoning ersatz rave cult leader Vernon Subutex decides to return to Paris Even if it means leaving behind his disciples He has to He s got a dentist s appointment Back in the city he learns that an old friend from his days homeless on the Paris streets has died and left him half of a lottery win But when Vernon returns to his commune with news of this windfall it s not long before his disciples turn on each other Such good fortune does not accord with the principles Vernon has handed down Meanwhile the monstrous film producer Laurent Dopalet is determined to make A cha and C leste pay for their attack on him whatever it takes and whoever gets hurt And before long the whole of Paris will be reeling in the wake of the terrorist atrocities of 2015 and 2016 and all the characters in this kaleidoscopic portrait of a city and era will be forced to confront one another one last time In the wake of all this chaos and hate the question will rise again After all he s been through who is Vernon Subutex And the answer He is the future Virginie Despentes s epochal trilogy ends with Vernon Subutex 3 in fire blood and even forgiveness But not everyone will survive to see the dawning of the golden age of Subutex      *Alrededor del mundo* ,1904      **Los seis círculos de San Petersburgo** Aurora Mateos,2023-02-16 Un intrigante thriller pol ítico ambientado en la Rusia contemporánea que indaga en las razones que explican la realidad actual del pa s Un a o despu s de la anexi n de Crimea el presidente de Rusia va a anunciar al mundo el revolucionario descubrimiento del oceonio un mineral destinado a sustituir al petr leo La situaci n se complica a ra z de una serie de misteriosas muertes repartidas en seis c rculos en el mapa de San Petersburgo que apuntan al oligarca Sergu i Tomski hombre del Kremlin y CEO de la compa a de energ ía Lozprom Rodeada de oscuros intereses pol
