Craigslist Hampton Roads Va:

Surfing the South Steve Estes, 2022-02-23 When most Americans think of surfing they often envision waves off the coasts of California Hawai i or even New Jersey What few know is that the South has its own surf culture To fully explore this unsung surfing world Steve Estes undertook a journey that stretched more than 2 300 miles traveling from the coast of Texas to Ocean City Maryland Along the way he interviewed and surfed alongside dozens of people wealthy and poor men and women Black and white all of whom opened up about their lives how they saw themselves and what the sport means to them They also talked about race class the environment and how surfing has shaped their identities The cast includes a retired Mississippi riverboat captain and alligator hunter who was one of the first to surf the Gulf Coast of Louisiana a Pensacola sheet metal worker who ran the China Beach Surf Club while he was stationed in Vietnam and a Daytona Beach swimsuit model who shot the curl in the 1966 World Surfing Championships before circumnavigating the globe in search of waves and adventure From these varied and surprising stories emerge a complex sometimes troubling but nevertheless beautiful picture of the modern South and its people 24 Hours on Craigslist ,2006
