Craig Keener Miracles:

Miracles Today Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener's most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener's basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople **Miracles : 2 Volumes** Craig S.

Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports

The Case for Miracles Lee Strobel, 2018-03-27 New York Times bestselling author Lee Strobel trains his investigative sights on the hot button question is it really credible to believe God intervenes supernaturally in people s lives today This provocative book starts with an unlikely interview in which America s foremost skeptic builds a seemingly persuasive case against the miraculous But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections Along the way he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think What s more Strobel delves into the most controversial question of all what about miracles that don t happen If God can intervene in the world why doesn t he do it more often to relieve suffering Many American Christians are embarrassed by the supernatural not wanting to look odd or extreme to their neighbors Yet *The Case for Miracles* shows not only that the miraculous is possible but that God still does intervene in our world in awe inspiring ways Here s a unique book that examines all sides of this issue and comes away with a passionate defense for God s divine action in lives today Also available *The Case for Miracles* Spanish edition kids edition and student edition

A Simple Guide to Experience Miracles J. P. Moreland, 2021-11-16 Does God Still Do Miracles Today *A Simple Guide to Experience Miracles* will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry Internationally renowned philosopher J P Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God s miraculous acts is a crucial feature of a mature Jesus follower He also shows how to distinguish a real miracle from a mere coincidence Miracles bring comfort to believers strengthening faith in God and creating boldness in our lives While miraculous healings have occurred frequently throughout church history Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity Today he argues the church should humbly expect to see more of these miraculous works of God than we do Moreland looks at topics like The relationship between sickness and suffering along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our

lives how they appear to us and how to combat demonic influence The biblical basis for most Near Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus Filled with inspiring credible motivating accounts of miracles he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic The Nature Miracles of Jesus Graham H. Twelftree, 2017-09-06 The nature miracle stories of Jesus walking on the water or feeding thousands with a small amount of food for example are so spectacular that many find them a problem whether historical philosophical or even theological This is the first book to tackle this problem head on Do the stories reflect events in the life of the historical Jesus or are they myths or legends Or perhaps they grew out of parables or from more ordinary events into the incredible stories we now have Or again perhaps this the wrong approach A group of high ranking biblical historians philosophers and theologians with very diverse views set out to provide possible answers Contributors James Crossley Eric Eve Craig S Keener Michael Levine Timothy J McGrew Scot McKnight Graham H Twelftree Ruben Zimmermann

Miracles and the Kingdom of God Myrick C. Shinall Jr., 2018-03-28 In the last decade or so scholarship on the miracles of Jesus has shifted from reconstructions of the historical Jesus to the questions of why and to what end early Jesus followers told stories about miracles Myrick Shinall contends that Mark and Q contain two distinct ways of remembering Jesus's miracles in relation to his proclamation of the kingdom of God He compares three cases of Mark Q overlaps which feature miracles the Beelzebul controversy the commissioning of the disciples and the testing or temptation narratives and finds that in Mark the miracles and the kingdom of God both point to Jesus identity as a divine figure whereas in Q Jesus and the miracles point instead to the coming kingdom of God Shinall further argues that these different views represent different strategies for creating group identities for Jesus followers strategies that came into conflict as the movement's identity coalesced At length he shows that the mix of high and low Christology in the Synoptic tradition requires reframing of the current debate over how early a high Christology developed in the nascent Jesus movement *The Miracles Answer Book* Lee Strobel, Mark Mittelberg, 2019-08-06 Is God still in the miracle business today This is the question Lee Strobel asked himself A former atheist turned Christian Lee launched a two year investigation into the supernatural The results will amaze you and strengthen your faith as you discover surprising truths Using the popular question and answer format Lee will lead you on a voyage of discovery and discernment as he takes on tough questions such as Can you explain the difference between a divine miracle and an ordinary coincidence Aren't there a lot of fake miracles Haven't studies proven that prayer doesn't make any difference Why is it important to know God acted in history It's so you'll know He is able to continue to work today in our world and in your life The Miracles Answer Book will provide you with a more profound sense of the lengths that God

