**The Best of No Small Thing - Mindful Meditations** Deborah Hawkins, 2019-12-22 No Small Thing Mindful Meditations NoSmallThing.net was launched in 2010 with the intention of reflecting on experiences that generated feelings of gratitude in order to create a positive mood and orientation to life. As of fall of 2019, over 500 reflections mindful meditations have been published along with over 100 tips that can be employed in a gratitude practice. This mindfulness process is detailed in a companion book *Practice Gratitude Transform Your Life*. It emphasizes the creation of personal gratitude themes, one's Grateful Dozen, which can help a person see things that spark grateful feelings in new situations. This is a collection of favorite blog posts that came out of this process. **Chicago, 2008 Ecothrifty** Deborah Niemann, 2012-10-01 A guide to saving a fortune while saving the Earth from the author of *Homegrown Handmade*. Use it up, wear it out, make it do or do without. Our grandmothers knew the importance of responsible, thrifty choices. But somewhere along the way, we lost our way and succumbed to the belief that we can get everything for next to nothing, have it shipped halfway around the world, and then more often than not just throw it away. This consumer binge is taking its toll. Diet and lifestyle-related illnesses are epidemic; our environment is awash in a sea of plastic; our climate is changing, and the cost of everything is skyrocketing with the price of oil. Are we doomed? No. We can make greener, healthier choices, and we can do it while saving money. Where to start? *Ecothrifty* is packed with simple, practical ideas and recipes to help you. Make homemade products for cleaning and skin care. Grow your own food and cook more from scratch. Raise your family without lowering your standards. A must read for anyone who has ever wanted to live a greener life but thought that it would be too expensive, time-consuming, or difficult. This handy, complete guide will show you how small changes can have a huge environmental impact and save you thousands of dollars all while improving your quality of life. I support and endorse this wonderful book 100%. Ed Begley Jr., actor and environmentalist. Her advice does not come across as self-righteous or preachy but more like insider tips from an experienced do-it-yourselfer. **Publishers Weekly** [The Termination Clause](#) Tom LaMarr, 2020-12-11 *The Termination Clause* is a comedy about the nature of art, success, and ambition. A young writer of promise is given an advance of sorts to finish his first novel free from outside pressures. An eccentric, app-millionaire who knew him in high school wants to invest in the arts, though Randolph J. Simper's motives become increasingly mysterious as a series of bizarre developments culminating in the appearance of an assassin-sabotage protagonist, Clay Turner. Trying to save his own life, marriage, and reputation while sorting out the mystery, Clay also wishes he'd spent more time reviewing the lengthy original contract, which apparently contained a clause allowing Randolph and three other patrons to purchase life insurance on their investment. **The New York Times Index**, 2006 *Tower Garage, 215-231 East Chicago Avenue, Chicago Tower Automobile Corporation (Chicago, Ill.),*
