Craigslist Ny Drum Set:

An Internet for the People Jessa Lingel,2022-06-14 How craigslist champions openness democracy and other vanishing principles of the early web Begun by Craig Newmark as an e mail to some friends about cool events happening around San Francisco craigslist is now the leading classifieds service on the planet It is also a throwback to the early internet The website has barely seen an upgrade since it launched in 1996 There are no banner ads The company doesn't profit off your data An Internet for the People explores how people use craigslist to buy and sell find work and find love and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web Drawing on interviews with craigslist insiders and ordinary users Jessa Lingel looks at the site's history and values showing how it has mostly stayed the same while the web around it has become more commercial and far less open She examines craigslist's legal history describing the company's courtroom battles over issues of freedom of expression and data privacy and explains the importance of locality in the social relationships fostered by the site More than an online garage sale job board or dating site craigslist holds vital lessons for the rest of the web It is a website that values user privacy over profits ease of use over slick design and an ethos of the early web that might just hold the key to a more open transparent and democratic internet **Two Lethal Lies** Annie

Solomon,2024-09-24 A love to die for On the run since his daughter was born Mitch Turner has concealed a truth so dangerous its discovery could jeopardize both their lives But when a series of shocking murders hits their newfound home the trail leads straight to Mitch With the police out for blood and his daughter ripped from his arms he has nowhere to turn until a beautiful stranger offers her help Neesy Brown has made mistakes in her life yet she refuses to believe this mysterious man is a killer There's a strength in his broad shoulders that draws her to him and a weariness in his eyes that she longs to ease As the murders tear her small town apart she vows to help Mitch find his missing child But a cunning predator is pulling them deeper and deeper into his fatal game And the price of losing is the child and the future they could both share *Stay the Course* Clay Dumaw,2022-06-17 HAVE YOU EVER WANTED TO MAKE A FEATURE FILM *Stay the Course* is a memoir about a young man in a rural town with a dream of directing movies Clay Dumaw was neither popular nor athletic though he had a knack for storytelling After graduation he took a final stab at his one true passion cinema It was just a hobby to everyone else but to Clay it was the future Despite adversity he wrote and directed two movies and pushed the boundaries of visual effects on a shoestring budget seeding a prosperous career in film and advertising Clay went on to create national ads and media for Honda Ford Toyota the US Olympic Committee Professional Bull Riders and Space Force *Stay the Course* is a touching narrative for aspiring filmmakers and a tribute to those who refuse to give up on their dreams **Buskers** Heth

Weinstein,Jed Weinstein,2011-06-07 Frustrated by the indifference of the music industry and the stacks of homemade CDs gathering dust in their closets brothers Heth and Jed Weinstein made the radical decision to bring their music directly to the masses They began playing on street corners in subway stations and wherever else they could connect with a live audience

To their surprise far from this being the terminal stop of a dead end career busking turned out to be just the beginning as crowds of stressed out commuters gathered around cheering them on subscribing to their mailing lists and actually buying some of those stockpiled CDs 40 000 and counting In Buskers Heth and Jed recount their turbulent drug and crime filled adolescence in the nowhere land of Livingston New Jersey their valiant attempts to achieve rock n roll success through traditional channels and their unexpected path to circumventing the outmoded music industry They divulge fascinating details about the technical and legal aspects of street performance New York busking culture and the lives of their fellow troubadours A world of possibilities opens up when the brothers take it to the streets proving the value of their music to themselves and anyone who ll listen Read their story and your commute will never be the same **Against Ambience and Other Essays** Seth Kim-Cohen,2016-03-10

Against Ambience diagnoses in order to cure the art world s recent turn toward ambience Over the course of three short months June to September 2013 the four most prestigious museums in New York indulged the ambience of sound and light James Turrell at the Guggenheim Soundings at MoMA Robert Irwin at the Whitney and Janet Cardiff at the Met In addition two notable shows at smaller galleries indicate that this is not simply a major donor movement Collectively these shows constitute a proposal about what we wanted from art in 2013 While we re in the soft embrace of light the NSA and Facebook are still collecting our data the money in our bank accounts is still being used to fund who knows what without our knowledge or consent the government we elected is still imprisoning and targeting people with whom we have no beef We deserve an art that is the equal of our information age Not one that parrots the age s self assertions or modes of dissemination but an art that is hyper aware vigilant active engaged and informed We are now one hundred years clear of Duchamp s first readymades So why should we find ourselves so thoroughly in thrall to ambience Against Ambience argues for an art that acknowledges its own methods and intentions its own position in the structures of cultural power and persuasion Rather than the warm glow of light or the soothing wash of sound Against Ambience proposes an art that cracks the surface of our prevailing patterns of encounter initiating productive disruptions and deconstructions