will go to strengthen the faith of His people

Miracles and the Concept of Impossibility: The Resurrection and the Shroud of Turin Anthony Walsh, 2023-04-25 Miracles and the Concept of Impossibility takes a fresh look at the miracle of the resurrection of Jesus A miracle is inexplicable by the methods of science and thus deemed impossible I examine the concept of impossibility with primary reference to David Hume's notion that there is a boundary of probability beyond which the improbable becomes the impossible calculated at 10¹⁵⁰ Physicists have declared that the universe is inevitable and at the same time impossible Its inevitability is obvious but the mind boggling improbability that a biocentric universe exists vastly exceeds the probability boundary If a miracle is defined as an impossibility the universe is a miracle The origin of life is just as miraculously impossible because the probability of dead organic molecules evolving into the organic molecules of life is even less than it is for the existence of the universe r This book also looks at what the Resurrection means in terms of the atonement and the concepts of hell and universal salvation This is followed by an examination of the evidence for the Resurrection and historical and archaeological reasons for trusting the New Testament Secular explanations of the Resurrection are examined and pitted against the Christian account in terms of their explanatory scope and power The last two chapters look at the silent witness to the resurrection the Shroud of Turin bearing the image of a terribly tortured and crucified man For 125 years scientists have been unable to discover how the image was imprinted on the cloth thus I conclude that it is the silent witness to the Resurrection the authentic Shroud of Jesus Christ

Renewal Apologetics Christopher J. Wilson, 2019-12-09 Why do you believe in God Why do you believe in the Bible Why do you believe in miracles These are questions that Christians are often asked by sceptics The field of apologetics attempts to provide rational answers to these and other questions Unfortunately apologetical answers to these questions are often abstract and philosophical However the Christian apologist evangelist has a much more powerful argument in their arsenal the argument from miracles Miracles are the original Christian apologetic It was through the witnessing of miracles that Christianity was originally spread By applying modern tools of philosophical inquiry and scientific methodology Wilson is able to establish a core set of miracles which defy naturalistic explanations and strongly point toward occurrences of Special Divine Action SDA However once these occurrences are proven to be genuine miracles several questions remain Why does God sometimes perform miracles Why does he often answer no How do these random acts fit into his overall plans of redemption By answering these and other questions Wilson develops a comprehensive apologetic for both Christianity in general and the Renewal Movement in particular

Summary of Lee Strobel's The Case for Miracles Everest Media, 2022-07-24T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I had come to visit the anti church a shrine to the science and reason that many skeptics believe squeezes out the legitimacy of faith I was meeting my polar opposite a skeptic who had turned from faith to doubt 2 I wanted to interview Shermer because I wanted to hear his side of the story about miracles I wanted to understand why he was against them and I wanted to learn how to be open minded without my brain

falling out 3 When high school senior Michael Shermer read John 3 16 For God so loved the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life and put his trust in Jesus as his Lord and Savior a coyote howled outside 4 I asked Shermer why he had lost his faith He said that it had happened gradually on his own which is how it usually happens He didn't think you could reason people out of something they didn't reason their way into in the first place

New Testament Miracle Stories in Ghanaian Mother-Tongues Abraham Boateng, 2024-08-05 This book examines the translations of selected miracle stories from the Hebrew Bible Septuagint LXX and the Greek New Testament into selected Ghanaian mother tongues considering possible shifts of meaning that occur in translating 1 Kings 18 25 38 Mark 9 14 29 and Luke 7 11 17 are used as case studies The author draws out semiotic hermeneutical nuances of these texts as they are understood in the Ghanaian context and addresses questions in the field of Biblical studies concerning the relevance of intercultural hermeneutics for current trends in Ghanaian Christianity Particularly important is the high premium placed on miracles in present day Ghanaian spirituality making a careful analysis of these stories particularly relevant for the Ghanaian audience The study also explores several factors that influence the translation process and have a bearing on the reception and use of the text It follows the growing calls for a shift in African Biblical hermeneutics from the theological heritage of Europe and America to the emerging theological trajectories of Africa This post colonial shift re-examines the translated text moving from what the text might have meant to what the text might mean in Africa

Breakthrough to Your Miracle Jason Noble, 2019-03-19 Throughout his ministry Pastor Jason Noble has witnessed miracles And he was there when John Smith a young boy who had fallen through ice and been declared dead walked out of the hospital two weeks after being surrounded by prayer Why he asks don't believers see more wonders like this one In this powerful companion to the major motion picture Breakthrough with a foreword from DeVon Franklin Noble reveals the heart of miracles explores inspiring biblical and present day accounts shows how God works in believers to invade the natural with the supernatural provides principles and tools to help readers welcome the miraculous God longs to work wonders in your life Let this book help you believe with boldness

Dialogues on Miracle Robert A. Larmer, 2015-03-11 This book explores in a manner that is readily accessible to those with little or no formal training in philosophy or theology important questions concerning the rationality of belief in miracles This book employs the time honored literary device of dialogue a practice that dates as far back as Plato Done well this form of philosophical investigation puts forward a thesis yet genuinely engages with the views its author opposes These dialogues are intended to provide a philosophical defense of the possibility of rationally justified belief in miracles Such a defense can legitimately dispense with much of the paraphernalia that professional scholars in a discipline use in writing for other professional scholars in their discipline some scholarly texts seem to be more references than argument but it must not dumb down the material by oversimplifying the issues or presenting straw man versions of the arguments it seeks to refute My hope is that not only those who are already convinced of the rationality of belief in miracles

will read this book but also those who are unconvinced **The Healing Power of God** Stan Jantz,2021-01-05 Do you really believe in miracles You believe God is who he says he is but it s easy for that belief to be more theoretical than practical You have faith he can heal you know he has performed miracles and you agree he does love you yet if you re honest you don t expect him to intervene supernaturally in your life The Healing Power of God is here to shatter those limited expectations of your Creator and let you realize his ability and willingness to do the impossible Author Stan Jantz will inspire you to embrace God s supernatural nature and increase your awareness of how God can work in your daily life This book will help you understand what obstacles keep you from accepting and anticipating miracleswhy recognizing God s supernatural character is an integral part of your faithhow you can actively experience God s restorative touch on earth You don t have to wait for heaven to witness God s wondrous abilities in action The Healing Power of God will enable you to live each day confident that your heavenly Father s readiness to perform miracles is as real as it was in the times of the Bible Includes a 30 Day

Devotional Journey to a Biblical Embrace of the Supernatural Today *The Multilingual Jesus and the Sociolinguistic World of the New Testament* Hughson T. Ong,2015-10-05 In The Multilingual Jesus and the Sociolinguistic World of the New Testament Hughson Ong provides a study of the multifarious social and linguistic dynamics that compose the speech community of ancient Palestine which include its historical linguistic shifts under different military regimes its geographical linguistic landscape the social functions of the languages in its linguistic repertoire and the specific types of social contexts where those languages were used Using a sociolinguistic model his study attempts to paint a portrait of the sociolinguistic situation of ancient Palestine This book is arguably the most comprehensive treatment of the subject matter to date in terms of its survey of the secondary literature and of its analysis of the sociolinguistic environment of first century Palestine

Kingdom Rhetoric T. Michael W. Halcomb,2013-09-01 This book written to honor Ben Witherington III is a collaborative effort from the New Testament department at Asbury Theological Seminary Essays are offered by five New Testament faculty and five New Testament students who have completed or are currently in the process of completing the PhD program It is our hope that readers of this volume which is divided into five sections and covers the breadth of the New Testament canon will be encouraged in their own explorations and research of the New Testament much as Ben and his works have encouraged us For those who know Ben they will know the last year or so has been quite a difficult one for him and his family On Wednesday January 11 2012 Christy Ann the daughter of Ben and Ann passed on unexpectedly Today there exists a scholarship fund in Christy s name The Christy Ann Witherington Scholarship Fund at Asbury Theological Seminary and readers should be aware that 100 percent of the proceeds from this book will go to that scholarship fund to assist female students in Asbury s biblical studies program Contributors David R Bauer Joseph R Dongell T Michael W Halcomb Craig S Keener Robert Brian Kidwell Susann Liubinskas Fredrick J Long Jason A Myers Judith Odor Ruth Anne Reese **How Does God Act in the World?** David Wilkinson,2025-05-29 Does God act in the world and if God does then how These questions

are central questions for Christian theology and Christian mission and ministry Is God simply a creator who then goes on holiday and leaves the universe to develop or is God the one who is embodied in Jesus the God of signs and wonders death and resurrection And what does this mean for signs and wonders today in the life of individuals and local churches From The Simpsons to a wedding in Cana from grace to quantum theory and from the problem of evil to eschatology David Wilkinson argues that the biblical picture of a God who acts in the world makes sense in the light of modern science but how God acts cannot be reduced to simple models

Craig Keener Miracles Introduction

In the digital age, access to information has become easier than ever before. The ability to download Craig Keener Miracles has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Craig Keener Miracles has opened up a world of possibilities. Downloading Craig Keener Miracles provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Craig Keener Miracles has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Craig Keener Miracles. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Craig Keener Miracles. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Craig Keener Miracles, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Craig Keener Miracles has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
